Supreme Court of Canada rules against Sagkeeng grandfather

When Sagkeeng resident, Brenda Everett heard that the Supreme Court of Canada had ordered that the four year old grandson of a Sagkeeng band member should be taken away from the grandfather and given to the boys wealthy adoptive grandparents who live in Connecticut, she decided she had to do something.

"Why wasn't the issue of love brought up, rather than just money." She said. "Baby Sagkeeng, (there is a publication ban on the names of the people involved), is loved, he doesn't want for anything."

There was not much that Everett could do. The decision had already been made, but she felt she had to do something. She herself had been taken into care by the Children's Aid Society and placed in adoption with an American family. She lived in Florida, in a comfortable suburb, in a big house, complete with swimming pool. She had everything she needed, except love. She envied the loving homes of her poorer friends. She left her adoptive home as soon as she could, and years later found her roots, (she had been told she was Italian). She has returned to Sagkeeng where she feels she belongs, and is making a name for herself as a vital part of the community. She is running for band council in the next band election.

She organised a petition. Her husband picked up 50 signatures that evening, and She,

herself went door to door the next day and got another 198 signatures in a little under two hours. The petition was taken to a meeting of the Assembly of Manitoba Chiefs the same day, where Grand Chief Rod Bushie also signed the petition.

The petition is not likely to do much good. The Supreme Court hardly ever reviews its decisions. However in this case there is a possibility. The Sagkeeng First Nation was given intervener status when the issue began its progress through the courts in British Columbia, but was not informed by the Supreme Court of the hearing last week. The lawyer for the Sagkeeng grandfather believes this may be a reason for reopening the case.

The issue is complex, and because of the publication ban on names of people involved, it is difficult to obtain first hand verification of the facts.

It appears that Baby Sagkeeng's natural grandmother was an alcoholic. Her two daughters were taken into care and both placed into adoption with a Montreal family who later moved to Connecticut. Baby Sagkeeng's mother appears to have suffered from the drinking of her mother, and has emotional and mental problems as a result. As is not uncommon, she suffered during childhood, and does not want her son to be raised by her adoptive parents. She is now in jail, not able to care for Baby Sagkeeng herself, and has

cont'd page 10

Winter isn't over yet!

Tuesday's snow and icy road conditions proved to be a challenge for Al Meisner's grader. While clearing snow on Highway 11, it slid into the gully opposite Clark's Corner almost taking out a hydro pole in the process.

Pine Falls to vote April 8

Residents of Pine Falls will determine their municipal future on Thursday April 8. There will be only two options. To join the Village of Powerview, or to become a Local Urban District within the Rural Municipality of Alexander.

The vote will follow an open house on Tuesday April 6, when representatives of the Village and the R.M. are expected to be present. Information relevant to the decision will be mailed to residents two weeks prior to the open house to give voters time to assimilate and understand the issues involved and to formulate questions for the open house.

Pine Falls has been a company town since the mill and town were built in 1926-27.

With the sale of the mill to Tembec, Tembec president announced that the company had no desire to be in the town management business, and gave the community a year to become independent.

The deadline was not met. The year expired at the end of February. The deadline has been extended to January 1, 2000. While the decision on the communities future will be made in April, the balance of the year is needed to allow for the formal reorganisation to take place.

While joining the Rural Municipality of Alexander will allow the Local Urban District of Pine Falls a limited amount of independence in determining services and budget setting, it will also find itself in a municipality where two

councillors and the reeve are elected by property owners the majority of whom live in Winnipeg.

Joining the Village of Powerview will follow integration already underway, especially with respect to sports and other volunteer organisations. Pine Falls will elect half of the new municipalities councillors, and will have approximately fifty percent of the votes for Mayor.

A proposal is being discussed whereby local municipal boundaries will be completely reorganised, with a new municipality from Pine Falls to Great Falls being part of the reorganisation. This reorganisation is not likely in the near future, and may never happen. It will thus not be an option to residents of Pine Falls at this time.

4P ORGANIZATIONAL MEETING

Everybody Welcome
Monday, March 15, 6:30pm
Powerview School Staff Room

Opinion

Supreme Court of Canada is wrong.

