Local Dancers Score High Marks in Western Canadian Dance Championships

They came, they danced, they conquered!

Kathy Dugard and Bill Windsor entered the "Country Classic" Dance Competition in Winnipeg and where heels and toes above the competition. The "Creative Rhythm Dance Studio" staged their first such event in the province at the Marlborough Inn during the Western Canadian Ballroom Dance Championships. Kathy and Bill, who have only been practising together for about half a year entered the Novice Divisions of Two Step and East Coast Swing. They scored the highest in both categories with a 99 in Two Step and a 98 in East Coast. Kathy and Bill had a lot of fun competing and

where quite surprised to score so high. The judges (who are country dance masters several times over) expressed their admiration and hoped to see them at other competitions. The winners have decided to cool their heels for now, but have not ruled out the possibility of taking up the challenge and continuing in the New Year. Several couples from Pine Falls and Lac du Bonnet attended the competition and social dance following.

Bill and his wife Florence have been teaching Two Step, Line Dance and lately, East Coast Swing in the Pine Falls area, the

Beaches, Lac du Bonnet and Pinawa for a couple of years. The Papertown devotes Tuesday nights to country dancing offering Two Step Tuesday specials and a D.J., Brandy Borody who plays the country dance favourites for the bar crowd. Wednesday is Two Step night at the Lakeview in Lac du Bonnet.

Kathy and Bill would like to thank Annette Breton for help in the design and the sewing of their outfits and to the St. George Community Club and the Powerview Athletic Association for allowing them to use their facilities to practice in.

Empower School Open-for-Business at New Location

The Empower School held an open house at its new location in the Manitou Lodge in Pine Falls Monday October 31.

The school is indeed open for business. Course are available in law, keyboarding, computer, business and co-operative education. But there is far more available. Courses are offered in the sciences, (math, biology, chemistry, and physics), English, world issues, family studies, and upgrading to GED level.

With the exception of computer course on Wednesday and Thursday evening it is all free to residents of the Agassiz or Pine Falls School Districts. Students have only to provide their own supplies, such as pens, pencils and paper.

You can enrol at any time of the year, full-time or part-time, and hours are flexible. Computer assisted courses are available, where you can learn at your own pace. Personal assistance from teachers Lloyd

Chandler, Cynthia Zimmerman and Anne Longston is available, and work counsellor Valerie Arseniuk can help in course selection and career counselling.

School Principal Anne Longston said the whole principle of the courses offered is to make learning an enjoyable experience, with positive reinforcement along the way. A major objective is to give students an opportunity to get a grade twelve certificate - at their own pace.

Grand Marais RCMP ask for public assistance in Missing Persons Case

Press Release - Grand Marais RCMP Detachment
Re: Peter POLINUK
Missing Person

On the 17th day of January, 1975, Robert Polinuk of Selkirk, Manitoba, reported his uncle, Peter Polinuk, of Winnipeg as missing. Peter had not been seen by family members for several years. Robert Polinuk had been receiving his uncle's Old Age Security cheques, and merely returned the cheques to the Old Age Security department in 1970.

Investigation by Police revealed that in August 1970, Peter Polinuk was driven by car to Grand Marais by David Sortie, of Selkirk. Mr. Polinuk apparently had between \$1,500.00 and \$2,000.00 in cash with him at the time he travelled to Grand Marais to visit friends.

Mr. Polinuk was last seen at the trestle at Grand Beach Provincial Park.

Investigators at that time were of the opinion that Mr. Polinuk disappeared in the woods around Grand Marais and eventually passed away.

Mr. Polinuk's body has never been located.

Mr. Polinuk was 78 years old when he disappeared.

Over the years, Police have interviewed numerous relatives of Peter Polinuk, as well as any acquaintances he had with the

people in the Grand Marais and Winnipeg areas. No one has been able to tell Police where the remains of Mr. Polinuk now rest, or how he passed on. Police are very interested in speaking to anyone about Mr. Polinuk's disappearance. Any person previously interviewed by Police who may now remember some seemingly trivial bit of information, please come forward, that seemingly trivial bit of information may be the clue to finding Mr. Polinuk.

