

Regatta and Water Sports Next Week-end

The annual Regatta and Water Sports sponsored by the Victoria Beach Club will be held next week-end.

A complete programme of swimming races, diving, canoe races and novelty events has been arranged and it is hoped that a record number of entries will be received from those at the beach as all races are open to everyone.

MAKE A POINT TO ATTEND — YOU WILL ENJOY THIS GALA EVENT.

Adult Masquerade

Well folks, the Adult Masquerade again went over with a bang. These affairs that the various committees put a lot of time and trouble to promoting aren't worth a hoot unless the folks at the Beach get behind the committee and lend their whole hearted support. As has been the case for the past few seasons, a large number of the summer residents really got into the spirit of things for this event and a grand time was had by all. Many of those that "dressed up" for the occasion showed a lot of enthusiasm and originality in their get-ups and the judges were really put to the test in deciding the various winners. A lot of the credit for the success of this event must go to Audrey Munro, our Entertainment Chairman whose untiring efforts sure paid off for all those lucky enough to be there.

The winners were:
Original: "Higher than a Kite"—Mr. and Mrs. Bill Boivin.

Character: "Prehistoric cave man and wife"—Mr. and Mrs. Frank Alsip.

Comie: "Brade and Groom Zoot Suters of 1898"—Mr. and Mrs. Frank Thornhill.

Spirit of the Beach: "Bathing Beauties 1910 vintage"—Mr. and Mrs. Alan Boulton.

Special: "Three Bears"—Christine Gow, Dot Erskine, Pat Armstrong.

Special: "Jack of Spades and Queen of Hearts"—Mr. and Mrs. Arthur Yates.

Judges were: Mrs. Niemeier, Mrs. Scholtes, Mr. Henderson, Col. N. H. Nagle, Mr. J. W. Beech, Mr. Chas. Johnson.

A sizeable sum of money was raised for the Memorial Park Fund through a raffle; the prizes being drawn for at the masquerade.

The winners were: Radio, W. J. McDougall, Honson Table Lighter, Mr. Bouthe, Pocket Rensson, Miss Nancy Martin, 4 Roses Floor Rugs, Charlie Thomas and Frank Thornhill.

Miss Verona Conklin has left by car for her home in Vancouver after spending a week at the family cottage on Sunset.

Entertainment News

A lovely programme was presented on Sunday afternoon at 2:30 which was carried out across the beaches. The Brahms Concerto was played. Mario Lanza recordings and the Gay Parisienne suite. Thanks to Mr. Ray Williams—the machine worked fine, after a few moments hesitation. We expect to see more of you out in front of the Clubhouse next Sunday. It's really something, swimming to music.

Watch for the Children's Masquerade on Saturday. We might, I say, just might hold it on the Memorial Park grounds if it's a nice day. You'll know about it anyway, if it's to be that way. Get all your children out—there are loads of prizes. Watch for the notice on the bulletin board. Remember—7:00 p.m. sharp on the Memorial Park Grounds or the Clubhouse—Saturday, July 28th. There's a big Sunday Show coming up on the long week-end — we want you all to be there. Keep it in mind.

Station VBC Calling

After the laughing and noise making is over, we can without any doubts pro and con write "30" on the 1951 Adult Masquerade Dance and stack it up as one of the finest ever.

HELP WANTED—It has come to the attention of your Club Executive that the tennis courts are in need of a little attention clean-up-wise. Now it is a fact many hands make light work so Jimmie Scott is looking for about half-a-dozen interested persons who would take an hour or two some day soon with him and carry out a systematic weeding bee. This job is not very difficult, but very urgent if those who enjoy the game of tennis are to have the best that can be had in the way of courts. Some form of compensation in the form of refreshments and the like will be provided FREE by the Club to those volunteers contacting Jimmie. Do your utmost to see him on Saturday as it is desirable to have this job completed over the week-end.

Regatta time is upon us again, and

your Club has things progressing nicely. The date for this major event of the year is set for Sunday, August 5th, 1951 at the Government pier (weather permitting). As in the past, the Maritime Paddling Association will be down again this year to add a little color to this water sports day and give an exhibition of the art of paddling and its many deviations. This year permission has been granted by the Municipal Council to allow these paddlers the use of the most sparsely portion of the Memorial Park Grounds for a camping site. All outings of this kind provide opportunities for the paddlers to attain points for the various activities of their Association in the gruelling job of completing the requirements as a full fledged paddler. Camping is of course one very important aspect of the paddlers career, hence the tents and all that goes with it will be pitched at our Beach come the Civic long week-end. Make a point to drop over during the week-end and chat with these sports-minded people, it is indeed a privilege to have these paddlers with us, therefore we want them to feel at home and get about like the rest of us campers. Maybe an opportunity to paddle will come your way if the right words are spoken at the right time. There is no doubt these types are the best informed in the business.

There you have it friends, best wishes for a really fine week-end and remember to take in the Kiddies Masquerade Saturday evening.

LAST SUNDAY'S CHURCH SERVICE
Rev. W. H. Davis, Secretary of the British and Foreign Bible Society gave a purposeful message at Sunday morning's church service. The children gained a lesson in his suitable story to them. We hope to hear from Rev. Davis another season. Glen Lester gave the old favorite "In the Garden" as his solo, adding to the worthwhile service.

PATRICIA BEACH SLIDE

The Herald has received many enquiries as to the reason that the children's slide hasn't been in operation at Patricia Beach this season. The reason given by the Municipal Council who are responsible for the slide, was that there was a danger of the slide being damaged due to the high water conditions prevailing this year.

Too bad, but I guess for this summer the kiddies will have to content themselves with sliding down father's back.

MAYOR GOES DOWN SWINGING!
 Well folks the big grade golf game is over and Neville Smith came through as he predicted and trimmed the Mayor by exactly one stroke (66 to 67). We both had a lot of fun and "Zane" and I will have some more games together but next time there won't be any grades to satisfy. I still have my golf club and my one and only golf ball and am prepared to take on all comers. Thanks "Zane" for a lot of fun and thanks to all my good friends who contributed in the sum of 39 cents towards my green fees. Be seeing you around. Neville Smith.