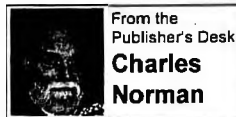

On the face of it, it seems not unreasonable for the Supreme Court to give custody of Baby Sagkeeng to his wealthy adoptive grandparents, at least to anyone who believes that money is the most important asset that anyone can have, but there are much bigger issues involved.

Years ago, the Children's Aid Society took aboriginal children into care and placed them for adoption with American families at such a rate that aboriginal leaders used the phrase "cultural genocide" to describe it. It was a powerful phrase, and got attention, but in many ways it was an unfortunate choice of words.

Genocide is a powerful word, and should not be used lightly lest we debase the word, and find it has lost its power when we really need it. Cultural change is inevitable.

Culture is what people do. People are continually making choices which affect the way they live, and thus changing the culture in which they live. People who were raised in the depression live in a vastly different culture now. They may regret some of the values that have been lost, but not many of them would like to go back to the depression years.

It appears that this issue has got in the way of the real issue. The Supreme Court's decision is a direct attack on the family. The family is the very fundamental unit of society, not just our society, but of every society that ever existed throughout the history of the human race.

From the
Publisher's Desk
**Charles
Norman**

By ignoring the wishes of Baby Sagkeeng's mother, the Supreme Court has established a precedent which places itself firmly in the middle of the family. Is it really any business of the Supreme Court if a child is on welfare? What of other children on welfare, aboriginal or non-aboriginal? Does the Supreme Court, in their collective wisdom, think that all children on welfare should be adopted out to wealthy American Families? Would it really be in the interest of the children involved?

The family is the basic unit of society because of the love between parents and children. Brenda Everett is absolutely right. Love does count. It is absolutely fundamental. The Supreme Court of Canada is a very powerful institution. It can make and break the laws of Canada with barely any reference to the wishes of Canadian elected representatives, and it has done so on numerous occasions, but there has to be some limit to its power. It is treading on very dangerous ground when it presumes to place itself above the family.

From Holland or Cypress Hills? The RM of Victoria needs your family history

Dear Sir/Madam:
**Re: RM of Victoria
History Book:**

RM of Victoria History Book needs your history.

The RM of Victoria is planning a Family History Book for the Centennial year of 2002. We would like to include the family history of anyone who has ever lived in the RM of Victoria. You may wish to include the following information:

- brief origin and background of family.
- reason for settling in the RM of Victoria

- brief family tree tracing members to their present location.

- List outstanding family events; leisure activities, hobbies, etc., during the years in the RM of Victoria.

We would appreciate a documented photo (to be returned). We reserve the right to edit or condense your history.

Please send your family, or business history if you were involved in one as soon as possible. Deadline is December 31, 1999. You may submit your information, hand

written, typed or on a cassette. Include your name, address and phone number.

For further information call: Carol @ 204-637-2339, or Harold @ 204-526-2413.

You may also pre-order a copy of the history book by sending a \$30 deposit. Please send history and/or deposit to:

RM of Victoria History Book Committee, Box 367, Holland, Manitoba, ROG OXO.

Thank you,
Joyce Lounsbury.

Comments, Questions and Queries

There is a variety of topics questioned in this week's column and it is good to see people thinking about what the police are doing other than traffic enforcement. I do not want to belittle safe driving as it is very important, but I think we are now beating a dead horse there. At any rate this is what people wanted to know this week.

Q - How does one become an auxiliary constable? Does a person have to be a certain age? - Waiting

A - For those of you who do not know, auxiliary constables are persons from the community who volunteer their time to become appointed peace officers and work with members of the Detachment on regular shifts. These people are not employees of the RCMP but do receive training and uniforms from the RCMP and provide limited assistance to members in normal and emergency situations at the Detachment. The requirements for applicants are as follows:

- be a Canadian citizen of good character,
- have a mature and responsible attitude,
- have successfully completed high school or have work related

experience,
- possess a valid driver's license,
- meet the minimum fitness and health standards,
- meet the reliability clearance required by the RCMP, and
- have no business or employment conflict of interest.

