Lac du Bonnet's Kyle Kettles signed with the Minnesota Wild

Every Canadian boy's dream came true last week for 20 year old Kyle Kettles, who has just been signed with the Minnesota Wild. Kyle is home in Lac du Bonnet now -but not for long. May 26th he leaves for

the training camp, where he'll do three weeks of physical conditioning, then back again later in the summer to do an ice training camp. In September the season begins with full

See LdB's page 2

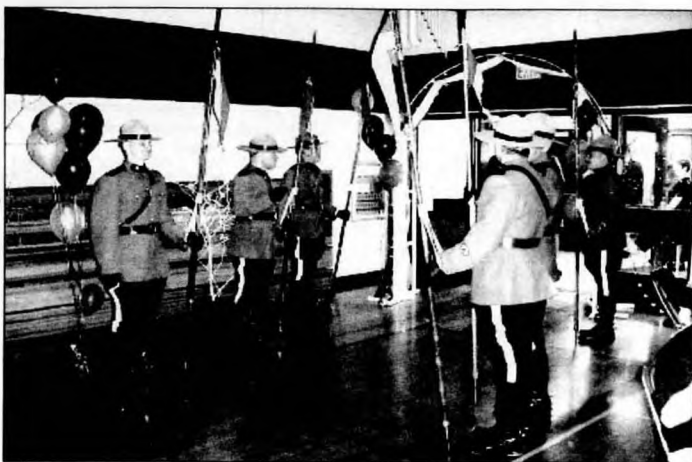

Kyle Kettles has signed with the Minnesota Wild of the NHL.

Dryer failure causes mill layoffs

The shaft on a dryer can on Tembec's No. 1 paper machine failed early Friday morning. The dryer, a steel cylinder about four feet in diameter and twenty feet long, fell into the Machine Room basement causing substantial damage to drive gears at the other end of the dryer.

A spare dryer and spare gears are on site and it was originally hoped that the paper machine would be back in service by Thursday. However, workers are taking somewhat longer than expected to complete the repairs.

RCMP officers in red serge, with lances, at the entrance to the Powerview School gym for the Powerview Detachment's Regimental Ball and Auction.

RCMP Regimental Ball a gala event

by Charles Norman

More than two hundred and fifty people attended the colourful First Annual RCMP Regimental Ball last Saturday. Like this one, future events are likely to be recognized as the social event of the season.

Combining traditions of the past with hope for the future, the RCMP Powerview Detachment Ball and auction raised funds for the Powerview 2000 Community Based Police Initiative. This year twelve local students have been chosen to take part in an all-expenses-paid trip to Ottawa. The program is designed to encourage youngsters to stay in school and to stay out of trouble. It provides students with an opportunity to look at career options - including work with the RCMP. Participating student this year are from Wanipigow, Sagkeeng, and Powerview High Schools.

Powerview Mayor Henry Ostrowski welcomed guests to his community, greeting were brought by Lac du Bonnet MLA Gerald Hawranik, Jason Whitford from the Assembly of Manitoba Chiefs and Joe Malcolm from the

Southeast Tribal Council. Sagkeeng Chief Gary Swampy Brought greetings in Ojibway and acknowledged the efforts of the Powerview Detachment's in bringing the two communities together. He said we need to teach our children the values of love and community. "We need to put something in place for our children - they're our future." He said. To the young people present he said - "look listen and learn, believe in God, believe in yourself and do your best."

Keynote speaker Manitoba Minister of Justice, Gord McIntosh, said that being a police officer is the ultimate in public service. "It means your well being and your life are on the line."

McIntosh said the Community 2000 program is a wonderful way to address the young - the Dennis Stronquills out there - the heroes of the future. He said safe communities require hope and opportunity for our youth. "All Manitobans deserve a justice system that is closer to home - not just aboriginal communities, but all communities. We need to determine what should be dealt with in the courthouse and

what should be dealt with in the community." He said, and added that Powerview 2000 reflects the focus and objectives of the provincial government.

After guest speakers the results of the auction were announced and this year's participating students dancing continued into the early hours of Sunday morning.

Among items on auction were paintings by Spotted Wolf, Jan Bain and Mark Houston, a star blanket and pillow shams donated by Ruth Norton, and a knife by Charlie Niedermayer. The knife topped the bidding with a bid of three hundred and fifty dollars.

Participating students were: From Sagkeeng; Gabriel and Jenna Guimond; from Wanipigow; Patrick Bone, Memory Moneas and William Smith; from Powerview; Stephanie Dutka, Amanda and Ryan K. Fontaine, Dawn Kemball, Jeffrey Ryall, Christina Tarrent, and Scot D. Zimmer.

Community 2000 is the creation of Powerview RCMP, Constable Hernandez, major sponsors are Tembec and the Mounted Police Foundation.

LdB's Kyle Kettles signs with Wild

from page 1
time tryouts and evaluations as the players vie for positions on one of the three teams affiliated with by the Wild. The AHL Houston Arrows, the ECHL Louisiana Ice Gators, or the NHL Minnesota Wild are all possibilities as a starting point for this outstanding young athlete.

So, how does a small town boy get a shot at the NHL? I asked Kyle about his influences and his career path to this point. Not surprisingly, he cites family support in time and money as number one influence. When Kyle showed he wanted to become a goalie, his dad, Kim Kettles started taking coaching clinics. He learned about goal tending and training for goalies and

worked with Kyle to develop his skill. "The family all contributed time and finances toward his growing interest in hockey, says the very thankful Kyle, even when it meant sometimes doing without other things for themselves or his brothers.

Kyle enjoyed his early years playing hockey in Lac du Bonnet. When he was 16 he played for the Selkirk Steelers, and then left home at 18 to play for the Medicine Hat Tigers. "Playing in the farm league, you get billeted to a home and a small allowance, just enough to cover your gas, basically," he says. The Moose Jaw Warriors picked up his last year where he was coached by one of his heroes, former Winnipeg Jet goalie, Mark

Chevaldaie. "There are lots of guys at the training camps and making friends is easy. Most of your time is spent training and practicing. Curfews are 10:00 before games and 11:00 otherwise. It's not a problem, though" he says "you really need that sleep. Nutritional information and a bit of sport psychology to help with handling the pressure and learning to leave bad games behind are also part of the training." Last year Kettles played 72 regular season and 13 playoff games.

Kettles was invited to training camp for the Nashville Predators in '99, and last year for the Philadelphia Flyers. Talent scouts watch up and coming young players all the way through their careers. Career profiles are kept and sent out to prospective teams by a player's agent, which Kyle has had since age 17. Agents are also in charge of negotiating in the interest of their players. Most of this takes place, till it really gets serious, without the knowledge of the player, to prevent

interrupting his ability to concentrate on playing his best. Ron Hexdal, who offered the three-year contract, approached Kyle's agent, Brent Breeze, before the end of this season. Although no details of the deal are public, Kettles confirms that he did get a very nice signing bonus and that his salary will depend on which of the three teams he plays on. He laughed when I asked if he'd got his Dad's bill yet.