Police are asking the public for assistance concerning this missing subject and if you have any information, you are asked to call crime stoppers at 1-800-782-8477 or Grand Marais detachment at 754-2300.

Beaches Buzzes
Remember this past summer when in these pages it was reported a novelty four seater bicycle had been stolen from the Hillside Beach home of John and Jenny Rouse? Well Jenny is delighted to report the safe return of the bike. It was spotted by some eagle eyed neighbors in the brush in the vicinity of Ironwood Point. John and Jenny are grateful for the information leading to its return.

Jenny would also like to extend sincere thanks and warm wishes to all who patronized the "Jenny Wren" during the summer. Jenny will be available for catering to small groups on special occasions during the holiday season. Have yourselves a great winter, and "The Wren" will re open next May.

Praznik Gets PC Nomination

Darren Praznik

To no one's surprise, Darren Praznik was nominated by acclamation to represent the Progressive Conservative Party in Lac du Bonnet in the next provincial election at a nomination meeting in the Brokenhead Community Hall, Thursday, October 27.

250 supporters paid five

dollars each for a perogie supper prior to nominating speeches and Praznik's acceptance. They consumed close to 3000 perogies. (Donated by Sonny Sleeman of Pine Falls.)

In his acceptance speech Praznik spoke briefly of the government's record. He said Manitoba "taxes and charges" are the lowest in Canada for families with incomes under \$25,000, and second lowest for families in the \$25,000 to \$50,000 range. He said in spite of this the province has been able to increase funding for health care by 50%, (to 1.8 billion dollars).

At least 50 people from the Pine Falls area were present, including most of the mill's senior management, and union leaders. Addressing these people he talked of the three and a half years of effort involved in the purchase of the mill by management and employees, of the roller coaster ride of ups and downs, and attacks by Winnipeg environmentalists. He said the mill's 23 million dollar payroll was vital to the community and the mill had to be saved. "We all worked together." He said. When the time came for government approval of a 30 million dollar loan to make the deal a reality, the homework had been done and the groundwork laid. It took only eleven minutes for formal cabinet approval.

Turning to people from Pinawa he promised the same support. "If you doubt our commitment, just ask the people in Pine Falls". He said.

NEW HUNTING & FISHING LAWS Stiffer Penalties

New hunting & fishing laws to curb illegal and unsafe hunting practices are now being enforced by Manitoba Natural Resources.

Changes to The Wildlife Act will increase penalties for:

- dangerous hunting
- night lighting
- hunting while impaired by alcohol/drugs
- discharging a firearm from the road
- dangerous hunting situations involving vehicles

No person shall discharge a rifle or shotgun from half an hour after sunset to half an hour before sunrise.

Stiff penalty increases include imprisonment, fines up to \$50,000, and automatic loss of vehicles and equipment.

The changes to The Wildlife Act are intended to curb illegal and unsafe practices and will target those who disregard hunting laws. The new laws will not affect those participating in safe and ethical hunting practices.

Copies of the changes are available at Manitoba Natural Resources district offices. For more information contact Dave Purvis, Chief of Enforcement and Special Investigations at 945-5584.

PC PLACE
by Rennie Allen

This is the first article of what I plan to be a regular column for the Voice.

First, an introduction; my name is Rennie Allen, and I am the new Computer Systems Specialist at Pine Falls Paper Company. Since starting at the mill, I have noted that many people in the area have home based PC's of one sort or another.

Given this fact, I decided that having a column in the Voice would be a good way "distribute" some of the knowledge my career in the field has bestowed upon me. Writing this column should also afford me the opportunity to meet the PC users within the community.

I envision "PC place" taking the form of a question & answer column. For the first few columns I will answer the questions that I have received most often in the past few years. This should serve to get things rolling.

Over the next few weeks I plan to cover the following subjects:

- Buying a PC
- Modems & Communications
- The Internet

After covering these I hope to have enough questions from people, that I can start to answer those I have received which are relatively generic in nature.