Q - Why is it that no one ever has a day that the RCMP members or staff members raise money for the Children's Hospital? I know there is the Run for Cancer, but how about shaving heads like other places do???

Throwing pies, I am sure there are a lot of people that would pay money to be able to throw a pie at a police officer. - Just a Thought

A - Good question and

the answer lies in the community and the police working together. I am sure that some members of the Detachment would be willing to take part in fund raisers for deserving Charities but the problem is time. Members can not justify letting their investigational and enforcement duties suffer for organizing large fund raising events. This is where the community's partisanship to making these events go forward. Should a member of the community have the time to organize an event and then approach the Detachment for member's assistance, I'm sure the response would be favourable. Be it losing our locks, manning the grill at a charity barbeque or the target for soft food items, some of us will be there to help if asked with enough notice. After all, some of us never have much hair to lose in the first place.

Q - When an RCMP officer pulls a motorist over for suspected impaired driving, why do they ask the person "Have you been drinking"? Has anyone actually answered "yes"? - unsigned

A - There is more to an impaired driving charge than someone swerving down the road and without getting too technical the question is part of the investigation of the offence and evidence of the offence includes how a person walks and talks after they are stopped. Slurred speech and odour of liquor are also good indicators that a person is driving impaired. As far as

portable radios. I hope that these answers are not too confusing and satisfy the people who asked the questions, if not let me know and I will try to clarify things further. Keep those questions and comments coming. For those of you with access to E-mail, I can be reached at joscol@mb.sympatico.ca.

Computer Age Thieves
This week I would like to pass on some important information received from Brian Ryall, the manager of the Pine Falls Royal Bank. This information involves debit transactions using your bank card while purchasing things. I don't know about the rest of you but I rarely carry cash anymore and have been embarrassed by assuming everyone has interact payment and finding out at the cash register that this isn't so. As of late the criminal activity known as "skimming" has been occurring all over Canada and if you are not careful it could happen to you. "Skimming" is where a merchant double swipes your debit card out of your sight on two different machines, the one you use and a separate one that collects your card's information. Then the merchant will obtain your

interact first came out and one of it's marketing features was that it was safer than carrying cash? As always, it would appear that criminals have caught up with the technology that was supposed to safeguard us and have devised the means to use it to rob us. Now, don't let paranoia take you over, most reputable stores are also aware of this crime and will try to prevent it from their end, just remember to be careful.

Many thanks to Brian and the Royal Bank for the information.

The Pine Falls Mens Slo-pitch team

A history of the team

The team was formed in 1993 from various members of the Pine View Mixed (co-ed) League. This was a chance for the players to have the thrill of competing in a higher level of ball. Norm Vezina had seen the abundance of talent in this area, (extraordinary for such a small area,) and knew that it was possible to field a team that could compete in Winnipeg and other intermediate areas.

The first tournament that the team played in was at Stead and the nucleus of the team that exists now put on a good showing and was runner up in the championship game.

The team competed again in 1994 and won the tournament it was at this time that the team had caught the eye of Jerred Wright and later Dan Franklin, both Slo-Pitch National Representatives who were based in Beausejour.

In 1995 they invited the team out to the S.P.N. Provincial Qualifying Tournament in Beausejour. The team played in this tourney, losing in the semi-finals. This was encouraging to Norm and the other members of the team, for it showed how our team could assert itself against quality competition from Winnipeg and another large communities (larger than ours

that is). With the advance into the semis this placed the team into the 1995 Manitoba Provincial Championships, played in Winnipeg. Again the team played astonishingly well and finished in the top 4 in the Province, thereby qualifying for the 1996 S.P.N. National Championships in Saskatoon, Saskatchewan. This was quite exhilarating for a team to come from such a small community and play against teams from vastly larger places and remain competitive. The team won the consolation that year and now we were addicted with the chance to play some quality ball and do our town and ourselves proud.

To date the team has played in the 1995, 1996, 1997 and 1998 Manitoba Provincials, qualifying and then representing the communities of Pine Falls, Powerview, St. George and Great Falls at the 1996, 1997 and 1998 National Championships in various cities throughout Canada.