Good luck on the NHL trail, Kyle, from all your fans out here in sunny Manitoba.

Powerview group plugs into \$100,000 windfall

Talk about an electrifying experience! A group of eight (8) Tembec employees, including electricians, electrical technicians, apprentices and helpers, plugged into EXTRA and won \$100,000 on April 19th!

The group consists of trustee Randolph Druzyk, Andreas Schroeder and Henry Dube, all from Powerview; Gary Mysak of Silver Falls, Steve Gogo of Great Falls, Rick Rusk of Pine Falls, Bruce Murray of Lee River and Troy Angus of Beausejour.

"I knew that we won, I just didn't know how much," Randolph comments, laughing. Steve looked up the winning numbers on the Internet and called Henry. From there, the good news spread quickly. "I thought that Steve had pulled a fast one, then I started phoning everyone," Henry recalls.

Randolph's group have been playing together for three draws. They purchased the winning ticket at Pine Falls Service Centre at 15 Pine Street in Pine Falls.

Individual plans for the prize include house renovations and landscaping. Steve wants to put part of his money towards a sailboat and retirement. Troy hopes to build his own shop and Rick plans to purchase a computer.

The group claimed their prize on April 24th.

Eastman Truckers and Loggers Spring Break-up

By Cindy Kellendonk

Traffic was stopping along McArthur Street in Lac du Bonnet to catch a glimpse of what appeared to be men armed with chainsaws wrestling wild animals.

What they were witnessing was a Chain Saw Carving Competition - the first event of the Eastman Truckers and Loggers 9th Annual Spring Break-up held at the Lac du Bonnet Community Centre on Saturday, April 20. Four chal-

lengers worked against the clock to create their masterpieces out of logs using only chainsaws as their main carving tool. Tickets were sold throughout the day for a chance at winning one of these works of art.

Other events included the Loggers Competition where contenders were judged on precision and speed cutting using a chain saw, and the Chain Saw throwing competition where distance was the key factor. In between the

events, participants could wander through the exhibits in the Community Centre.

Grant Kurian, one of the Event organizer's said "this is a time for all the guys to get together and kick back since they seldom run into each other throughout the year. It is also a time to recognize those for their outstanding achievements in the industry."

About 500 attended the dinner and awards later that evening. Achievement Awards went to Raymond Garand -

Trucker of Year; Grant Kurian -Logger of the Year, Gilles Nault -Safety Award and the Quality Award went to Ronald Dupont and Barry Carlson.

Tyler Nakka and Alex Shendroski were also pre-

sented with the Environmental Award.

Winning tickets for the Wood Carving creations were Walter Keller, Art Hildebrand Frank St Pierre and Marty Dverinchy.

Chainsaw carvers compete at the Eastman Truckers and Loggers 9th Annual Spring Break-up held at the Lac du Bonnet Community Centre this past Saturday.

WHAT MANITOBA'S BUDGET 2002 MEANS TO YOU

> MANITOBA BUDGET 2002

BETTER HEALTH CARE FOR ALL

Most Manitobans want health care service based on medical need, not ability to pay. Budget 2002 responds with innovative solutions and \$2.8 billion in funding.

SUPPORT FOR MANITOBA FAMILIES

Budget 2002 encourages a better start in life by building on the accomplishments of Healthy Child Manitoba. Funding for child care alone has increased by \$16 million over the past three years.

> \$600 MILLION HIGHWAYS PLAN

INVESTING IN EDUCATION

Education is the foundation of our future. With the added support provided by Budget 2002, funding for public school education now exceeds \$1 billion.

ON TRACK WITH TAX CUTS

With the relief provided in the last three budgets, the average Manitoban will see an 11.5% cut in provincial income tax by 2003 - with additional savings this year.

BUDGET 2002 IS A BALANCED FINANCIAL PLAN

that focuses on clear priorities for challenging times and builds a strong bridge to the future.

Despite economic uncertainty, a federal accounting error and significantly reduced revenues - especially corporate income tax - Manitobans' priorities are receiving increased support:

- Health care ■ Education ■ Tax savings ■ Families and communities

And key issues are being addressed:

- Debt repayment ■ Balancing the budget

BALANCING THE BOOKS IN UNCERTAIN TIMES

Like other provinces, Manitoba has to deal with tough financial challenges. And yet, this budget is balanced and keeps Manitoba's long-term plan on track - no broad-based cuts and no delay in tax relief or the debt repayment plan.

Writer: Minister of Finance, B-2002, Room 11, Legislative Building, 458 Broadway, Winnipeg, MB R3C 0V8

Get out the hoe and shovel.... but the weather is so crazy?

Chevrefils Greenhouse celebrates 30 years

It may be a little too soon for us to take out our gardening equipment but over at the Chevrefils Greenhouses, the heat is on and the seeds are being planted to provide the public with some beautiful flowers in the summertime.

The Chevrefils Greenhouse is a family owned and run business that started in 1972 with one small home-made greenhouse and 2 workers, and now, 30 years later, it boasts 5 large greenhouses and keep the whole family very busy throughout the gardening season.

This year, changes have happened. The selling greenhouse that was located on Highway 11 near St. Georges will not be used anymore and the new location is at 192 Northshore Road. Just over the to Broadlands Mall and turn left at the corner; about another mile and you will see the road marker 192 and that's where the selling location will be from now on to sell to the public.

The new selling greenhouse is an impressive 3000 square

feet with lots of room to showcase the wide variety of flowers; including annuals and perennials, hanging baskets and planters, vegetables and herbs, shrubs and trees, bark and soil, pots and fertilizers, bird baths and statues as well as potatoes, onions, garlic and all the seeds needed to start your own garden from scratch. Also provided are gift certificates for you to give to that favourite gardener on your gift list.

The process behind bringing you the lovely flowers ready for sale before Mother's Day starts early in the year. In early February, the sterilized soil is hauled into the seeding greenhouse that is heated to a balmy 75°F and the seeds are planted. After 30 years, the patriarch of the family know what seeds are planted when to ensure that the seeding will be ready to go into the ground when bought. Tender, loving care and patience are on the agenda for most of February and March and then mid-March to selling time, the real work begins. The transplanting starts and the flowers are put into their selling containers. Whether they are in 12 packs, 6 packs or single cells; each

Jeannette and Sylvio Chevrefils have been in the greenhouse business for thirty years. This family run business is proud to serve the many people in the surrounding communities.

plant is individually transplanted, and given more TLC until they reach the selling table.