Having used up my space for this week, I will begin next week with "Operating Systems".

Thanks for reading, and if you have any PC related questions, you can send them to: TheCommunityVoiceBox 4000 Pine Falls, Mb. R0E 1M0

Eastman Youth Choir Entertain at Ladies Auxiliary Fall Tea

by Chantelle LaFreniere

The Powerview Ladies Auxiliary's 11th annual fall tea was held Sunday, October 30th in the Notre Dame du Laus church basement. There were tables full of baked goods, prizes, draws and raffles and even the Eastman Youth Choir showed up for the event.

This choir, a project of the Eastman Choral Association was formed in 1989 to provide choral experience for

youth in grades 10-12 from southeastern Manitoba. They come to the choir upon recommendation of their school music teachers or voice teachers as did two local girls, Miranda and Laurie Dube. Also, young people who are interested in music and enthusiastic about singing are invited to join.

The conductor, Derek Morphy, has an impressive history of music as he received his education in Cambridge,

England. He has worked with many choirs over the years and is very well known across Manitoba. This year, the 39 singers performed a number of songs including favorites such as, "I Got Rhythm" and "Danse, Mon Moin, Danse".

Early Dismissals
 Because the high school is tied to a joint schedule with Powerview, many of our elementary students come to school by bus and car, and some families have students attending different schools, it is only practical to run the school on similar time schedules. Therefore it is necessary to schedule three additional early dismissals for our students. These will be as follows: November 29, January 31, May 30 all at 2:15 pm.

Gymnastics and Wrestling
 The gymnastics club has re-organized and has begun its activities in the Pine Falls School on Tuesday evenings after school and on Saturday mornings. The club is also interested in beginning a wrestling program. There are still openings. If you wish further information contact Annette Chevrefils at 367-8763.

Adult Computer Courses

The school has been offering evening computer courses last year and again this year. Three courses have already been scheduled and filled. The current courses are taught by Mr. Peter Clarkson and have a duration of six hours. We are currently offering a course on the Windows configuration. There are possible openings in further courses in November. If you are interested contact W. Borlase at the school 367-2254.

Adult Volunteers Welcome

Is life boring? Same old TV soaps add nausea? Would you enjoy an occasional challenge or change of pace? Would you like to see your kids or someone else's in a different light. How about being a parent volunteer for a couple or few hours a week. We currently have three volunteers in the school. You are welcome too. Call Hugh Woolley at 367-2254 in the mornings and he will tell you all you need to know.

Running Club News

Thanks for supporting our recent fund-raiser. You will soon be receiving your new phonebooks courtesy of us. We have the contract for delivering the books in Pine Falls. Thanks for your continued support.

Pine Falls Home And School

Adult Volunteers are needed to act as crossing guards for the Pine Falls School. Maple St. has become very busy. Traffic to and from the hospital, high school student traffic, buses, Le Petite Soleil Mini-School traffic and regular Pine Falls staff and student traffic have made Maple St. in front of the school very congested.

If you are interested for the 94/95 school year, please phone the school at 367-2254.

Sports Corner

"It's Volleyball Season."
 Powerview has five teams competing in the Agassiz League. The Varsity boys coached by Mr. Furdyk have a 2-1 record, losing the first game of the season to

Sagkeeng. The boys came back to win their next two matches, one against Wanipigow and the other against Sagkeeng.

The Varsity girls' record is 3-1 after losing their first game to Wanipigow. Coach Clarke feels that the girls have improved with every game. The Freshman Girls coached by Mr. Paukovic have shown the most enthusiasm. The season started with a heartbreaking loss to Wanipigow followed by a convincing win over Sagkeeng. The second game against Wanipigow saw the girls come back a win. The up and down roller coaster continued with a loss to Sagkeeng, giving the girls a 2-2 record. The Oct. 26th saw them play Lac du Bonnet, Pinawa, Beausejour, and Whitemouth. The Varsity boys won 7 out of 8 games, beating Lac du Bonnet, Pinawa and Beausejour 2 straight games each. When they played Whitemouth they won the first game but lost the second. The boys are in a 3-way tie for first place. The Varsity and Freshman girls won all eight of their Wednesday games, putting them in first place in the Agassiz League standings. The grade 7 and 8 teams coached by their respective Varsity play-

ers practice every Monday, Wednesday and Friday and noon hours. Their has been a strong turnout. Their tournament will be played in November.