The team is in the midst of fundraising for the 1999 Nationals to be played in Niagara Falls, Ontario. The team is also going to be playing in the Men's league in Beausejour this upcoming Slo-Pitch Season. We

are hoping to see a great turn out at the Pine Falls Arena on March 13 to see the Winnipeg Jets Old Timers battle against the Pine Falls MENS team in a exhibition hockey game.

The following is a list of players that played for the Pine Falls Mens Slo-pitch Team, Bert Weger, Ian Cyr, Mike Dupont, Sheldon Einfeld, Duke Fountain, Steve Gaffery, Rene' Chevrefils, Jules Fontaine, Kirt Harper, Mike Oman, Steve Gunter, Brent Robertson, Brent Osis, Warren Courchene, Sheldon Kent, Preston Bourborie, Dennis Strongquill, Shawn Jackson, Denten Normand, Dave Picard, Dave Harper, Lance Nault, Ron Knott, Loydd Wach, Jamie Veilleux and Danny Gelinis.

The following is a list of current players for the team. Tyson Papineau, Randolph Druzzyk, Cam Sokoloski, Raymond Bouvier, Simon Avanthay, Ian Cyr, Norm Vezina, Vince Rodych, Neil Boulet, Maurice Coss, Grant Pachkowsky, Randy Nault, Lance Dubé, Raymond Avanthay, Sheldon Einfeld, Keith Anderson, Cam Zacharias, Brad Harlin, Coach Winston Anderson, and Trainer Gord Sokoloski.

Pineview players dominate team Manitoba

(back row l-r) Crystal Tardiff, Amy Martin, Teresa Wilcott, Melanie Dugard, D'Arcy Lower, Alanna Forsyth, Kari MacLellan, (front row) Courtney Martin, Stacy Lower, Giselle Keenan, Abbey Forsyth

The AA Ringette Provincial Championships were held in Winnipeg on February 26 to 28, 1999. The AA teams are a selection of elite players from their area. The Eastman Ringette Association selects its AA players from communities stretching from Niverville to Pine Falls/Powerview. The Pineview Ringette Association has consistently produced quality players for the AA program and this year was no different.

The youngest age group is the Tweens (12 and 13) which form an exhibition team with the players also playing for their community. Pineview players on this years Eastman Tweens were Amanda Cyr, Jackie Johnson, Jenna MacLellan, Morgan Nolin, Carly Snell and Stephanie Tardiff. The Eastman Tweens won the Silver Medal losing to a very strong Assiniboine

Park Fort Garry (APFG) Sixers team. The next age group is Junior (14 and 15) where the players leave their community teams and dedicate themselves to their AA team. Pineview supplied five of the fourteen players that made up the Eastman Flames Juniors. This years players from Pineview were Abbey Forsyth, Stacy Lower, Kari MacLellan, Courtney Martin and Giselle Keenan. The Eastman Juniors went undefeated in league play in their division and were therefore the favorite going into the Provincials. They had a slow start but still managed to emerge undefeated as Provincial Champions defeating the APFG Sixers 8 to 2 in the Gold Medal game.

PUBLIC NOTICE RM OF ALEXANDER

Public Notice is hereby given that the Rural Municipality of Alexander intends to conduct the following Pesticide Control Programs during 1999.

- To control noxious weeds on road allowances with the Municipality. The projected dates of application will be from May 1, 1999 to October 31, 1999. The herbicides to be used may include: 2, 4-D Amine, Dicamba, Estaprop, Glyphosate, Picloram, Paraquat, Amitrol T, Garlon 4, Simazine, Round Up, Atrazine, Killex, Dy-clear 24.
- To control the following insects pests including grasshoppers, mosquitoes, elm bark beetles, canker worms, etc. The proposed dates of application for these programs will be from May 1, 1999 to October 31, 1999. The insecticides to be used may include: Decis, Lorsban, Sevin, Furidan and Malathion.