The selling period is about 2 months with lots of hauling plants from the Broadlands location to the selling location on Northshore Road. Lots of

watering and tending to and of course, lots of fun! Custom orders are filled and trips to the nursery for special orders are made. Once the selling season ends, there is a lot more work in store. The returned containers and plant name tags are cleaned, put in order and stored. All the tables are washed down, the water hoses are rolled up and the latches are finally locked on the greenhouse doors. Autumn arrives with the delivery of the new soil, which gets sterilized and

stored. The orders are put in for the next Spring and the wood is dropped off and readied for the following February when the whole process starts again.

Everybody at the Chevrefils Greenhouse is looking forward to the 2002 season and hope to see you all there at the new selling location at 192 Northshore Road. If there are any questions and/or concerns, please do not hesitate to call us at 204-367-8578, we will be thrilled to help you out. Happy Gardening!

The new Chevrefils Greenhouse located at 192 North Shore Road will be open for business May 8.

Sharpe fights for North American Muay Thai title

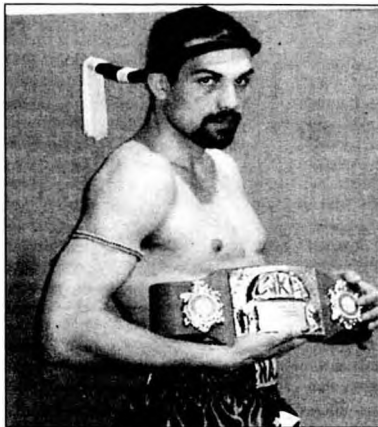

On April 26th Larry "Razor" Sharpe and Joey "Chief" Strongquill flew to Calgary to compete in Muay Thai matches. Muay Thai is similar to kickboxing but allows the use of knees and elbows. The pair arrived just in time to make the weigh-ins and to do the interviews for TSN.

Late Saturday night Sharpe made his entrance to the ring where his opponent already was waiting for him. Aldo Lozano who is the National Champion of Mexico and the number one ranked fighter in the world in Sharpe's weight class.

After the traditional ceremonies that accompany a Muay Thai fight, the fighters were read their instructions by the referee. The bell rang to sound the beginning of the first round and Lozano decided to disregard the feeling out process. The Mexican came out right away with power kicks, which caught Sharpe off guard.

Lozano was very fast and liked to lunge in and out with powerful strikes. Lozano came in with a flurry that he ended with a flying knee to Sharpe's jaw; that sent him to the canvas for the first time in his career. Sharpe rose slowly on shaky legs to beat the referee's count. It looked to Sharpe's corner that he had not fully recovered yet. The Mexican flew at Sharpe trying to finish him off, but Sharpe managed to weather the storm. In fact Sharpe landed a punch kick combo of his own which sent the Mexican to the canvas. Lozano regained his feet, but Sharpe landed a hook that would put the Mexican down again, but the referee would call it a slip. The bell rang to signify the end of round one.

Sharpe had managed to overcome the trouble he was in and worked to come back by the end of the first round. As the second round started Lozano came at Sharpe

Larry "Razor" Sharpe wins North American Super Middle Weight Muay Thai Kickboxing Title

and they ended up in the clinch exchanging knees. The referee would break it up and restart them. Sharpe backed up his opponent into the ropes with some punches and kicks, he then threw a knee that would appear to wind Lozano. Smelling the kill "Razor" Sharpe moved in to deliver three devastating left hands to the body of

Lozano; who would spit his mouth guard out as he fell doubled over in pain. Lozano would not get to his feet and Larry "Razor" Sharpe would become the new North American Supermiddleweight Muay Thai Champion. Please see *the Echo* for further details of the fight and an in-depth interview with both fighters.

High cost of "Do it yourself" It's the Law

by Gerald Hawranik, Q.C.

Picture this - 3 grown up children sitting in a lawyer's office. Along with stinging comments, they are throwing jewellery, your jewellery, at each other. And to top this story, they are spending your hard earned money to interpret your Will. Was this what you wanted? The children were battling over the interpretation of several vague clauses in their mother's Will. The Will could have been made by a "do it yourself", but in this case, it was drafted by a lawyer with little Wills and Estates expertise. The area of Wills and Estates law is growing increasingly complex. Before giving instructions to prepare your Will, ask your lawyer what proportion of his/her practice is in the Wills and Estates area and how much expertise do you have? A good portion of the lawyer's practice should be devoted to Wills, Estates and Estate planning. Eventually, the children came to an agreement, but if the case had gone to Court, the lawyers would have received a good portion of the estate in legal fees.

I am frequently asked about the validity of preprinted Will forms. If you are relying on a form to provide you with a valid Will, be prepared for court challenges to your "will". There is a high possibility of making mistakes on these forms, and while you may save on legal fees incurred to prepare the Will, you may lose when beneficiaries dispute the contents of the Will and test the Will in Court. Paying for a lawyer to draft your Will is indeed a small price to pay.

Controversial Anti-terrorism Legislation Withdrawn

Your voice in Ottawa

Vic Toews, MP for Provencher

OTTAWA - Today, Provencher MP Vic Toews applauded the withdrawal of controversial anti-terrorism legislation from the House of Commons agenda late yesterday. The legislation, Bill C-42, was the second of two major bills introduced in reaction to the September 11th terrorist attacks on the United States and would have given Cabinet Ministers broad powers to issue orders to deal with security threats in areas ranging from health to air travel. "While Canadians believe that the Government must take the threat of terrorism seriously, this bill would have put too much power into the hands of individual Cabinet Ministers without any

effective accountability to Parliament or to the Canadian people," said Toews.

Toews noted that among the more serious concerns with the legislation was the proposal to give the power to the Defence Minister to order any part of Canada a 'military security zone' for a period of up to one year. This power could have been used by the Minister to prevent lawful protests and demonstrations by concerned Canadians. He added that at the time the legislation was introduced, the Canadian Alliance had proposed numerous safeguards to ensure both Ministerial accountability and Parliamentary review.

The Liberal Government is expected to replace the

anti-terrorism legislation with an amended bill within a week. "It is my hope that the new bill will take into account the concerns raised by the Canadian Alliance to ensure that any new law reflects Canadian values of democracy and accountability," concluded

Toews. Bill C-36, the first anti-terrorism legislation introduced last fall in response to the events of September 11th, was passed into law last December. It contained numerous amendments proposed or supported by the Canadian Alliance.

Laughter, is the best medicine

My brother and his wife took their children to a matinee at the ancient movie theatre in their small community in northern British Columbia. The projector tends to flicker and jump, and to the amusement of the audience, when that happened on this occasion, their five year old daughter complained loudly, "Dad's got the remote again!"