PV Student Council News

The Powerview Student Council recently held a Halloween dance Friday, Oct. 28th. We made a profit of \$695 which will go towards student activities such as Activity Day and other dances. The \$50 winners of our best dressed contest were:

- Female - Laine Gelinas (Pearl Jam)

We also had a \$50 prize for the best dressed individual in school on Halloween Day and it resulted in a tie between Tyson Papineau and Laine Gelinas (nerdy pregnant couple), and Julie Fountain (Elmo, which was made by her grandmother). Thanks to all who dressed up for this occasion!!

C.A. Starts business in Powerview

On October 26 Darrell Tarrant (34), a chartered accountant formerly working out of Minedosa set up shop in Powerview.

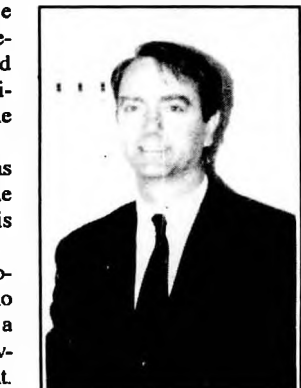

Tarrant graduated from the C.A. program in 1990 and worked for the taxation department of Peat Marwick Thorne in Winnipeg for a year, but decided he preferred the idea of living in rural Manitoba. He answered an advertisement in a C.A. Trade Magazine, and was subsequently hired by Bartsley and Spencer in Minedosa, Manitoba, where he worked for the past two and a half years.

After learning the "ins and outs" of the business he decided to venture out on his own.

He talked to some people he knew in this area who convinced him there was a viable market here for the services of a Chartered Accountant.

Tarrant will be provid-

ing services to businesses in the capacity of accounting, auditing, taxation, and business advisory services, and for individuals he will provide taxation and personal financial planning. Because of his work in Minedosa, is experienced with agricultural financial services which he will also provide when needed, though he doesn't expect the demand to be as great in this area.

Festivals Flourishing In Manitoba

Many Manitobans celebrate summer by attending festivals throughout the province. Urban dwellers visit rural festivals and rural residents attend events in the larger towns and cities as families share happy times and improve the quality of life in the province.

Each community reaps a variety of economic benefits, from spending on food, accommodation and increased retail sales, to the spin-off business other events or attractions receive.

But the organizers and volunteers don't do it alone. They receive assistance from lottery and gaming revenues. This funding flows to seven major festivals in Winnipeg, and more than 40 festivals in rural centres.

Folklorama
 One of the best-known of Manitoba's festivals is Folklorama, where 20,000 volunteers present the foods, talents and cultures of people from virtually all over the world. The

Chuckwagon Races are a daily highlight at the Manitoba Stampede located in Morris.

festival attracts more than 500,000 visitors to pavilions throughout Winnipeg, including, this year, 94 bus tours which carried over 3,100 tourists to Folklorama. The Folk Arts Council of Winnipeg, which sponsors the festival, employs 11 people full time, and hires 14 students each summer. It has been estimated Folklorama contributes about \$30 million to the provincial and Winnipeg economies.

Manitoba Stampede in Morris

Another major attraction each summer is the Manitoba Stampede located in Morris, which is considered Canada's second largest rodeo. The Stampede draws 60,000 or more people each year, with approximately 20% coming from outside Manitoba. Ron Jenke, General Manager of the Valley Agricultural Society, which sponsors the Stampede, says there's a population of 1,700 people in Morris. During the rodeo, he says that grows to "half of that again."