The public may send written submissions within 15 days of the publication of the notice to the department below:

MANITOBA ENVIRONMENT
123 MAIN STREET, SUITE 160
WINNIPEG, MANITOBA R3C 1A5

Tardiff, and Teresa Wilcott on a team of ten players. The Eastman Belles had a difficult season as Manitoba formed a Provincial team for the Canada Winter Games which depleted players from all areas and left Eastman as the only Belle team. The Eastman Belles were then forced to play in the Deb (19 to 23) Division. Although they lost most of the league games they gained a lot of valuable experience playing at the higher level and did win the Silver Medal in the Deb Division at the Festival Du Voyageur Tournament. The Eastman Belles were automatically declared Provincial Champions as they were the only team in their division.

The Provincial Champions in the Junior and older divisions now go on as Team Manitoba to compete in the Canadian National Ringette

Championships. This years Nationals will be held in Halifax from April 5th to the 11th. There are over 40,000 young ladies playing ringette in Canada and only about 700 make it to the Canadian Nationals each year. Our communities should be proud to be sending almost 2 percent of the total National participants selected from all across Canada. Their success is due to the excellent ringette program that has been developed by the Pineview Ringette Association and their dedication to be the best players they could be. A special thank you goes out to their Pineview coaches, some of who started with these girls at age 5 and are still coaching them today in the AA Program. These coaches include Dan Boyer, Jeanette Dion, Ed Forsyth, Dave Lower, Noel Papineau, Darrell Parisian,

Allan Tardiff, Chantal Vincent and Gord Watson. Their parents have also played a big role by dedicating their winter leisure time for the last 10 or 12 years to support their daughters in the sport they love.

These young ladies have a hard month ahead of themselves getting prepared to meet the best teams from across Canada as well as fund raising for their trip. Although Manitoba Ringette does help with a financial contribution, the players have to come up with about \$1200.00 each to help pay for airfare, accommodations, meals, uniforms and track suits. They would like to thank Pine Falls Paper Company for their continued support of local ringette players going to National Championships and will now be going out in the community for your

support. The girls will be canvassing the community until March 13th taking orders for quality frozen meats. If they happen to miss you in their canvassing, you can get an order form by phoning Elaine Parisian at 367-2512 or Jo-Anne Lower at 367-2078 by the evening of March 14th.

If you would like to see Ringette at its finest, there is a free exhibition game between Team Manitoba Juniors versus Team Manitoba Belles at 4:00 P.M., March 13th in the Powerview Arena. Come on out and see these eleven ladies battle against each other. You will also have an opportunity to place a meat order so bring along your cheque book.

Congratulations ladies on your achievement of earning the title "Team Manitoba". Good luck in Halifax, have fun, and play hard.

Sagkeeng Hawks On Their Way To Provincials!

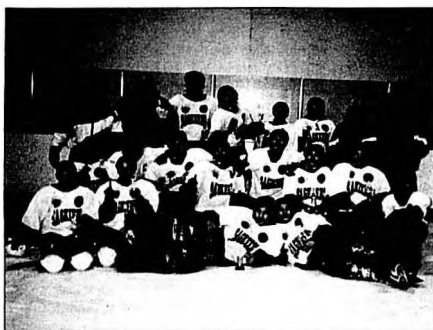

Submitted by the coach of the Sagkeeng Hawks.

Congratulations to Sagkeeng Hawks Pee-Wee's for another exciting year. This team has played in the Eastman League and had not been defeated, the closest to a defeat was a tie. They also played in a tournament at Tuelon around Christmas time and were also undefeated at that tournament.

They went to a "AA" tournament in Winnipeg hosted by the Raiders Hockey Club. There again, they were undefeated until the final game to lose to the Host team, and capture the silver medal.

The Sagkeeng Hawks will again be going to the Manitoba Provincials held in Carberry. They earned the spot by beating St. Annes Aces in a best of three series and going the three games.

Last time this group of

boys played in the Provincials they captured the Gold. have a repeat, or at least give it our best shot.

Let's hope that we can Good Luck Boys!

