

### VACATION AT "VIC"

I suppose this columnist has some explaining to do, having spent but a few hours at Victoria Beach and then—all-of-a-sudden-like—contributing a pillar to the local broadcast. Well, it's like this, dear reader, or readers, I hope: after one has been in the newspaper business so long he reaches a state of super, slap-happiness and feels that he must pass along his impressions to the reading public. So grab yourself a place!

Well, the only reason I'm here at all is because of a gracious invitation from Mrs. James Munro, who asked this 'umble member of the King's Men to spend a week-end at what one of the visitors termed the Munro Hotel. Believe me, I have not regretted a moment of my stay. Such pulchritude as we have here! Beauteous blondes, devastating brunettes—we even have a redhead. My, my, these gals are really scintillating sweethearts and the answer to a soldier's prayer.

I had imagined that "Victoria Beach" would be quiet. In fact I saw an old-time hour glass—you know, one of those pre-historic gadgets that Anthony used when he wanted to know what time to go home after having courted Cleopatra? It set me wondering. "Goodness, can it be like the small town where time became so slow and heavy that the village grocer took the hands off the clock?" But what a surprise for yours truly. When those gals commenced cutting cute capers and singing sonorous, swingy songs of the salty sea—boy, it was like a session on Chicago's loop, and I do mean right downtown! I doubt if Dorsey Goodman, Harris and Calloway—all dishing out hot licks together—could have whipped in there any hotter.

There is a noticeable drouth on here so I think I'll take a bottle home with me—a bottle of the exhilarating oxygen that literally crowds the atmosphere out here. Drouth maybe, but no famine! All we had for breakfast were: a moun-

Took in the dance at the clubhouse and, indeed, there was Mrs. Aubrey Fisher in there cutting as mean a rug as the sixteen year old jitterbug who was hotfooting next to her. Mrs. Munro was definitely not behind the door. Doug Frost and Aubrey Porter were taking turns, in the corner, at looking into each other's eyes.

So, reluctantly: it was "good-bye to the sand, sun, air, water, gals and scrambled eggs of good, old Victoria Beach!"

### CHURCH SERVICES

There was a largely attended service Sunday morning at the Community Church Service in the clubhouse, when Rev. W. H. H. Crump, rector of St. Aidan's Church, Winnipeg, had charge. His discourse associated the color, variety and fragrance of flowers with the beauty of the Christian Church teachings and he was listened to with close attention. Miss Margaret McFadyen was the offertory soloist, singing Gounod's beautiful composition, "Love Divine". Margaret's voice is more powerful and her tones have deepened and broadened without losing any of their fine

quality and she gave an impressive interpretation of the words and music, playing her own accompaniment.

This coming Sunday, Rev. J. S. Watson, one of the stalwarts of the United Church in Manitoba, will have charge of the service, and Mrs. Helen Dallas, one of the leading church soloists of Winnipeg, will sing the offertory number.

### CHILDREN'S WEEKLY ACTIVITIES

To the youngsters, holiday time is the best time of the year; and to make the holidays of the children at Victoria Beach especially enjoyable, the Victoria Beach Club sponsors organized recreation, free to all children at the Beach. The work is being directed by Shirley Nicholson.

Every morning on Patricia Beach, children, six to nine years, gather for games, stories, sing songs, and other holiday pastimes. These meetings begin at 10:30 each morning, except Sunday and Wednesday. Wednesday is picnic day; each child brings his own lunch and meets the others at the steps on Patricia Beach at 11:30. All boys and girls six to nine years of age are invited to these meetings and picnics.

The boys and girls 10 to 14 years of age have been busy helping the war effort. A fair, which they put on in July, raised \$111.00 for war funds. They are now collecting rubber and scrap iron, and reminding their neighbors to leave any salvage of this sort at the nearest pump, or to give it to the children. The Junior Commandos, as this salvage corps is called, meets every Tuesday evening at 7.30 at the clubhouse. Any boy or girl wishing to join will be welcome at the meeting this coming Tuesday. At this next meeting, a hike for Thursday and other events to come later, will be arranged. All boys and girls 10 to 14 years old are invited to join in the fun.