He says "hundreds of volunteers" help out, and area sports groups and service clubs raise funds by supplying services or running concessions. "That's where their money comes in," he said.

International Children's Festival

Another popular summer event in Manitoba is the International Children's Festival, which Acting Executive Director Karen Lawlor says offers activities which "focus on learning skills, sharing and participatory activities. We feel it is unique to offer live performances to children."

The festival offers everything including music, dance, mime, theatre, drama, juggling and all kinds of performing arts. A wide diversity of workshops is also available.

Mrs. Lawlor says the Festival gets "tremendous" positive response from children, teachers, day care workers, parents and guardians.

She says one of the ways lottery funding assists the Children's Festival is to keep admission prices reasonable. If they didn't get lottery support or corporate sponsorship, she said, "and we had to charge the true price of a ticket, people would not be able to afford it."

About 60% of the performers are local talent, with the remainder being national and international entertainers.

Dauphin Festival

Every summer thousands of people travel to Dauphin to attend Canada's National Ukrainian Festival. President Stan Sklepowich says it started out 29 years ago as "the major festival in Manitoba. We were the first major festival beyond the City of Winnipeg. Ever since then it's attracted up to 50,000 people to the Town of Dauphin."

The National Ukrainian Festival has become a major event each summer near Dauphin.

"It's been a great economic boost to the whole business community, in accommodation, food, giftware and in just about everything. It's put Dauphin on the map nationally in Canada, internationally in the United States and now, even through Europe and Eastern Europe."

Where does a small town like Dauphin put 50,000 visitors? "Anywhere you can," he replied, but noted, "They wouldn't be (here) all in one day."

The Festival is a 4-day event. The Festival has had its own permanent site for nine years on the northern border of Riding Mountain National Park, about 11 kilometers south of Dauphin.

Festival Du Voyageur

Summer is not the only time for festivals. Festival du Voyageur has become a major winter tourist attraction. Executive Director Norman Gousseau says, "It is a heritage festival that talks about the voyageur, specifically the French voyageur, and for French Manitoba there is great value. We're talking about our ancestry."

Festival du Voyageur employs 13 people full time, and 150 part time, including staff for events at Le Rendezvous, which the Festival owns.

Gousseau says "We host about 200,000 visitors over 10 days," adding that five percent are tourists from outside the province.

A study by Tourism Winnipeg said that the Festival has an economic impact of \$5.2 million on the province, and \$4.6 million on the City of Winnipeg.

In this region, lottery and gaming revenue has also supported the Evergreen Festival of the Arts in Riverton.

Last year approximately \$200 million of lottery revenue was used to support health care and medical research, learning and education, fitness and amateur sport, heritage and culture, community and conservation programs, economic development and deficit reduction. Lazaruk team Wins Hallowe'en 'Spiel

By Wayne Rudd
The Susan Lazaruk team topped a field of 30 entries to win the annual Hallowe'en mixed bonspiel held this past weekend

at the Pine Falls Curling Club. Lazaruk, supported by Denis Lagasse, Dorinda Watson and Rick McLeod, defeated Wayne Rudd's team of Rose

Blanchette, Mike Barrett, and Sue Thomson in an abbreviated main event final.

Consecutive steals of three and five on ends four and five gave the Lazaruk team its fifth straight win, and \$200, - for total earnings of \$385 - under the progressive pay-per-win format of the bonspiel. The Rudd team earned \$100, and a total of \$285.

In the semi-finals, Lazaruk stole a point in both the eighth and extra end to eliminate the Dave McCalders foursome from Lac du Bonnet, while Rudd defeated the Clark Norman team.

In the second event final, Jack Bonekamp and his team of Felicia Wilcott, Robert Wilcott, and Kim Bonekamp edged Grant Dugard, Heather Abrahamson, Marc St. Goddard, and Nellie Oman in an extra end. The win was worth \$160 for a total of \$245, while the Dugard squad picked up \$80, and a total of \$165. In the semi-finals it was Dugard over Tim Seguin, and Bonekamp over Ray Lavallee.