Get the Green Light

The Environmental Youth Corps (EYC) funding program encourages Manitoba youth to voluntarily participate in projects that will help improve and protect our environment. Previous EYC projects have included community clean-ups, creating green space, and habitat conservation. Project sponsors may apply for grant funding of up to \$5,000 to carry out environment-related EYC projects within their community.

To get the green light for your project, complete an EYC application. Application intake dates for the EYC for the summer of 2002 are:

Friday, May 17, 2002
Friday, June 14, 2002
Friday, July 12, 2002

All decisions will be made in writing approximately four (4) weeks from the above dates.

To learn more about the Environmental Youth Corps contact the Manitoba Conservation regional office nearest you, or the program co-ordinator in Winnipeg:

Want to laugh?

by B. Borlase

Come out and enjoy the Powerview High School Drama production of "Our Miss Brooks". It is a comedy in three acts. The grade 10, 11, and 12 drama students have been working hard since February and show time is already here.

"Miss Brooks has plenty of teacher troubles and her "escape" is in dreaming about her vacation. She has travel folders on several Caribbean cruises which she discusses with the athletic coach who owns his own little sailboat. Miss Brooks suddenly sees that perhaps he's "the man" for her. She's glad she isn't putting on the school play this year so she won't have to fight him for use of the gym. Then

the ax falls. The play is thrust upon her! A battle develops. The coach's star athlete, Ted, gives up the team to play the leading boy's part. The daughter of the school board president is determined to play opposite him but she reads her lines so poorly that Miss Brooks gives the role to an attractive nobody with real talent. This is one of the most produced plays we publish.

Show times are Wednesday May 1, Thursday May 2, and Friday May 3, 2002. All shows begin at 7:00 p.m. and take place in the Multipurpose Room at Powerview School. Tickets are 45.00 for adults and \$3.00 for children 12 and under. You can get tickets at the school office. For more information you can call the school at 367-4122.

The Drama Students - Front Row, Holly James, Amanda Fontaine, Dustin Davidson, Jolene Trethart, Jessica Dutka, Brigitte Grenier, Satira Duval, 2nd Row - Tanya Lessard, Sarah Wilcott, Sarah Bouvier, Nicole Dubé, Chris Dupont, Jocelyn Vincent, Lisa Garand, Claire Lussier, Ariel Whitehill, Back Row - Sean McMullen, Aaron Trethart, Amanda Cyr, Jenna McLellan, Heather Courchene, Mark Watling, Missing - Ryan Fontaine, and Stephanie Dutka.

Drama Couches Bonnie Borlase (left) and Tanya Magnan (right) look on as their students perform.

NEHA Salutes Volunteers

by Cindy Kellendonk
Volunteers Soar to Great Heights was this year's theme for NEHA's Volunteer Appreciation Day to honour the efforts of the people who donate their time to assist seniors.

About 85 volunteers gathered at the Lac du Bonnet Personal Care Home to receive thanks for their contributions of enhancements through social programs, ying cards, chauffeuring, entertaining and cooking meals for seniors throughout the year. Music, goodies and coffee were provided to the volunteers after NEHA representatives made special acknowledgements for their efforts.

Grace Honke -NEHA's Recreation Coordinator led the

afternoon event by thanking all the volunteers "who frequently come together to enhance the lives of all our clients". Merle Fischer - Care Team Manager for the LDB Personal Care Home also made special mention of all the service groups who put in long hours to give residents many hours of enjoyment. Wayne Guitard - Services to Seniors Specialist added that volunteers are vital in that they assisted seniors with maintaining independence with dignity and respect in the community.

Enjoying the afternoon events, volunteer Ed Veroneau explained he and his daughter Rachael often visit the LDB Personal Care Home to entertain residents with their mu-

NEHA's Judy Coleman along with Bev Richmond, Pat Parth, and Wayne Guitard present Seldon Sveinsson's limited edition print - Forest Sentinel to the Personal Care Home in honour of the volunteers.

sic. "We usually come by invite and I have to say, we have at least as good a time as the

seniors do. We enjoy their company", Veroneau said.

Two copies of a limited edition print - Forest Sentinel - created by local artist Sheldon Sveinsson were presented to the Lac du Bonnet Personal Care Home and the Health Centre to be displayed in each facility as a tribute to the vol-

unteers. The portrayal of a bird waiting to take flight coincides with this year's theme of Soaring to Great Heights.

Grace Honke mentioned there are over 800 people who currently donate their time throughout the region with about 150 volunteers in Lac du Bonnet alone.

Recreation Ramblings

by Michelle Chudd, Recreation Director
Winnipeg River Recreation District, 345-8816
Email: reccomm@granite.mb.ca

Tips to getting active...
-Get off of the couch
-Sign up for a rec program
-Participate!
Soccer & Thall Update
Ok, if we ever get Spring...then we will start Soccer and Thall. I am looking at on May 6 starting Thall in LdB and Soccer in Pinawa AND on May 7 kicing off the LdB Soccer for kids program. Now Coaches are still required for a couple of the age groups so if you are interested - please call the Rec office at 345 8816.
Within Arms' Reach Program
This program, sponsored by

the Lifesavings Society, provides parents and childcare providers with tools to recognize the dangers of drowning and to develop a safety plan that responds to various situations. On May 6 the LdB Children's Centre will be holding this session. Fee is \$15 which includes a whistle and brochure. Maximum number of participants is 20. Pre-register by calling the Rec office at 345 8816.

MYJC Office Manager
The 2002 Manitoba Youth Job Centre "Office Manager" for Lac du Bonnet and District is "Laura Rowbottom". Laura

will open up the office on May 6 out of New Directions School.

Summer Recreation Coordinator

The 2002 Summer Recreation Coordinator for the Winnipeg River Recreation District is Suzanne Lussier. Suzanne will be starting work on May 6 as well. Look for exciting new programs and special events this summer!

LdB Swim Program
It looks like it's "all systems go" for the 2002 season. Stay tuned for announcements on registration and session dates for our program at the Town Dock!

Agassiz Junior Garden Club

The Agassiz Junior Garden Club will be starting in early

ECHOES FROM THE Heart

Moonlight Ride

Jenny was so happy about the house they had found. For once in her life 'twas on the right side of town. She unpacked her things with such great ease. As she watched her new curtains blow in the breeze.

How wonderful it was to have her own room. School would be starting, she'll have friends over soon. There'd be sleep-overs, and parties: she was so happy. It's just the way she wanted her life to be.

On the first day of school, everything went great. She made new friends and even got a date. She thought, "I want to be popular and I'm going to be. Because I just got a date with the star of the team!"

To be known in this school you had to have a clout. And dating this guy would sure help her out. There was only one problem stopping her fate. Her parents had said she was too young to date.