Trans Canada Trail Conference Comes To Pinawa

Canadians have always been a nation of trail builders. Native people used waterways and woodland trails for their trade and travel: our modern nation was forged by a railway ribbon of steel linking the frontier west coast with the great seaports of eastern Canada; building the Trans Canada highway further cemented our national identity, bonding us together into one great country.

Following in the trail of our history, we can meet the next century as a new breed of trail builders, conserving and preserving our natural grandeur for all Canadians to enjoy now and beyond tomorrow. The Trans Canada Trail will be shared use recreation trail that will wind its way

through every province and territory. It will be the longest trail in the world spanning approximately 15,000 kilometres. The trail will accommodate five core activities: walking, cycling, horseback riding, cross-country skiing and snowmobiling.

The Pinawa Resort and Conference centre is the location of the annual Trans Canada conference on Friday March 12 to Sunday March 14. This is the first time the conference has been held in a rural area. Over 50 participants from across Canada will be discussing such topics as maintenance, insurance, marketing, fund raising, economic benefits of trails. Many of the presenters will be local, including Bruce Bremner from Natural

Resources, who will talk about the South Whiteshell trail. On Sunday morning a hike will be offered by the local cross country ski enthusiasts to show trail maintenance in action.

In Manitoba the trail starts at the South Whiteshell Trail, approximately 22 km, running from Falcon Lake to West Hawk Lake to Caddy Lake. A North on Friday March 12 to Sunday March 14. This is the first time the conference has been held in a rural area. Over 50 participants from across Canada will be discussing such topics as maintenance, insurance, marketing, fund raising, economic benefits of trails. Many of the presenters will be local, including Bruce Bremner from Natural

Grand beach then back to Winnipeg.

There will be trails through Winnipeg. At St. Norbert it will go south to Emerson with support from the historic Crow Wingtail trail. The Dawson trail area is also being developed as a branch of the trail.

The public is encouraged to attend the trail mixing and awards at 7pm Friday and look at the displays in the Pinawa Resort on Saturday at no charge. The public is also welcome to attend the conference including meals for \$85. If interested contact John Westdal at 753-8484 or westdalj@granite.mb.ca or Brenda Andrews, President MRTA 786-2688 office or 866-2405.

Manitoba Trappers Assoc. '99 Annual Meeting

Submitted by the Manitoba Trappers Assoc.

The Manitoba Trappers Assoc. held their '99 Annual Meeting and Convention in Dauphin from February 25th-27th. With trappers in attendance from Boissevain to Brochet, many items of concern to the industry were addressed. The coming year will be a busy one for the head office of MTA which is located in Lac du Bonnet.

Upon his retirement as treasurer, Archie Cinq-Mars was presented with a plaque and unique wall clock in honour of his many years of truly dedicated service to the Trappers Association.

Thanks to the following local businesses

for their generous support which added to the success of our convention. Pine Falls Paper Company, Manitoba Model Forest, Powerview Auto, Sagkeeng Northern Store, and in Lac du Bonnet: Home Hardware, Osis Do-it Centre, True Value Hardware and Lac du Bonnet Wildlife Assoc.

The Manitoba Trappers Assoc. is involved in public awareness of the industry through school presentations, displays at various events throughout the province and making information available as required. As well, the Association works at solving issues for Manitoba trappers that may arise with other forest users.

Correction...

To last week's Tumbler's Gymnastics ad. Item 5. RCMP doll prints were donated by Powerview RCMP Detachment.

And item 25. Bath oil/soap dish were donated by Celebrations Unlimited & Powerview Fabrics. We apologize for any inconvenience.

Wed., March 17
Soup, Beef stew, tea biscuits, black forest cake.

Friday, March 19
Salad, sausages, macaroni and cheese, peas and carrots, ribbon cake.

Why our health care system is changing.

Health care challenges are not unique to Manitoba.

All across Canada, our population as a whole is aging and demands for new health care technology are increasing. We require different kinds of services and approaches to meet these needs.

A plan for healthy Manitobans.

We have a plan that's improving health care management by helping:

- Reduce hospital waiting lists and overcrowding.
- Recruit qualified health care professionals.
- Provide quality care for Manitoba seniors.
- Improve the health of all Manitobans.