The third event final pitted youth against experience, and experience prevailed as the Al Borody team of Wendy Cyr,

Dennis Cyr, and Gloria Borody scored a 10 - 5 victory over Kevin Oman, Tammy Oman, Kelly Kemball, and Chantal Lagasse. The Borody team added \$120 to its previous winnings for a total of \$215, while Oman collected \$60 and \$160 in total. Borody had eliminated Jeff Houghton in the semi final, while Oman sidelined Rob Oakes.

*Total cash payout for the weekend was a little over \$2,000. *Curlers and spectators alike were favourably impressed with the new look of the curling lounge, featuring new washrooms upstairs, windows overlooking the arena ice surface, improved air circulation, and increased seating area.

*Nice to see that the youth movement is alive and well in curling. No fewer than 8 or 9 teams were made up completely or partially of high school students or young adults. *Ken Kahle, the bartender was presented with a plaque Saturday night in recognition of 25 years of bonspiel bar duties.

*Curling is definitely a family affair. All five members of the Houghton family were in the spiel, all on different teams. The Tardiff clan was well represented too, with Leo, four of his "kids" and their spouses. Then there were the three Oakes brothers, four members of the Oman family, three Lagasses, etc., etc.

*Hats off to the many hard-working volunteers who put in a lot of hours to have the lounge ready for the weekend, cleaning upstairs and down, putting the finishing touches on the expansion and decoration for the Hallowe'en theme. Great job, gang!

*The "Bonspiel Spirit award has to go to all the local couples, and some out-of-town friends and relatives, who threw their names in a hat and came up with 8 or 9 mixed up teams. These "pick-up teams not only had fun, but they also produced four event semi-finalists, a second event runner-up, and the bonspiel winners.

*Regular league curling starts November 1, with men's curling Tuesday and Thursday, ladies on Wednesday, and the increasingly popular Family Curling on Friday night. See you at the rink!

Pine Falls Badminton Club

The first social tournament of the season was held on Oct. 23 with twenty members participating.

The first event was captured by Simon Avanthay and Chad Thomson with a win over Jennifer Jackson and Mike Oman.

After two closely contested games Alice Loucks and Joel Lamoureux defeated Leitha Fraser and Tanis Veilleux to win the second event.

The third event was won by Dave Loucks and Kelly Murray with a win over Dan Coss and Laurie Wilson.

A good time was had by all. For an evening of fun and exercise see you in the courts.

Ethnic theme adds flavour to Library Allard Fall Supper

by Lorraine Neal

A capacity crowd filled the Hall of St. George Roman Catholic Church for the Eleventh Annual Library Allard Fall Supper. The Supper, held on Sunday, October 30th had a multi ethnic theme this year. The menu consisted of delicious baked ham, several types of coleslaw, mashed potatoes, meatballs several varieties of salads, cabbage rolls, perogies, wild rice, and many different kinds of pie. Dinner was excellent. One hundred and forty five plates were filled and heartily consumed by happy diners.

Wendy Richardson, our more than capable MC for the

evening, gratefully acknowledged the contributions to Library Allard by the many volunteers from the area, particularly the seniors of St. Georges. It is the seniors to whom we owe so much, as they have given so freely of their time and talents in the renovations of the new Library. Thanks also to the many volunteers who gave so much to the success of the dinner, both this year, and in all past years. Special tribute was given to three volunteers, who have given over and above the call...these were Edgar Vincent, Paul Boulet, and Joe Vincent.

We would be remiss if we didn't say a very big thank you to Renata Johnson, who along with her staff of kitchen help made all things possible. Thanks to the serving helpers Jeanne Bourgeois, Ginette Boulet, Carrie Paukovic, Angie Robert, and Cara Bourgeois. Many thanks also to members of the Board of Directors, and Friends of Library Allard who prepared and donated all the wonderful food. We also wish to thank Monty Vialoux of the Birchwood Hotel. Monty unflinchingly supports the dinners each year. He supplies dish tubs, water pitchers, wine glasses and many other items.