Many children enjoyed these organized activities during July. This month, there are many boys and girls who have just arrived at the Beach. They are urged to come out, and to participate in the activities of their own age group.

### HIGH PRAISE FOR THE VICTORIA BEACH CLUB

Here is an unsolicited tribute to the work of the Victoria Beach Club from an officer's wife, whose husband is serving with the Canadian army in Great Britain, and who is spending the summer with her two sons at Victoria Beach: "I never was at a summer resort where so much attention is paid to the children as is done at Victoria Beach. The way the children were entertained at the clubhouse Saturday afternoon last was wonderful. I never spent a more enjoyable afternoon, and the leaders know how to handle youngsters. The children's sports at the beach and on the land Tuesday afternoon were excellently carried out and myself and my friends and all our children had a marvelous time. I am going to send a donation to the sports funds, although I have not been asked to do so."

### SUNDAY EVENING ENTERTAINMENT

AUGUST 2nd, 8:30 P.M.

Community singing led by Mrs. Quinton McKay and Mr. Fred Gee. Pianist, Mrs. D. C. Henderson. Soloist, Margaret Laidlaw Stephens, mezzo soprano of St. Paul's United Church, and the United Scottish choir. Moving pictures will be shown by Mr. Fred Gee.

**C.A.S.A. SWIMMING DEMONSTRATION**

An added attraction to the Water Sports at the Government pier, 3:30 p.m., Saturday, will be a demonstration of swimming, life saving and diving by girl swimmers of the C.A.S.A. Manitoba Section. Their appearance has the sanction of that organization and vice-president S. C. Lloyd will be in charge. The following are expected: Irene Hartzell and Margaret Taggart, both members of the Manitoba contingent which went east recently, Ruth Bertram, Elsie Montgomery and Barbara Sisler, all promising juniors, Victoria Beach's Ella McGregor, a member of last year's Manitoba team which went east; Marguerite Porter also of Victoria Beach, who's specialty is back stroke; Evelyn Couper, Manitoba Junior 50 and 100-yard champion and Carolyn Putnam, junior champion in 220-yards and 100-yards outdoor.

The water sports committee is very grateful to President Albert Ford, Mr. Lloyd and these young ladies. Various swimming strokes will be demonstrated, several of the girls are very good divers and one or two methods of life saving will be shown.

The committee feels that it is presenting the best afternoon programme in many years and hopes that a large crowd will encourage our own young swimmers and the visitors. The dropping of diving competitions will eliminate much of the waiting of previous years and will enable many more people to see the feature attractions, which are the quarter and mile Victoria Beach Championships. Any boy or girl who can finish in these events, even behind the winners, deserves hearty applause. Keen competition is expected in the morning canoe events and a canoe tilting competition will provide a great deal of fun in the afternoon. The day's programme will be found elsewhere in this issue.

**ANNUAL NOMINATIONS**

At the annual nominations for members of the council of the municipality of Victoria Beach, Mr. J. W. Beech and Lieut.-Col. Norman R. Nagle were unanimously re-elected as councillors for the years 1943 and 1944. The present mayor, Mr. Victor Scott, and two other councillors, John Anderson and Mr. James T. Irving were elected for the 1942 and 1943 years, one year ago. The present council has kept a watchful eye on matters at this Beach and have also been leaders in community club affairs and have shown a spirit of co-operation worthy of their office. They have exemplified good judgment in their appointments of supervisor and engineer; and in securing the Mounted Police to act as guardians. The nominations were made in the clubhouse before Mr. William D. Davis, municipal clerk, who is a conscientious and capable official.

**SALE OF HOME COOKING FOR WAR FUND**

Victoria Beach Ladies' Auxiliary will hold a sale of Home Cooking, Jelly, Jams, Vegetables and miscellaneous articles in aid of their War Fund. Sale to be held at Victoria Beach Club House, August 7th, (Friday) starting at 3 p.m. Ice cold lemonade will be served. Come along and bring your friends.

**LOST AND FOUND**

Since the opening of our Lost and Found Depot, fifteen found and thirteen lost articles have been reported.

