YOU PERSUADED THESE SIX CANDIDATES TO CONTEST THE 1958 ELECTION !

There are two vacancies on our Council. Your vote elects your candidate for two years. Voters like to know all contestants. Here is a little bit of the biography of each, arranged alphabetically, for your convenience.

GEORGE HENRY BENNETT is a Stationary Engineer and a member of the Canadian Institute of Power Engineers. He is an active member in the Sons of Scotland, Lord Selkirk Camp No. 205. Mr. Bennett is 41 years of age and has been coming to Victoria Beach for 15 years. He built his cottage, on Eighth Ave., three years ago. He is married and has three school-aged daughters. Their grandparents, the Meachams of Sixth Ave., have been coming here for 30 years. George Bennett spends two days a week here, besides vacation! He is an active member, with his family in Gordon United Church, Elmwood.

FRED LARRY DAVID owns his own Mink Ranch. He is a member of the Manitoba as well as the Canadian Fur Breeders Associations. Mr. David's mink have taken international prizes. He served in the Armed Forces from 1944 to 1946. He is interested in all kinds of sports and is an expert water skier. Fred David is married and has four children. He has just built them a home on the property that adjoins the sub-divided cottage area. He has a long background at Victoria Beach, being the grandson of Michael Ateah. Fred was born here!

MR. CHARLES McKELVIE is Manager of the Underwriting Department, James Richardson and Sons, Winnipeg. He also served the same company in Toronto, for some time. Mr. McKelvie grew up, as a boy, at Victoria Beach, during his vacations 20 to 25 years ago! He has always been interested in community activities. At present he is on the Board and President of Norquay Neighborhood House, Winnipeg. He is married and has five children, three girls and two boys. His summer home is at 359 Sunset Boulevard.

WANT YOUR SAY ?

The 1958 campaign, our first in four years, has produced an alert electorate. The interest in our affairs has produced six candidates to contest the two vacant seats in Council — more than we can remember in one election! (The candidate from the new bench across from Ateah's corner was late with his papers). Go to the poll that is convenient, at the Clubhouse, Pier Road, or 306 Toronto General Trust Bldg., Winnipeg. We vote between 9:00 a.m. and 6:00 p.m. The community can only strengthen and prosper if we elect men of action and character to manage our affairs!

This area is growing. As recently as 50 years ago, Victoria Beach, then called Big Elk Island, could be reached by boat only. Winnipeg, Selkirk, and Winnipeg Beach visitors had to sail here! The same as pioneers did

HAROLD RICHARD PARKER manages the Estates and Trusts Division for the Montreal Trust Company in Winnipeg. Here is part of his background in administrative, civic and community affairs: He is a former member of Norwood School Board, former member of St. Boniface Library Board. A present member of the Advisory Board of St. Boniface Hospital, as well as the Manitoba Division of the Canadian Cancer Society. Mr. Parker has been on the Victoria Beach Community Club Executive for four years. He is Past President of the Manitoba Golf Association. (For five years he has been Chairman of Golf for the Community Club here). Harold has come here to the lake for 20 years. The cottage he now owns is at 330 Third Ave., where his wife, son and daughter spend a good deal of their summer.

BERTON J. TRAINOR has owned his own Mink Ranch since 1945, when he returned from the war. He was a Flying Officer in the Royal Canadian Air Force, on active service from 1942 to 1945. Bert Trainor is the President of the Victoria Beach Sports Club and has taken a lead in the building of the Victoria Beach Curling Club — project of the permanent residents! He is married and has three sons. Mr. Trainor is a member of St. Michael's Church, Victoria Beach. He is 37 years old! He is a well-known breeder of outstanding mink!

MR. WARNE a summer resident of Albert Beach. We have not been able to verify information on Mr. Warne but understand he is connected with the Labour Temple in Winnipeg. It is also said that he is a well-respected member of the Electricians Union. A young man!

In 1800. We progressed fast, once we began. We can now come by water, train, plane, automobile or bus! It is no more a dream, to us, to expect passenger service, by plane, than it was to expect to drive here on a fine road—but a few years ago!

We elect two councillors every two years. The Mayor and two Councillors are elected during alternate years. It is required by law that elections be held ten days after nominations. If you don't vote you cannot very well complain about the management of your affairs.

"I won't bother," says the indifferent person, cluttered up with less important matters, "others will go — let George . . ." You'd be surprised how many good-natured Georges are dead — from overwork.

This is an election year, we've a record number of splendid candidates. LET'S HAVE A RECORD VOTE! Friday, July 25th. Harriet D. Smith, Editor.

The Depth Of The Riches!

In spite of a pouring rain some 44 people including 14 Wolf Cubs attended the Sunday morning church service. The Cubs were from the 67th Winnipeg St. Aidan's Anglican Church Wolf Cub Pack and were accompanied by Cubmaster Geo. K. Heron and Assistant Cubmaster A. Savney.

Rev. Dr. E. Treusch, Lutheran Minister from the Winnipeg Bible House conducted the service. He spoke to the children about the plight of hundreds of boys and girls in the far east who are living in tent cities. They are in a pitiful state for they are people without a country and without a home. International Relief Agencies and the Canadian Government have provided aid from time to time in the form of food and clothing. All Christian men and women, boys and girls should join together in helping these unfortunate victims of war toward a permanent solution of their problems.

Rev. Treusch based his sermon on Romans 11 verses 33, 34, 35, 36.

God is real and at the same time hidden. Christians believe in God because he has revealed

himself to them, yet to pagans he is hidden. "How much this hidden God has revealed to us!"

"O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out!"

The solo, "I Walk With God," sung by Mrs. A. B. Johnson was much appreciated. She was accompanied by Dr. F. C. Niermeier at the piano.