"Well, I just won't tell them the entire truth. They won't know the difference: what's there to lose?" Jenny asked to stay with her friends that night. Her parents frowned but said, "All right."

Excited, she got ready for the big event. But as she rushed around like she had no sense,

She began to feel guilty about all the lies, But what's a pizza, a party, and a moonlight ride?

Well the pizza was good, and the party was great. But the moonlight ride would have to wait. For Jeff was half drunk by this time. But he kissed her and said that he was just fine.

Then the room filled with smoke and Jeff took a puff. Jenny couldn't believe he was smoking that stuff. Now Jeff was ready to ride to the point, But only after he'd smoked another joint.

They jumped in the car for the moonlight ride. Not thinking that he was too drunk to drive. They finally made it to the point at last, And Jeff started trying to make a pass.

A pass is not what Jenny wanted at all (and by a pass, I don't mean playing football). "Perhaps my parents were right... maybe I am too young. Boy, how could I ever, ever be so dumb."

With all of her might, she pushed Jeff away: "Please take me home, I don't want to stay." Jeff cranked up the engine and floored the gas. In a matter of seconds they were going too fast.

As Jeff drove on in a fit of wild anger, Jenny knew that her life was in danger. She

begged and pleaded for him to slow down. But he just got faster as they neared the town.

"Just let me get home! I'll confess that I lied. I really went out for a moonlight ride." Then all of a sudden, she saw a big flash. "Oh God, Please help us! We're going to crash!"

She doesn't remember the force of impact. Just that everything all of a sudden went black. She felt someone remove her from the twisted rubble, And heard, "Call an ambulance! These kids are in trouble!"

Voices she heard... a few words at best. But she knew there were two cars involved in the wreck. Then wondered

to herself if Jeff was all right, And if the people in the other car were alive.

She awoke in the hospital to faces so sad. "You've been in a wreck and it looks pretty bad." These voices echoed inside her head. As they gently told her that Jeff was dead.

They said "Jenny, we've done all we can do. But it looks as if we'll lose you too." "But the people in the other car?" Jenny cried. "We're sorry, Jenny, they also died."

Jenny prayed, "God forgive me for what I've done. I only wanted to have just one night of fun." Tell those people's family, I've made their lives dim. And wish I could return their families to them."

"Tell Mom and Dad I'm sorry I lied, And that it's my fault so many have died. Oh, nurse, won't you please tell them that for me?" The nurse just stood there-she never agreed.

But took Jenny's hand with tears in her eyes. And a few moments later Jenny died.

A man asked the nurse, "Why didn't you do your best. To bid that girl her one last request?"

She looked at the man with eyes oh so sad. "Because the people in the other car were her mom and dad." This story is sad and unpleasant but true. So young people take heed, it could have been you.

Library Allard Book Nook

Since the welcoming disappearance of snow and the much awaited arrival of Spring, I thought it would be a good time to introduce GARDENING: Vegetable and Flower.

It's not far off and we will be wanting to get our flower pots and gardening tools ready. If you are a beginner gardener, a few essentials will be needed: a digging spade, a watering can, a hose, trowels, scissors and a leaf rake.

Not everyone has the time needed to commit to gardening, a good book for you would be "The Weekender's Gardening Manual - Easy Care Gardens in Two Hours (or less!) a Week",

written by Patricia A. Taylor. This book will give you insight on choosing the best flowers and vegetables for your region, how to identify and get rid of weeds and pests, and how to plant seedlings in the Spring.

If your garden has been prone to insects and wildlife pests ruining it, "Bugs, Slugs and Other Thugs" by Rhonda Massingham Hart will have lots of ideas for you to try. Some helpful hints to combat pesky rodents: A few cat or dog hair clippings can help keep rodents away, also crushed eggshells, gravel or oak leaves will help cut down on slugs. For more helpful hints, pick up the book, it will be waiting for you.

An in-depth book with colorful photos and in detail information is "The Gardener's Encyclopedia of Plants and Flowers" by Christopher

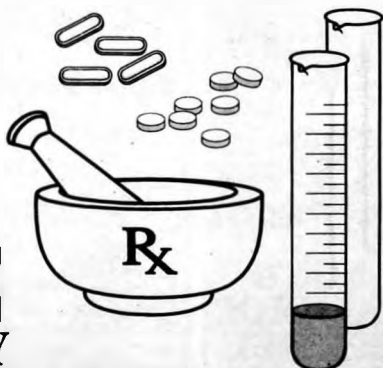

Brickell. This book includes topics such as, creating a garden, and the plant catalog which consists of trees, shrubs, climbers, ferns, perennials, annuals, bulbs, water plants and cacti. There is a special section written by John Brookes, a world renowned landscape designer.

A few more books relating to Gardening, which are available are: "Chatelaine's Garden Book" by Lois Wilson, "Pictorial Gardening: with over 1,300 how-to-to-it Photographs" and "A Greener Thumb: The Complete Guide to Gardening in Canada" by Mark Cullen and the list goes on.

All the information is at your disposal at Library Allard! Now, all we need is the warm weather - Good luck and Happy Gardening.

Ask your Pharmacist What is head lice?

Head lice are tiny parasites that live only on the human scalp. You won't find them on any household pets. Head lice are greyish white in colour about 2/3 mm in size, and multiply very rapidly. Children are more likely to pick up head lice and therefore infestations occur most commonly in classrooms and daycare centres or summer camp.

Don't be alarmed: If your child had head lice, there is now cause for alarm or embarrassment. Head lice are nuisance, but they are not known to transmit disease, nor do they indicate poor hygiene.

How lice spread: Lice cannot jump or fly. They are usually transmitted during direct personal contact. Head lice may also be picked up when sharing combs, hats, scarves, pillows, towels, stuffed toys, or just about any other article that has come into contact with an infested person.

What to look for: In most cases, the first sign of an infestation is constant itching of the scalp, particularly around the ears and the back of the head. If an infestation has been reported, look for lice even if there is no obvious itch; some children don't experience any itching.

Head lice are difficult to see because they are very small and because they avoid light. Their eggs (nits), which are small, almost white and oval in shape, may be easier to spot very close to the scalp. Nits may look like scalp flakes, but they are firmly fastened to hair shafts and difficult to remove by hand. Inspect several hairs in different areas along the hairline and around the ears.

Check family members: If your child has head lice, inspect the hair of family members, too. You should also inform the parents of your child's

friends as well as teacher's the school's nurse or daycare administrator.

Wash clothes and clean house:

To reduce the risk of spreading lice to others, machine-wash all exposed clothing, as

well as bed linens and towels in hot water, then dry them for at least 20 minutes on the hot cycle.