Three returns have been made, including teeth, brooch and jacket. We handle anything, you see. Starting Monday, August 3rd, please report at 305 First Avenue (Fred M. Gee's cottage) during the day, or 8:30 to 9:30 p.m. at the

end of the station platform by the sign, where someone will be in charge. Come on, everybody, make use of this service promptly as many people are only here for a short time. Has anyone found a leather key-case? Please let us know.

**BADMINTON TOURNAMENT WINNERS**

Audrey Munro and Joe Donovan were the winners in the girls and boys badminton singles finals, held last Wednesday afternoon. The players were handicapped as to their skill and ability. Runners up in the singles were Kay Porter and Ted Boulton.

Winners in the doubles handicap event were Bob Donaldson and Glen Anderson. A decided improvement over last year's playing was evident.

Badminton will continue on Monday afternoons throughout August, at 113 Sunset Boulevard and will be terminated by another tournament.

Vandalism is still prevalent at this Beach. One of the wide seats placed along the beach by the municipality, overlooking Patricia Bay, was thrown down on to the rocks below and smashed. The life buoys on the beach have been slashed with a knife. It is difficult for the Mounted Police to deal with such misdeeds, but if the guilty ones are caught, it will go hard with them.

**"UNABLE TO SWIM"**

On Sunday, July 26th, Miss Evelyn Martin of Cypress River, working in Tuxedo met with a slight accident while going on a fishing trip. Others on the trip were Miss Doreen Crook, Mr. P. J. Rich, Mr. C. Timleck all of Winnipeg, Johnny Ateah and two others of Victoria Beach. While stepping from the untied boat Miss Martin's footing slipped. She is unable to swim. Mr. C. Timleck was hero of the rescue. Miss Martin suffered no ill effects.

If heavy showers interfered seriously with the holding of the children's sports last Saturday, it did not interfere with the ice cream cone festal which was held in the clubhouse. Mrs. Quinton McKay kept the children entertained with community singing, marches and appropriate exercises, to the accompaniments on the piano played by Mrs. Henderson, until the time came for the distribution of the ice cream, when 875 cones were passed around and enjoyed by adults and youngsters. It was a merry afternoon.

## Beach Notes

There were 30 entries in the fishing competition held Monday morning for the children at the Government dock, from 9 to 12 noon. The winner caught 14 fish; the second largest was 13 and there were a number of 12 in other catches. Altogether 64 fish were taken out of the water during the three hours.

The old time dance at the clubhouse Wednesday night was so largely attended that the floor was crowded and there was plenty of fun but a scarcity of young men. A goodly sum was realized for the war fund.

The community sing song at the clubhouse Sunday night was enjoyable and those who greatly assisted in its success were Mrs. Olga Irwin, Mrs. Eleanor Edmonds and Mr. Fraser who did nobly at the piano. The solos and duets by the ladies were bright features.

The children of the Victoria Beach Inn held a Red Cross tea on the grounds of the Inn on a recent afternoon, which was liberally patronized and a tidy sum realized. Mrs. Bouttell, the hostess at the Inn, contributed largely to its success.

Mrs. J. H. Falls will accept gifts of flowers each Saturday morning for sale at her counter in aid of Victoria Beach war fund. Some roses grown at Victoria Beach will be in this Saturday's bouquets.

The crochet doilies raffled at the War Service Tea were won by Mrs. F. Klok, 98 Hespeler Ave., Elmwood.

When the bomber school is erected at Gimli this year, Victoria Beach will see many more planes flying overhead, as Gimli is across the lake a little to the south from Victoria Beach and the lake will be largely used for training in bombing. A relief hangar will also be erected at Petersfield, as an auxiliary to the Gimli school. Directly opposite Victoria Beach is Riverton, according to fishermen at this Beach who have often made the trip across in the winter time.

## Stores Inspected By Wartime Price Board's Official

ON an inspection trip to the summer resorts along Lake Winnipeg, Mr. Bert Boyd, of the Wartime Prices and Trade Board staff, spent Tuesday and Wednesday of this week here and found that all the places of business at Victoria Beach were living up to the Board's regulations, that is there is no advance over last year's quotations to an extent that calls for even a reprimand.

