Snow Train "Howling" Success

On Sunday, March 2nd, 500 snowshoers, hikers, skiers and just plain pleasure seeking lovers of the outdoors boarded the Victoria Beach Club's Annual Snow Train.

This very popular annual winter outing has been sponsored by the Victoria Beach Club for more than 20 years and its popularity is certainly shown by the large enthusiastic crowd which turns out each year.

The weatherman has been most co-operative as the club has been fortunate in having had good weather for this day since this excursion was revived after the war. This year was no exception as those present were favoured with a bright clear mild day.

The Holly Snowshoe Club had a good turnout and their presence added to the success of the outing.

Each year a hockey game takes place on the Legion rink which is situated among the pines, the hollow behind the Legion Hall. This always turns out to be a bitter contest between the Victoria Beach Native Sons (permanent residents) and the Winnipeg Woodchoppers (summer visitors). The Fern McKay memorial trophy is a stake in this game and this year the Native Sons were successful in defending the trophy.

The Ladies' Auxiliary of the Permanent Residents had good supplies of hot coffee, hot dogs, sandwiches and home made pie available throughout the day at the Legion Hall.

For those of you who have never taken advantage of this excursion it is suggested that you make a point of joining the crowd next March 3rd. You are guaranteed a most enjoyable day so it is suggested that you make up a party and see Manitoba's most beautiful beach even more beautiful in its winter beauty.

Those who have been down we know will return and we will look forward to seeing them again.

Not only do those attending reap full benefits from the outing but, as this train is sponsored by the Victoria Beach Club, you assist the club in obtaining much needed funds in the off season. These returns of course make summer projects possible and help the club help you and your family to have a more enjoyable summer vacation.

DANGEROUS SWIMMING

NEWS ITEMS WANTED

The "Herald" is published each week during the summer season by members of the Victoria Beach Club. As printing costs exceed the revenue from advertisers, it is necessary that the work entailed in publishing this paper be on a voluntary basis. It is too big a job for one or two people to handle and it is therefore requested that readers submit news items of interest to the community by depositing them in the Herald boxes located in Stewart's and Sutherland's stores or by mailing them directly to the Albion Press, 50 1/2 Princess St., Winnipeg.

The Club would welcome all articles submitted by readers though asks that all copy be signed by the sender.

Herald boxes will be cleared every Monday evening. Copy mailed direct to the Albion Press must be received by the Tuesday prior to the Friday edition.

COMMUNITY CHURCH

Last Sunday the Community Church opened its summer services with Rev. Wm. Stenson in charge. He has been holidaying at the lake for twenty-eight years, and in his friendly manner introduced again the morning hour of worship. Following the custom of this family service a story was told to the children. In his sermon "Lighting Fires in Cold Rooms," he gave a fine message. Rev. Stenson, now a retired minister, spends his time between being United Church Chaplain of four Winnipeg hospitals and giving church services in remote areas.

Next Sunday morning Rev. Jack Patterson, assistant minister of St. Andrew's United Church, River Heights, will conduct the service. We expect a large attendance.

CLUB TROPHIES

All holders of Beach Club Trophies for golf, aquatics and garden competitions are requested to make arrangements for them to be in Glen Caughey's hands by the 13th of July. Should it not be convenient for the holders to deliver them by that date, it would be appreciated if they would get in touch with any member of the Club Executive and arrangements will be made for their delivery.
