### Water Sports & Regatta Winners

As in the last two years poor weather curtailed to some extent the annual Water Sports and Regatta. Despite everything, however, this year's last week-end drew considerable entries and competition was very keen.

Joan Chittick is to be congratulated for her excellent showing which earned her the Grand Aggregate Trophy.

Heather Munro, last year's winner of the Grand Aggregate also made a very creditable showing and among other events won the Gullford Trophy for the Ladies 500 Swim.

The Orchid Trophy which is awarded annually to the winner of the Men's 500 Swim was again won this year by Lorne Smith who swam a very good race to defend this trophy.

### LAST SUNDAY'S CHURCH SERVICE

The Sunday morning Community Church service was well received by a good attendance of campers. Dr. W. G. Orlson gave an outstandingly brilliant sermon. Appropriate to our uncertain times he stressed the intangible things that never change with the changing of man's history. Mrs. Margaret Hoof's beautiful solo "Keep Thine My Heart" contained the same message. The children heard a well told story of instructional value. The large bouquet of flowers from Mrs. Borrowman's garden were placed in memory of Mrs. Violet Stewart.

**Station VBC Calling**

Having been informed this is Thursday and no column written, we are just beginning to realize how knocked out we were after that terrific Regatta weekend. What with dancing and swimming to say nothing about paddling and concerts, etc., it is little wonder the old reserve is slow in returning — or is it going to return, however, that was the idea, now let us look ahead to the coming week-end for there are still lots of happy holiday-makers who must and will be entertained. By the way, before we leave the Regatta Weekend, mention we feel should be made of the job done by none other than our good President Dave Grant. He organized and literally ran the whole show himself, which is certainly outstanding when you hear in mind he is the top executive and must have plenty of other things to occupy his mind. Thanks also must go

to Bill Jonston who always comes in willingly to add the necessary zip to the concert series and truly does a superb job. Now these fellows whom we have just mentioned do all kinds of things strictly for what they individually get out of it—a kind of personal satisfaction which is hard to beat. Undoubtedly there are many others seeking the same kind of relaxation and satisfaction so let us hear from you right away.

If you attended the big show last Sunday you would have heard the announcement regarding another Dog Show in the month of August. These affairs are always very popular, therefore we urge you to watch for the notice and have your "Pooch" ready.

Sunday night, August 12th, there will be another fine concert in store for you at the Clubhouse starting at 8:30 p.m., just following the departure of the 8:20 train. Come and see a

dandy show. Of course the regular Saturday night dance will be held starting at 9:00 p.m., for all those who enjoy good music and the art of tripping the light fantastic. See you there. Be sure to look elsewhere in this issue for the notice regarding our annual Garden Contest, which is open to all cottages. While walking about the Beach last week-end we saw many splendid gardens which might indicate the competition will be very keen. This form of interest is what is needed at this fine Manilla resort so give your garden plenty of attention in the next few days and go home with a prize. There you have it, fellow members and friends, see you at the water's edge and have a swell week-end.

**Winners of Children's Masquerade**

Last Saturday evening a most successful Children's Masquerade was held in the Clubhouse with an excellent array of very fine costumes entered in each class.