Our plan was developed with input from doctors, nurses, community health professionals and, most importantly, Manitobans like you who rely on the system.

We're changing health care for the better.

FOR FURTHER INFORMATION, PLEASE CALL TOLL-FREE 1-800-713-1346 OR 788-2588 IN WINNIPEG BETWEEN 7 AM AND 7 PM (MONDAY TO FRIDAY).

Manitoba Health

Coordinating resources to serve you better.

Part of our plan was establishing 13 regional health authorities to manage health care services and respond to local needs. They coordinate hospital access and community services to ensure resources are used to their full potential. This makes it easier for your region to respond to changing needs and crises, such as sudden bed shortages during flu season.

Your health care is our number one priority.

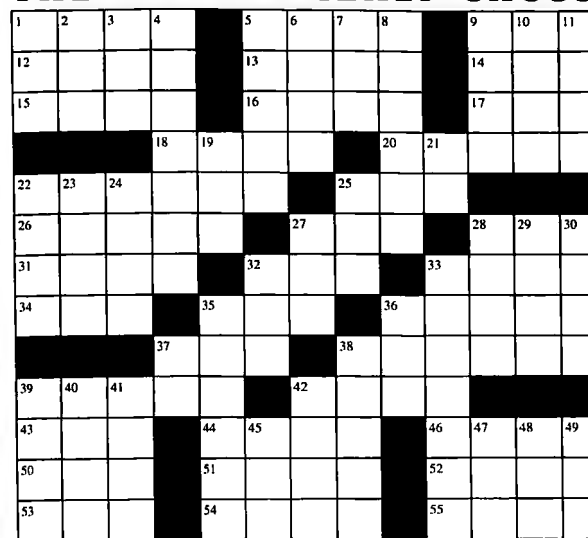

Today, 35% of the Manitoba government's budget goes to health. It's our largest single expenditure, totaling almost \$2 billion every year.

But health care is not just about money.

It's about ensuring resources are focused where they can do the most good for you and your loved ones.

LAST WEEK'S SOLUTION

OLD AGE ISN'T SO BAD WHEN YOU CONSIDER THE ALTERNATIVE.

- MAURICE CHEVALIER

HOROSCOPE

(March 11 - March 17)

ARIES March 21 - April
Recent personal changes in your life could prove to be the best thing for you. It may not seem like it today, but by the end of the month, you'll know you made the right decision. Once you make your decision, stand firm and do not reconsider.

TAURUS April 20 - May 20
Be realistic about your future plans. Do your homework and learn what is necessary for you to succeed at those plans. You have been trying to avoid a sticky situation, but you're going to crash head on into it if you don't deal with it now!

GEMINI May 21 - June 20
Listen to your intuition. It will help you through a tough decision, and it may lead you in a new direction. A parent or older relative is a source of great advice. Don't brush it off. Listen carefully to what he/she has to suggest.

CANCER June 21 - July 22
Work hard to find a happy medium, at home and at work. Your sensitive nature may cause your feelings to get hurt. Just consider the source and don't take it personally. Getting even is not the answer to your problems.

LEO July 23 - Aug. 22
Don't take on too many new projects this week. It would really be a drain on your time and emotions. You want to make sure there is enough of you left at the end of the week so you can spend some quality weekend time with family and friends.

VIRGO August 23 - September 22
Allow others to talk and express their feelings this week. You'll earn their support and undying gratitude by just staying quiet for a few minutes. Don't make final weekend plans yet. You'll have to make them around the weather.

LIBRA Sept. 23 - Oct. 22
Does everything seem to be going smoothly at work this week? Watch out! Be prepared, because between a heavy workload, trying people or a difficult project, it will be anything but smooth. Make relaxation your goal this weekend.

SCORPIO Oct. 23 - Nov. 21
A turn of events just may surprise you, but don't make any snap decisions - think them through. Look past the immediate situation to determine what's best for you in the long run. And don't forget, you have to consider your family too.

SAGITTARIUS Nov. 22 - Dec. 21
You have an ability to keep a secret. Use it! You don't have to offer any information than is needed. Your loyalty will help you in the long run. Even though finances are tight this week, a little saving will go a long way.

