

Mrs. J. T. Irving Wins Garden Contest Top Award

Once again, aided by favourable weather and the efforts of all participants, the Victoria Beach Club's Annual Garden Competition was a "blooming" success. The coveted Orchid Trophy was won by Mrs. J. T. Irving, for the lovely display of flowers and lawn so beautifully kept. In many of the other trophy groups competition was extremely keen and extremely close decisions had to be made.

The Victoria Beach Club is again very grateful to Mr. W. G. Kotchapaw, well known horticulturist, who judged all gardens in his usual efficient manner—his fairness and insight are a source of pride and pleasure to many a proud exhibitor.

A complete list of the prize winners, including their addresses, is as follows. Plan to visit one or more and see for yourself what lovely gardens they are.

MODEL COTTAGE V. B. CLUB PROJECT

The model cottage located on Seventh Avenue has this year been a Club project which has attracted great interest. Hundreds of visitors have been through and have commented favourably on its many features. On display there have been a utility bag and two lamps all of which will be drawn for at the Sunday evening concert, August 31st.

TO MY FRIENDS AT VICTORIA BEACH

Once again the summer has nearly passed away and I have not got a line in the Herald. Last year I missed the last issue and might do so again this time. I want so much to say how pleased I am to see the Herald carrying on and how greedily I read it when it arrives for news of your doings. I am receiving two copies from the Albion Press and Mrs. Beech. It is surprising how many new names there are in the winners lists, etc., but it was good to see the old ones under Mr. Gow carrying on the Children's Sports.

Congratulations to St. Michael's and hope they had a good day for the dedication. My thoughts were very much with you all.

Wishing you all every success for the balance of the year but I do not expect to get down for Thanksgiving this time.

Sincerely,

MURIEL PRATT.

REV. C. K. NEWCOMBE GAVE FORCEFUL SERMON LAST SUNDAY

Rev. C. K. Newcombe of United College, known to many at Victoria Beach, having spent seventeen summers here, gave the Community Church Service last Sunday morning. Taking as his theme, "The Body of Christ." He gave a forceful sermon, tracing the early Hebrew society with its duties and responsibilities to the conception of a follower of Christ.

Mr. Lionel Kent gave "Panis Angelicus" as the morning solo. It was a worthy contribution to the service.

The beautiful bouquet of gladiolus and other lovely flowers were from Mrs. Lockhart's garden.

Mayor H. E. Gibson, the Council Secretary-Treasurer and the Officers of Victoria Beach municipality will attend the Annual Municipal Church Service, Sunday, August 24, 10.30 a.m. in the Victoria Beach Clubhouse.

Mabel: "He did say something about there being things in his past he was ashamed of, but he didn't go into details."

What's all this talk about professional women? Who ever heard on an amateur?

WHAT IS THE GREATEST ENEMY OF OLD AGE?

Neglect is the greatest enemy of health in old age. People usually fail to go to a doctor until an emergency arises. In old age that is often too late. Studies of the average diets of elderly people show that in general the group is badly nourished. Lack of teeth and real or imagined digestive disturbances cause many elderly men and women to resort to diets high in sugar and fats. They should eat foods rich in protein and vitamins.