Items that are not machine-washable should be dry-cleaned or stored in tightly sealed plastic bags for about 14 days. Soak combs and brushes in hot water for 5 to 10 minutes. Also, thoroughly vacuum carpets, upholstered furniture, pillows and mat-

resses.

Treat lice and nits:

Treatment for head lice is simple and effective. Medications designed to treat head lice are available from your pharmacy without a prescription. It is important to choose a product capable of killing both the lice and their nits.

Before using any medication, consult your doctor, pharmacist or school nurse.

Library Corner

Lac du Bonnet Regional Library

Oh, to be young again! We've been busy processing new books for our junior readers and are becoming envious of the great selection we have for the kids! Hopefully, we have a lot of youngsters in our community who are as crazy about books as we are!

We encourage families to keep coming to the library to check out the ever-changing selection of great books! Thanks to all who have been purchasing our "weeded" books - you are helping us to make room for the new books!

What's new for junior readers? We have Waterworld by

Max Allan Collins based on the motion picture starring Kevin Costner and Dennis Hopper. In this fantasy we look into the future... "global warming will melt the Earth's ice. All the land will drown. And there will be only water..."

Annilea by Manitoba author Ishbel Moore is not just another story. "Annilea was born with Miebius syndrome. She can't blink, smile or even close her mouth. For fourteen years she has dealt with being judged by how odd she looks. It's difficult to put on a brave face when your expression never changes." Ishbel Moore provides readers See LIBRARY/page 15

Pine Falls School annual spring tea

Pine Falls School students perform in front of a packed house at the annual spring tea.

Teachers, students, family and friends gathered once again to help raise money for the annual Pine Falls School Spring Tea.

Volunteers were abundant and guests that attended were treated to dainties, sandwiches, tea, coffee and juice and a friendly smile.

Students performed with enthusiasm to this year's theme of Fairy Tales much to the delight of family and friends.

Fund-raising efforts were done through bake sales, a book fair, crafts, and a huge silent auction.

Pineview Novice Hockey Team NEMMHL Champs!

Some of you may have noticed a group of young boys going around town proudly wearing Pineview Saints jackets, beneath the team logo reads North Eastern Champs. These boys are the NEMMHL Novice Champs.

After season play the team was ranked third behind Sagkeeng and first place Lac du Bonnet White. First round was against seventh place Pinawa in a best of three series. Pineview defeated Pinawa two games straight to move on to the semifinal round.

The semifinal series against Lac du Bonnet White was definitely the most exciting. The Lac du Bonnet White team was the only team the Pineview boys had been unable to beat all year, despite a few very close, hard-fought games. The first game was played in Lac du Bonnet. The Sunday afternoon saw plenty of fans make the drive out to cheer the boys on and they definitely made themselves heard. The boys played their hearts out. Pineview took the lead and with strong defensive play never relinquished. They took the games 3-1.

In Powerview for the second game, the boys put a valiant effort but just weren't quite the team they had been only two days earlier. The game went to Lac du Bonnet White with a 6-1 win.

It was back to Lac du Bonnet the very next night for the deciding game. With home ice advantage, the Lightning were determined to take this one. Pineview was going to have to dig deep and play hard. The determined 8-10 year-olds would not disappoint. They all

gave 110% and played like a true team. The third period was fast paced and evenly matched - goal for goal, save for save. With the game tied at the end of the third, it was on to sudden death overtime. Both teams came out playing hard and aggressive. Lac du Bonnet had the first opportunities with two hard shots in the upper corners by talented Brent Wold, only to be "robbed" by Pineview's goalie, Robbie Berthelette. The games' intensity continued to build. A tripping penalty for Lac du Bonnet led to the winning power play goal by Pineview's Adam Houston, with an impressive assist by Luc Magnan. Victory was theirs with a hard fought 6-5 win.

Excitement, exhilaration and tears best describes the scene that followed as the boys and coaches revelled on the ice. They had just knocked out the season's top team and were on their way to the championship finals.

Sagkeeng had also succumbed to an upset, due to injuries, so the team would be facing Beausejour White in the finals. Even with their toughest competition out of the way, the finals would not be a cake walk. Winter is flu season and team members had been suffering with it for the best couple of weeks. With a hard fought winning series behind them and home ice advantage, the Pineview team should have been exuding with confidence. However, several of the boys were still not feeling their best and the dressing room had one very obvious player missing - the

Pineview Saints - 1st Row - James Gray, Adam Houston, Garrett Flanagan, Robbie Berthelette, Darren Kush, Dale Lamoureux. 2nd Row - Riley Tardiff, Josh Dinsdale, Luc Magnan, Danny Lavigne, Colin Kovachik, Myles Whitford, Kyle Brisco, Charlie Hawranik. Back Row - Dale Berthelette (Asst. Coach), Ken Flanagan (Coach), David Kush (Mgr), Missing - Barry Tardiff (Asst. Coach), Brendan Carlson.

goalie! With Berthelette out with the flue, this meant that backup goalie, Garrett Flanagan would be making his game debut in net. This also meant that the team was down a forward, since this was Flanagan's usual position. The boys were a little nervous to say the least, but put their faith in Flanagan. After a shaky first period Pineview was behind, but they came back hard, putting a few in the opposition's net. Flanagan had found his groove by the third and made some nice saves to keep the team's lead. Pineview wasn't the only team hit hard by the flue, part way through the third Beausejour's goalie had to leave. Their backup was quickly dressed and play resumed. Pineview managed to totally take the opening game of the finals 10-6 with stellar performance by Luc Magnan and the entire team.

The second game was in Beausejour. With everyone almost over the flue (they were still short one forward) the team went in and played some good hockey. After the second, Pineview was up by 2. The third proved to be a real nail biter. Beausejour came back to tie the game. The winning goal was finally made by Luc Magnan. Magnan shone during the game, capturing 5 of the 6 goals in Pineview's 6-5 win.

Gold and silver medals were presented to the teams immediately following the game. Championship and finalist NEMMHL banners were also presented. We are all anxious to see the Championship banner (which team members have autographed) hanging in the Pine Falls arena next season. Each and every member of the team were contributing factors

in winning the league championship. They all showed determination and most importantly, they played as a whole. Keep an eye on these boys in the future. There is some real talent here. Keep it up boys.

Team members include: #1 Robbie Berthelette - goalie; #94 Kyle Brisco - RW; #3 Brendan Carlson - Def.; #12 Josh Dinsdale - Asst. Cap./Def.; #14 Garrett Flanagan - Ass. Cap./Centre; #10 James Gray - For./Def.; #8 Charlie Hawranik - Def.; #11 Adam Houston - Asst. Ca./Centre; #98 Colin Kovachek - LW; #2 Darren Kush - LW; #6 Dale Lamoureux - LW; #4 Danny Lavigne - RW; #7 Luc Magnan - Cap./Centre; #18 Riley Tardiff - For./Def.; #9 Myles Whitford - RW.