More thanks to those who so willingly helped to clear the tables, and to the ever faithful dish washers and dryers, in particular to Rose Beaudry who dried dishes till the last soggy towel was hung. Thanks...to all supporters, it was a great dinner, and we look forward to planning the next one!!

BOOK NOOK

Library Allard will be acting as a sub-registry for Manitoba Environment. We will be receiving files affecting our area only. These files are available to the public and at this time we have three registry files on the Pine Falls Paper Company's de-inking plant, woodroom and modernization. The files will be kept in the vertical file, do not hesitate to ask staff for assistance.

There are many new books that are ready for loan, these include *THE DOORTO DECEMBER* by Dean Koontz and *HOLLYWOOD KIDS* by Jackie Collins. Science Fiction and Fantasy fans will enjoy *POWERLINES, TORIDE PEGASUS* and *PEGASUS IN FLIGHT* by Anne McCaffrey, three new Star Trek novels *CAPTAINSHONOR* and from the Deep Space Nine series

THE SIEGE and *EMISSARY, THE LOST KING* and *KING TEST* by Margaret Weis and *THE PUPPET MASTERS* by Robert A. Heinlein.

New Videos that are recent addition to our collections are *A CHARLIE BROWN CHRISTMAS*, *CARE BEAR'S NUTCRACKER SUITE* and *BLACK ROBE*, a magnificent epic that transports us totally to the harsh and beautiful world of 17th century Canada. A raw and jolting adventure, it is the tale of a Jesuit's struggles against the hostile wilderness and the natives he dreams of converting. It is fascinating and disturbing portrayal of the crash of two cultures.

Winner of the pair of tickets for the Library's Fall Supper was Yvonne Powell. Thanks to all who helped in any way to make our fall supper a success!

PF United Church Congregational Dinner

Well, another summer has come and gone - too quickly, if you ask us! We managed to have a great garden this year which produced tomatoes, beans and carrots in abundance. Our pumpkin patch didn't do so well - we only reaped one pumpkin, but it's a beaut!

The Health Auxiliary generously funded a position for a summer Activity worker. The residents really enjoyed having Debbie Wiggins here to help us out - and so did the staff!! Thank you ladies.

A Memory Walk took place on September 8th to raise money for the Alzheimer Society. More than 50 residents, families, staff and community members joined us in the walk to raise funds and awareness for this disease. Together we raised almost \$1800.00. Way to go!! Thank you to all of you who donated your time and money for this event.

Congratulations go out to Faith and Jules on the birth of their son. Brock arrived on September 10th and weighed in at 8 lbs. 2 oz. We miss you Faith.

We have a real battle taking place in our Sandbag Championship. With one more game to go, there is a 3-way tie for first place. We'll let you know who the lucky winner is in the next article.

A big thank you goes out to all the families and individuals who volunteer and help us out throughout the year. We are very grateful and fortunate to have you here.

Don't forget we are always in need of volunteer help - especially during the Christmas season. If you have any free time we'd be delighted to see you. Please call Kathy Dugard at 367-8201.

By Lorraine Neal

Pine Falls United Church marked another year with the very successful Pot Luck Congregational Dinner which was held on Monday, October 24th, 1994. Convenors Shirley Giesbrecht and Jacquie May, with their army of kitchen helpers worked very hard to ensure the success of the dinner. And successful it was. There was such an array of food... everything from chicken wings to a wondrous variety of salads to chili, and all of it delicious. Plates were set for 75 members of the congrega-

tion, families and friends. At the conclusion of the meal, diners were entertained by the music of the KJRJ Barber-shop quartet. Members of the quartet are: tenor Kim Wilson, lead Dr. Jaco VanderWalt, baritone Joel Lamoreux and bass Rubin Batke. The group sang a medley which included "Just a Closer Walk with Thee" "Zippity Do Dah" and "Play a Simple Melody." The Congregational dinner is a long standing tradition, and is also a wonderful way to renew old friendships, and talk to those we often don't see.