CAPRICORN Dec. 22 - Jan. 19
Take the lead and be confident about it! You'll find others will show their support once they see how knowledgeable you are about the situation. Don't take all the blame for a problem at home. Stand up to pressures from your family.

AQUARIUS Jan. 20 - Feb. 18
A new strategy will help you deal with, and eventually accept, domestic and emotional changes. Maybe you should get away for a couple days to evaluate your feelings and plans for the future. A break from work and home may help most.

PISCES Feb. 19 - March 20
Be objective about the current situation at work. Don't get drawn into one side or another because it could reflect poorly on you. You can take some time to share your ideas, but make sure you do so without taking sides and for the benefit of everyone.

News/Classifieds

Supreme court of Canada rules against Sagkeeng grandfather - from pg. 1

asked her natural father to take care of the baby. The baby's grandfather was then living in British Columbia, and is now living on a reserve in southern Manitoba. The baby spent the first eight months of his life with the adoptive grand parents, was a short time in foster homes, and has been living with his grand father ever since. The adoptive grand parents have kept in touch with Baby Sagkeeng, and last saw him in November.

Lawyers at the two hour Supreme Court hearing argued for the importance of blood ties and aboriginal culture versus the economic best interest of the child. Julius Grey, Lawyer for the Connecticut couple, said the couple had been given a clean bill of health by social workers while the natural grandfather was on welfare and not even in touch with all of his children from previous relationships. "So what!" Said Everett. "Can no

one change. There is a great deal of love and affection between Baby Sagkeeng and his grandfather, Doesn't love court for anything."

In the words of Paul Samyn of the Winnipeg Free Press, "The high court ruled in favour of the home life the adoptive parents will provide at their Connecticut acreage." No weight appears to have been given to the wishes of Baby Sagkeeng's mother.

MEMORIAM

MEMORIAM

MEMORIAM

IN MEMORIAM - Beatrice Elizabeth Bayly

50 years ago, on March 11, 1949, Beatrice Elizabeth (Sally) Bayly of Pine Falls, Manitoba, loving wife of Godfrey (Goff) Bayly, and mother of Edith Mary (Baba) Kolesnik, John Aubrey Lansdown Bayly, and George Douglas (Joey) Bayly, passed away at age 36. She was born August 23, 1912 at 35 Dundurn Place, Winnipeg to Dr. and Mrs. Gilbert H. Lansdown, who had emigrated from England to Canada in 1908 with their children Leslie 7, Maurice 5, and Mary (Young), 3. Elizabeth's father had studied medicine at King's College and King's College Hospital, Lincoln's Inn Fields in London, where, upon the graduation in 1895, he won the Prize for Surgery, Obstetric and Forensic Medicine, and was a student of Sir Joseph Lister, the Founder of Modern Antiseptic Surgery.

Elizabeth, the only Lansdown child born in Canada was confirmed at St. Margaret's Anglican Church, Westminster Ave., where her mother, a trained operatic singer, sang in the choir. She attended Laura Secord School and St. Mary's Academy. In winter, she enjoyed swimming at the Cornish Baths near the Maryland Bridge or participating in winter sports on the river at Armstrong's Point. Her summers were spent at Lake Manitoba where the Lansdowns, with other families had built a village, including a golf course and cricket ground, one mile from St. Laurent.

After her brother Leslie was hired in 1926 as doctor for the new Manitoba Paper Company at Pine Falls, she visited the town often. There, she met Goff Bayly whom she married in 1930. She grew to love the natural beauty of the Winnipeg River wilderness, enjoying picnics and camping trips to the magnificent settings of Silver Falls, McArthur Falls, and Pine Falls, all of which were obliterated shortly after her death. At home, she entertained friends with bridge club and parties, played piano and listened to classical music. She was predeceased by nephew James V. Young in 1924, and her mother, Edith Mary, in 1939.

Elizabeth Bayly is lovingly remembered by her surviving children, John, George (Joey), and nephew Dr. E.L. (Ted) Lansdown.