4P Festival

VOLUNTEERS NEEDED

We are looking for Volunteers to help with various events and to form a committee. Please call 367-9468 if you are interested.

It takes the whole community to make the 4P weekend a success!

Lac du Bonnet RCMP report

April 19: A report was received of a vehicle being scratched on two occasions by persons unknown while parked behind a Second Street business in the Town of Lac du Bonnet.

A report was received from a business in the R.M. of Lac du Bonnet of a vehicle with no Licence Plates being parked on the premises for a number of days, and concern that same may be stolen. A check revealed that the vehicle was not

stolen, and belonged to a former resident of the area.

A report was received from the Lac du Bonnet Senior School of an assault on one male student by another male student.

A report was received from a resident of Pinawa expressing concern over an under-age son moving out of the residence. The subject was referred to Child and Family Services.

April 20: A report was re-

ceived of a residence on Minnewawa in the Town of Lac du Bonnet being smoke-filled. Investigation revealed that the source of the smoke was a smouldering couch.

A report was received from a location in the Town of Lac du Bonnet of a scooter being stolen from that location. Investigation revealed that the son of the caller had in fact lent it to another.

A report was received from Pinawa of an 11 year old male inappropriately touching an 11 year old female. Follow up was done with the subject and his parents.

A report was received of an under-age male being assaulted by a group of males outside a business in the R.M. of Lac du Bonnet.

A report was received of a set of earrings being lost at an unknown location in Pinawa.

A report of a GT Snowracer was turned in as found property, after having been found behind the Teen Centre in Pinawa.

April 21: A vehicle check at the boat launch in the Town of Lac du Bonnet resulted in a charge of Illegal Possession of Liquor against an adult male.

A number of members of

the Lac du Bonnet Detachment were called to a location in the R.M. of Brokenhead to assist Beausejour detachment with an incident which was taking place. The matter was eventually resolved peacefully at approximately 4:30 p.m..

A report was received from Pinawa of a group of youth discharging a pellet gun behind a residence.

April 22: a report was received of the theft of a slab of granite with the occupant's name on it, from the end of a driveway along PR 502 in the R.M. of Lac du Bonnet.

A report was received of a sign in front of a church in the town of Lac du Bonnet having been scratched with a sharp object.

A request was received from the Sheriff's Department to attend to a location in the R.M. of Lac du Bonnet to keep the peace while seizure documents were being served.

Police responded to an Intrusion Alarm at a business in the Town of Lac du Bonnet. This was found to be a false alarm.

A report was received of unidentified youth playing on the ice at the Town dock. Police patrolled and no youth were on the ice, however those

in the vicinity were cautioned to stay off the ice, which is very dangerous at this time of year. Parents are reminded to discuss this with their children.

April 23: A report was received of vandalism and theft of parts from a light at a location along PR 315 in the R.M. of Alexander.

A report was received from a location in Pinawa of an adult male threatening suicide. Police and ambulance attended and it was determined that there was no suicide danger at the time. The subject was with family members.

A report was received of students from the Lac du Bonnet Senior School trespassing around the lift station on 5th in contravention of a "No Trespassing" sign. Police attended and had the youth in question move on.

April 24: A report was received of an Intrusion Alarm at the Water Plant in Pinawa. This was found to be false.

A report was received of a deer having been hit by a vehicle on Pth #11 south of Lac du Bonnet in the R.M. of Lac du Bonnet. Police attended and dispatched the deer.

Hiker's require assistance

RCMP Press Release

Location of incident: Olive Lake, Mantario Trail, Whiteshell Provincial Park. On the evening of April 28th, 2002 the Lac du Bonnet RCMP were requested to assist an ill hiker on the Mantario Trail in the Whiteshell Provincial Park. Three hikers left the Caddy Lake Trail Head to hike the trail. One of the hikers became

ill in the Olive Lake area. One hiker travelled back the way they had come to get assistance for the ill hiker. The second hiker stayed with the ill hiker at the Olive Lake camp site. The Lac du Bonnet RCMP travelled into Olive Lake by way of a chartered helicopter from Provincial Helicopter. The two hikers were located trying to make their way back to the Caddy lake Trail head.

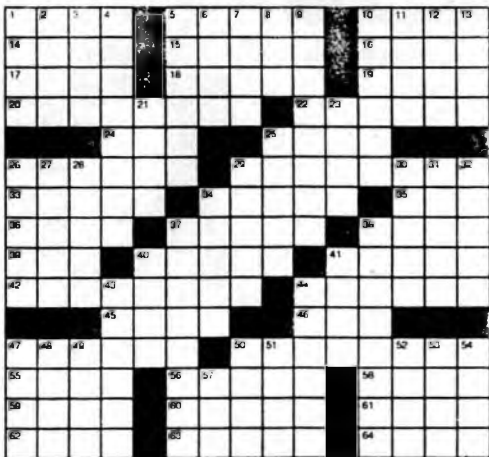

The hikers were flown to West hawk Lake where they were met by an ambulance and the ill hiker was transported to the Kenora Ontario Hospital where he was treated and released. Two of the hikers were from Winnipeg and one from Lorraine, Manitoba. Their ages were 39, 33 and 24. For further information please contact the Lac du Bonnet RCMP Detachment.

If you have any information and want to remain anonymous to any of the above crimes, please call CRIMESTOPPERS at 1-800-782-8477

ECHO Trivia

★ Fingernail polish often contains four or five chemicals the Environmental Protection Agency calls potentially harmful. If a person bought fingernail polish in a 55-gallon drum, the empty drum could not be legally thrown into a landfill. It would have to be transported to the nearest state-regulated commercial hazardous-waste disposal facility. As many as 350,000 nail-polish bottles find their way into the average U.S. municipal waste landfill every year.

 A SAFE DISTANCE.

—AESOP

WEEKLY ECHO HOROSCOPE

for the week of
 April 29 to May 5

Aries - March 21 to April 20

Be aware of what's going on around you—much is occurring behind the scenes, and there are clues. Do something romantic and fun. Now is the time to take the initiative and be bold. Travel and education, perhaps together, could be on the horizon. Catch up on phone calls and errands.

Taurus - April 21 to May 21

Make an effort to balance work and family. Going to extremes with either one will cause problems. Do things with a group rather than alone. There's safety in numbers—and fun, too. Taking a moderate risk could lead to a big reward. Try to keep a secret, though it may be hard. You'll be glad you did.

Gemini - May 22 to June 21

Ask questions and be persistent in order to get the answers you need. Support from a friend or family member could have strings attached; be aware and decide if you want to pay that price. An older person offers helpful advice, while a younger person's enthusiasm proves contagious.

