

OFFICIAL BULLETIN OF THE VICTORIA BEACH CLUB
 Vol. 26, No. 1 Published during the holiday months. Address all correspondence to Bulletin Editor, c/o Albion Press, 50 1/2 Princess Street, Winnipeg, Man. July 7th, 1951

Children's Sports Day

The Children's Sports will be held on Wednesday, July 25th. The foot races and jumping contests will be held in the morning at 10:00 a.m. at the Memorial Park. Sand castle building, swimming, and boat races will be held at Patricia Beach at 2:30 p.m. the same day.

W. H. (Bill) Gray has again agreed to act as chairman of the committee in charge. Bill did a wonderful job on this event last year. He is very anxious to receive the names of any men who will be on holiday at that time, and willing to assist in conducting the various events.

Station VBC Calling

Welcome down to good old Victoria Beach, the finest summer resort without a paved highway. This is your Club reporter once again bringing to you the recent developments of the Victoria Beach Club.

This year the club is fortunate in having as Manager a real young man who needs no introduction here. He is Mr. James Scott, son of Victor Scott, one time Mayor of the Beach. Jimmie is full of enthusiasm and energy and we understand has already made some valuable changes around the Clubhouse. I trust you have been down that way by now and should know more about that than we do at this point. We wish Jimmy all the success in the world, there is no doubt he will perform his duties to the fullest. Be sure and turn out to the various events in large numbers and give him your solid support otherwise his efforts will be in vain. That goes for all the other hard working members on your club executive.

Have you paid your membership as yet? If not we suggest you do so as soon after arriving at the Beach and reading this column. No club can accomplish very much without a strong membership, to say nothing about the money you will have in pocket at the end of the season if you will only act now and get that seasonal membership right away before things get under way. Just drop in to the clubhouse and a member of the executive will be there to take your subscription. DON'T DELAY — ACT TODAY.

All the regular functions of the club's activities are under way now, namely the different golf events, the tennis court, and plans have been started on the Regatta which is the main function during the season. No doubt you have been approached or

will be approached in the near future to assist in the cost of this Regatta and the Children's Sports Day. Give generously, these are tremendous days in the lives of the young at the Beach. Don't disappoint them by not supporting their fun. The more organized sport that is fostered today, the better citizens we will have tomorrow.

That's it for this week fellow club members see you at the Beach this weekend. In the meantime DON'T FORGET THOSE MEMBERSHIPS — PLEASE.

Sports Finance

In order that funds may be raised to defray the expenses of the Children's Sports Day — this year being held on July 25th — and the Regatta — held each year over the Civic Holiday long weekend — the above named committee is now in operation. Rod Copland, and Tom Fogarty are co-chairmen, and are being ably assisted by Bob Kerr. One of these gentlemen will, no doubt, call on you for your donation, but should you be missed in the hustle and bustle, J. L. Anderson at Moonlight Inn will be glad to accept your contribution towards these worth while events. As a matter of interest to those who donated last season, the total amount collected at that time was \$316.29. The total amount spent on the two events was \$317.65, which left a net deficit of \$1.36. Objective this season is \$300.00, so let's all help with a donation to the Sports Finance Fund. Receipts for contributions will be issued in all cases.

NOMINATION DAY

Notice has been issued by the Secretary of the Municipality that nominations for the office of Reeve and two Councillors are receivable on Tuesday, July 17th. The present members of the council, whose terms expire this year are Reeve J. T. Irving, and Councillors S. C. Giesed and J. Aitah.

RESIDENTS vs. VACATIONERS

On Tuesday July 3rd, sometime in the evening, we are told that a permanent resident team downed a campers team in that great sport of softball by the thrilling score of — well, it was pretty bad, anyway. Officiating as the umpire was David Onions. Throughout the game, true sportsmanship was noted on both sides. We congratulate the permanent residents, and wish the campers better luck next time. It has also been noted that bleachers have been erected at the Memorial Park site, for the added enjoyment of spectators.

HELP WANTED

For many years past the first week-end in July has been the date for the initial edition of the Victoria Beach Herald and with it the official opening of our Summer season. Prior to 1950, Mr. J. J. Conklin did great service to the Beach by his capable publishing of this paper. Last year however Mr. Conklin turned over the future of the Herald to the Victoria Beach Club with the result that this responsibility which for so many years was taken for granted has now become a community effort.

Last week-end many were disappointed and some even annoyed to find the Herald had not been published. The Club does not wish to see the Herald discontinued though its survival must rest with all who are interested in its continuance. Articles and news of Beach interest should be mailed to the Victoria Beach Herald, c/o Albion Press, 50 1/2 Princess St., Winnipeg, or left in the special boxes at the Beach stores.

The Victoria Beach Club has considerably expanded its services in the past few years in order that your holidays may be made more enjoyable. If you are taking advantage of these services your help with their operation would be much appreciated. The burden of their operation has fallen on too few for too long.

If you wish to BUY, SELL or RENT A COTTAGE see . . . R. F. DOWNIE Next to The Moonlight Inn.

Entertainment News

We have a fine entertainment program lined up, and as usual will have the Children's Masquerade, Adult Masquerade Dance, Dog Show, an Old Time Dance, Sunday Concerts (we hope), Weekly and Saturday Nite Dances, plus something very special later on in the season. Keep posted as to time and date of these events.

PS — Is there anyone interested in helping with Entertainments? We would like to hear from you at once. If you can help, please contact Audrey Munro, or drop into the Clubhouse any evening. We need your support.

Mr. and Mrs. L. F. Borrowman are down to enjoy another season at their summer home, "Edwell".

Dr. F. C. Niermeier is in charge of music for the Community Church this year. He succeeds Mrs. Henderson who will not be able to be at the Beach for the whole of the season. We always try to have a soloist for the morning service and Dr. Niermeier will be glad to hear from anyone willing to contribute in this way. His cottage is "Hollandia," at Fourth and Patricia.

Rev. W. Steenson, well known to all at the Beach, conducted the morning service of the Community Church last Sunday. He gave a friendly welcome to all, and an invitation to join each Sunday in the hour of worship. The Church Committee have arranged ten services for the season with ministers holidaying here, giving of their time and efforts. Come out, Campers, and bring your guests. After giving the children attention with his wondrous stories, Rev. Steenson preached a sermon on "Grips That Hold." Dr. Niermeier was pianist. Mrs. Burrows' man's penkins gave pleasure to all attending the hour of worship.

We welcome Rev. Jim Taylor and his family to Victoria Beach. They have taken over Rev. Barry's cottage at Bayview.

This Sunday, July 8th, at 10:45 a.m. D.S.T., Rev. Jack Patterson, assistant minister at St. Andrew's United Church in River Heights, will preach at the Community Church Service, in the Victoria Beach Clubhouse. Soloist will be Audrey Munroe, and Dr. Niermeier will preside at the piano.

Rev. Jack Patterson served as a Navigator in the R.C.A.F. during the second world war, and on being discharged, entered the United College in Winnipeg to prepare for the Ministry. He was ordained in June 1950. Rev. Patterson is one of our younger Clergy and we welcome him very heartily to the Community Church of Victoria Beach.