Mrs. L. F. Bortowman donated the beautiful basket arrangement of peonies.

Rev. Bruce Johnson will conduct the service this Sunday, morning, July 20th at 10:45 a.m.

Happy Week-ends Here Again!

Sixteen Wolf Cubs of the 67th "Moostons" pack, St. Aidan's Anglican Church, Winnipeg, were colorful visitors last week-end. They paraded to church in their uniforms, despite the pouring rain, an example to the rest of us! They had a busy, happy time: campfire meals on the lakeshore, handicraft work, sing songs, and hikes. Cubmaster George Heron, Assistant Cubmaster A. Savney and Capt. E. Pescod were in charge. They were guests at the campsite at Mr. and Mrs. George Heron's Fourth Avenue.

Vote for Fred L. David

I believe the tax rate could be lowered. Our standard of service could be maintained and improved. The experience I could bring to this Council would be helpful in Public Works as well as administration! I have lived here for 31 years. I am closely associated with resort cottagers. I stand for PUBLIC AP-PROVAL before major spending.

Parker on golf:

Once again we wish to welcome Mr. Tom Forbes back to the Golf Course. His co-operation in looking after the scores turned in for our competitions is most helpful and greatly appreciated.

Let's just take a quick look at the Golf Course records. During the past two weeks except for the really wet days hundreds of our friends and their guests played over the course. This is fine and we like to see the enthusiasm in both old and young "experts and dubs" alike, but what of our competitions? Nearly every foursome starting out from the 1st tee has a little wager on the game for drinks of something and incidentally a friendly argument about handicap — why not show this competitive spirit and sporting instinct by entering your names in the competitions also, there is no better way to improve your game and all the youngsters should be encouraged too — by competing against their "pals" they will show rapid improvement and who knows, may eventually be "Willingdon Cup" material.

CHILDREN'S MASQUERADE

by Margaret Blanchard

Visitors at the Beach last week-end might have been startled to find the woods suddenly invaded by little green men from Mars, Purple People Eaters, trees that walked and other strange wonders. The reason for these extraordinary sights was the Children's Masquerade held at the Clubhouse, Saturday evening, July 12.

Welcomed by Mr. Derrington, Community Club president, approximately 150 children aged from under four to thirteen years attended with their parents and friends.

Judges awarded prizes for costumes original, comic and fancy in four age groups, and a difficult job it was too.

Costumes were imaginative and ingenious with the sack dress and Purple People Eaters of "Hit Parade" fame being represented in several different versions.

A young contestant judged best fancy costume for girls under four as a "black cat" was rescued by his mother who told the judges "He's a boy and is supposed to be a spider." The "Spider" was placed in the proper group and won a first prize.

A small King Farouk with dark glasses, cigarette holder and Bermuda shorts waved at the judges, won their hearts and a prize.

The butcher, baker and candle-stick maker were there in their tub and the Queen of Hearts came along with a tray full of freshly baked tarts.

The very much in the news Wolsley Elm Tree was present looking lively, won a first prize and went on to win best in the show for the girls. An Indian tope won best in the show for the boys.

Following is a list of the prize winners:

4 years and under—Original: Cathy Burch, Pine Cone; Marian Carmichael, Fern; John Benningen, Grass Skirt; Paul Grover, Farouk. Comic: Barbara Laidler, Sack Look; Linda Wickert, Hawaii; Jimmy Harris, Scarecrow; Jackie Fotheringham, Indian. Fancy: Andrea Little, Hawaii; Shelley Saunders, Nurse; David Quinton, Spider; Riley Anderson, Tom Tom Beater.

5 to 7 years — Original: Carol Bennington, Tea Pot; Catherine Gartrell, Dragonfly; Billy Tritt, Purple People

Eater; Bobby Laidler and Ian Dutton, Organ Grinder and Monkey. Comic: Joyce Wiley, Bird Cage; Susan Jones, Horse; Murray Coulter, Tramp; Roland Brashey, Saturday Night Bath. Fancy: Elizabeth McKeevie, Bride; Delora Campbell, Fairy; David Gartrell, Grass Skirt; Robert Large, Arabian.

8 to 10 years — Original: Jane Alsip, Wolsley Tree; Margaret McKeevie, Devil; Glen Hurley, Tepee; David McKelvie, Turtle. Comic: Bridget McCormack, Witch; Janice Robinson, Indian Girl; Thomas Wiley, Purple People Eater; Brent Benningen, Purple People Eater. Fancy: Carol Hill, Sack Dress; Mar McCloy, Marilyn Munro; Jimmie Lawson, Toreador; Bobbie Tritt, Balloon Dress.

11 to 13 years or over — Original: Maureen Hale, Dorothy Dangerfield and Kathleen Grover, Three Men in a Tub; Meryl Sheldon, Farmerette; Ted Williams, Camouflage; Dennis Houston, Hunter. Comic: Glens Bennett, Charleston; Cathy Williams, Miss 1920; Bill Pope, Bathing Beauty; Jerry Hurley, Fisherman. Fancy: Catherine Hale, Queen of Hearts; Louise McKelvie, Japanese; Bruce Benningen, Ghost; Don Strachan, Ghost.

Best in show — Jane Alsip, Wolsley Tree; Glen Hurley, Tepee.

Our grateful thanks to all who assisted at the masquerade: Mr. Derrington; the judges, Mrs. A. Brown, Mrs. C. Grover, Mrs. L. Patrick; assistants Mrs. T. Poyntz, Mrs. D. Stewart, Mrs. C. Thomson, Mr. Tully, announcer, and to Mrs Tully, pianist.

Foregoing Part of Their Vacation
