OFFICIAL BULLETIN OF THE VICTORIA BEACH CLUB
 Vol. 32, No. 1 Published during the holiday months. Address all correspondence to Bulletin Editor, c/o Albion Press, 50 1/2 Princess Street, Winnipeg 1, Man. June 28, 1957

WELCOME BACK —

RON A. MacINTOSH, President

Another summer has rolled around and I am again privileged to extend a hand of welcome to all Victoria Beach enthusiasts. This year we had a healthy share of rain during June; perhaps July and August will be all sunshine. Your community club is counting on it, and we have lined up a very interesting and fun-loaded series of events. We are counting, too, on your support.

Perhaps you would like to see where your money goes. Here are the major items from our audited statement for 1956. Full details are available from the club secretary or president.

REVENUE:	
Memberships	\$ 796.00
Rentals and Interest	138.00
Dances and Wind-up Party	225.00
Snow Train	132.00
Movies	218.00
Total Revenue	\$1,609.00
EXPENSES:	
Salaries — caretaking, director and secretary	\$ 600.00
Prizes (including cups, sports day, garden and golf)	250.00
Insurance	50.00
Herald	135.00
General Expenses	150.00
Repairs and Maintenance	89.00
Total Expenses	\$1,274.00

As you can see we use quite a large amount of money in making the club program the kind that helps make our resort more enjoyable, and although the surplus seems large (\$235.00), it is now completely spent. It paid for our badly needed roofing job on the club house (\$900.00) and some new chairs (\$150.00). We now still owe \$400.00. It is hoped that everyone who enjoys the benefits of Victoria Beach will help pay for the other half of

the roof by taking out a club membership. After all, it is your club and your roof. It will be nice to see you all again. Meet you at the club house. (From now on it will be dry inside).

HERALD EDITOR

The same forward looking young man who had so much fun being your Editor last season, has been reappointed to edit the Herald for this its 32nd consecutive year of publication.

The Victoria Beach Herald is your paper.

Without the co-operation of all residents this paper would not be possible.

To the great relief of the Editor, Tammis Scott will again look after the paper make-up and proof-reading.

With his wealth of experience and genuine interest in the Herald and the Beach, his co-operation is particularly beneficial to this publication.

Mr. David Milliken has organized the advertising so that the paper will be practically self supporting this year. Very sincere thanks for a job well done.

His customers, the advertisers, have really co-operated and deserve our active support.

But the paper needs more than just an Editor, an Advertising Manager, and Advertising. It also needs news — news about you and your friends. We urgently seek your co-operation in providing this news. Contributions of letters or articles of interest will be most welcome. To many the most interesting feature of the Herald is the column about Beach People — their comings, their goings, their visitors.

For this information we need your co-operation. Please place your contributions of such articles or notes in Box 1,000 at the Post Office or mail to the Albion Press, 50 1/2 Princess Street, Winnipeg 2.

Remember other people are interested in your activities. Please let us tell them about you.

Children's Masquerade

Mrs. H. Glasco and her committee are making great plans for a successful children's masquerade to be held Saturday, July 13th, at the Club House. All children under fourteen should start now to plan their costumes. There will be prizes for all age groups and for various types of costumes — comic, fancy and original. Plan now to participate.

CHILDRENS' SLIDES

For years and years there was a slide for the children in the water at Patricia Beach. This slide was in constant use and added much to the childrens' enjoyment. Eventually this slide through the passage of time wore out and had to be demolished.

For a few years there were no slides but finally after much prodding by the Herald, the Council last year ordered three new slides placed in the water at the principal beaches. We sincerely hope they have been re-installed by this week-end.

The summer season starts immediately and it is most unfortunate when the complete beach facilities are not available on schedule.