Cancer - June 22 to July 22

You have the time and the information to find the source of a problem and clear it up. Strive to see the big picture and refuse to get bogged down with small details. Don't be too proud to accept help from friends and family members.

Leo - July 23 to August 23

Trust your instincts. Someone you consider a friend may be interested in getting ahead at your expense. Keep an eye on your budget; check receipts and charges. Don't neglect domestic chores and responsibilities. Loved ones will come through when they're needed most.

Virgo - August 24 to September 22

You know the right thing to say and the right time to say it. Someone who has been opposing you could move to your side. You could reunite with old friends. Be sure to take care of yourself and don't forget your needs. Listening to a friend or loved one who needs to talk could score points as well as give you a new perspective.

Libra - September 23 to October 23

Take on added responsibilities; distractions will dwindle to a minimum, and you'll have plenty of time and energy for important matters. Keep your plans simple for the immediate future; anything too elaborate could backfire. Do your research for best results.

Scorpio - October 24 to November 22

You have time to catch up on things as well as enjoy your accomplishments. Do more listening than talking; idle talk can come back to haunt you. Your attitude improves, and you could be the one others turn to for support and guidance.

Sagittarius - November 23 to December 21

See yourself as others see you and see others in a realistic light. Don't let your heart overrule your better judgment. Now is not the time to take things for granted. Make sure you read the fine print and check out the details. Draw inspiration and solutions from successes to deal with current problems.

Capricorn - December 22 to January 20

Personal and professional pressures may be building up fast, but you will come out ahead. Family and friends help you keep things in perspective. Your enthusiasm attracts others, and people will take your side.

Aquarius - January 21 to February 18

Be sure to stay on top of things and finish what you start. Letting things slide now could cause problems later. Your imagination soars and lets you escape a dull routine. Other people want to help you but are unsure how you'll respond, so be gracious and accept their advice and support in the spirit it is offered.

Pisces - February 19 to March 20

You have more energy and enthusiasm but refuse to get drawn in over your head. You may be frustrated with those who need more help than you can provide. Know when to back away from a situation.

Echo Classifieds

For Rent

Apartments for Rent - One bedroom apartment for rent in Powerview. New paint, new carpet, new counter top, preferably a non-smoker, for rental application call 367-4922 after 6:00 p.m. 25-TFN

FRIDAY 3:00 P.M.**

Library Corner - from page 9

an opportunity to examine the true nature of beauty and the value we place on outward appearances.

Looking for "a zestful adventure, perfect for fans of Harry Potter"? Read "Which Witch?" by Eva Ibbotson - "imagination and humour run rampant..."

Some titles are a bit out of the ordinary - Invasion of the Nose Pickers by Gordon Korman is recommended for people with a

sense of humour.

Read an old classic retold from Washington Irving - The Legend of Sleepy Hollow. Do you remember what happens when Ichabod Crane meets the Headless Horseman?

A couple of easier reads for the younger grades include No Dogs Ever by Wendy Loggia and Starting School by Johanna Hurwitz.

In The Janitor's Boy by

Andrew Clements, fifth grader Jack finds himself the target of ridicule at school when it becomes known that his father is one of the janitors, and he turns his anger onto his father.

Darien's Rise by Paul McCusker is Book 1 in the Passages series. Passages are adventures set in another time and place that parallel biblical stories. In this story Kyle and his sister Anna find themselves in

an alternate world in which they have special powers to help carry out the will of the Unseen One. Are they destined to live in this strange new land forever?

April 23rd was Canada Book Day. From the stage of Ottawa's National Arts Centre, national Librarian Roch Carrier announced the winner of "Canada

Reads", the CBC Radio contest to get Canadians to read a single work of fiction, and then discuss it with fellow readers.

The winner is a romantic mystery by Michael Ondaatje entitled "Inn the Skin of a Lion. It is available at our library, although it will be in popular demand now. Get your name on the reserve list.

Recreation Ramblings

by Michelle Chudd, Recreation Director
Winnipeg River Recreation District, 345-8816
Email: reccomm@granite.mb.ca

May 14th Children ages 6 and up can experience the joy of gardening and meet new friends at monthly meetings during the summer. Membership is Free! Garden Club parents enjoy the activities as much as the kids. For more info contact Carol Clegg at 345 8419 or Donna Wold at 345 2462w/345 8506h.

Wednesday Night Slow-pitch League in LdB

Haven't played for a while? Not into the mixed league? Wanna go out and play ball with other women? Here's your chance. For more info contact Connie Dancyt.

Cardio Kick Boxing...
Drop In

Kim Ogren has an awesome program going and you too, can be a part of it! This session will run until June 23 (Wednesdays 6:15 - 7:15 p.m. and Sundays from 5:30 - 6:30 p.m., at the Pinawa Community Centre). Interested? Call the Rec

office to sign up! Drop in fee also available.

Recreational Fishing League for Youth

This local program, for youth ages 9-15 years is sponsored by the Lac du Bonnet Wildlife Association. Season runs from May 20 to June 24

1 day per week. For more information contact the Rec office at 345-8816 or 753-2639. Opportunities for a LdB and Pinawa Program. This program is run in conjunction with the Manitoba Wildlife Federation and Manitoba Conservation (Fisheries Branch).

Townsite of Pine Falls PUBLIC NOTICE

Public Notice is hereby given by that the Townsite of Pine Falls intends to conduct a herbicide control program during 2002, as necessary.

To control noxious weeds and plant disease by using Killex/Par III/Daconil/Truban within the town. The projected dates of application will be from May 20 to September 30.

To control mosquitos, Baygon. The proposed dates of application will be from June 1 to August 30.

All the herbicides used and procedures followed will be according to federally approved label recommendations and Manitoba Department of Agriculture weed control recommendations.

The public may send written submissions, within 15 days of the publication of this notice to Manitoba Conservation, 123 Main Street, Suite 160, Winnipeg, MB R3C 1A5.

Angela Enright, Chief Administrative Officer
Townsite of Pine Falls

Sagkeeng First Nation Science Transition Year

Offered in partnership with the University of Manitoba Aboriginal Focus Programs - Continuing Education Division

The Science Transition Year is designed to help students build the academic and personal coping skills needed for success in Health Care or Science fields. Each student's academic skills will be assessed prior to their entry into the program. The program has a limited enrollment of students to allow great interaction between instructors and students in the classroom.

Applicants must meet the general entrance criteria of The University of Manitoba or be admitted under the mature students category.

Deadline for application: May 31, 2002

For information and to apply contact:

Wayne Fontaine, Post-Secondary Program
Sagkeeng First Nation, 204-387-2287

Peter Nunoda, Program Director
Aboriginal Focus Programs,
University of Manitoba, 204-474-7047