There were some discrepancies of a minor character due chiefly to fluctuations in the seasonal figures charged for goods. Mr. Boyd said there was a new ceiling placed on meats on August 1, and merchants are given ten days to readjust stocks, but on August 10 there should be lower quotations by retailers on meats. However, prices for the best grade of beef and pork all over Canada is high and that is the class of stock he finds handled at Victoria Beach.

Mr. Boyd states that the Wartime Prices and Trade Board offices will welcome any complaints or suggestions. That is the only way by which all purchasers' difficulties can be adjusted to present difficult times. Mr. Boyd will return again to make a final check-up, but it is gratifying that only minor changes were found to be necessary in places of business at Victoria Beach to bring prices within the ceiling price of last year.

## Children's Masquerade

The second children's masquerade of the season is being held next Saturday—August 15th. There'll be a gay parade of costumes, some enjoyable entertainment and plenty of suspense as the costumes are judged.

All boys and girls are urged to dress up and try for a prize. Ingenuity in making up a costume is a factor in the judging, so no one need miss the fun simply because of having brought no ready-made costume from town. Prizes will be awarded in the following classes:

Girls 8 and under—Fancy, 1st and 2nd; Comic, 1st and 2nd; Original, 1st and 2nd. Boys—Fancy, 1st and 2nd; Comic, 1st and 2nd; Original, 1st and 2nd. Girls 9 to 16—the same. Boys 9 to 16—the same.

There are thus 24 prizes for costumes, giving you a good chance of being rewarded for your efforts.

In addition a poster contest is being held. All boys and girls not over 14 are eligible. The posters are to advertise the Children's Masquerade, and must give the information to be found on the sign at the station platform. All posters must be in by Monday, August 10th at 4:30 at the clubhouse. The winners will be announced at the masquerade.

There is still room for entertainers on the program. All who wish to volunteer their services to make this a jolly

evening, kindly come to the clubhouse on Monday at 5 p.m. There is no age limit for entertainers; any adult or child who can entertain in any way is welcome.

All boys and girls in costume will be admitted free to the masquerade. Adults and all children not in costume will be charged 10c admission.

The doors will open at 7:15 and the Grand March will begin at 7:30 sharp.

The July masquerade was enjoyed by a large crowd of contestants and spectators. With the same fine support, this masquerade can be made an even greater success than the last.

## Water Sports Day Results

WHILE the water sports held last Saturday were not as successful as usual they did prove interesting to a good crowd of people. The afternoon was far from warm, with a high wind shooting a spray over the pier. This cut down the entries and some who would have competed had gone into town the previous day, which was the end of the month.

Some of the committee members feel that in order to have a good swimming meet it is necessary to have competent swimming instruction given to the young people during July. Expert instructors might be secured at little expense and the suggestion will be passed on to the Victoria Beach Club and the Water Sports Committee.

The Victoria Beach Company's grand aggregate cup was won by Kay Porter, whose progress in swimming has been noted in meets at the Beach for the last four or five years.

Ella McGregor won the ladies' mile and the Rumford trophy. The Orchid Florist trophy for the men's one mile was won by Kel Buckboro.

The canoe tilting competition gave the audience some thrills and fun; Johnny Ateah maintaining the family's reputation, aided by Bob Jonsson.

Canoe events in the morning were well contested and the feature event, the McKinney cup for the men's four blade was won by Dave Grant, Paul and Dick Quinton and Bill Johnston.

The officials handled the races very well, losing no time in starting the events and Col. Nagle was an excellent announcer. Mrs. W. J. T. Kerr presented prizes to the winners at the clubhouse dance in the evening. Angus More was chairman and a fine crowd attended.

A pleasing and interesting demonstration of swimming, life saving and diving was given by six girls of the C.A.S.A. (Manitoba Section), who were in charge of S. C. Lloyd, vice-president of the section.

Mr. and Mrs. Lloyd, Miss Dorothy Lloyd and the visiting swimmers were guests at a dinner at the Victoria Beach
