Fishing Derby Results 1968

The Fishing Derby was all fun this year. Nearly 80 participants made it so. The results "fish-wise" were anything but good. We would like to think a strong blow from the southwest made things slightly awkward for the would-be fishermen.

There was one big winner in this year's group and that was 12 year old Roy Vadeboncoeur. He caught 4 perch and 1 big cat fish, and so it was no contest for the prize for most fish and prize for the biggest fish.

Second in line for a prize was 10 year old Jim Pelton with two fish.

Bobbie Suderman at 5 years of age, was the youngest to catch a fish and was all-aflush with victory.

Brian Clake got a prize for the smallest fish (4 1/4" long). Louise Edwards was the only girl in the contest to catch a fish.

Youngest fisherman in the Derby was a three year old whose identity is not known.

In this connection as a result of a big gust of wind the winner's list blew off the dock and into the "briney". It immediately sank to the bottom to the consternation of your chairman. However, by memory, we have tried to reconstruct the lists. A partial list of draw winners appears below:

Susan Kerr, Michael Sukava, Hugh Armstrong, Roger Grais, David Wetton, Solveig Schuster, Gordon Tomlin, Joel MacFarlane, Bruce Garbett, Kathy Blakesley.

A special vote of thanks to: Sharon Hale, Melissa McGillivray and Debbie Quinton, for their help in keeping things organized. Also to Gordon Urhart and Graham Simpson, recreation director Ted Backhouse was in charge.

Children's Masquerade

By Barbara Sudermann

The annual children's masquerade sponsored by the Victoria Beach Community Club will be held **July 20th, Saturday, 7 p.m.**

To all newcomers to the beach, this is an open invitation to come out and join in an early evening of fun and prizes. This event is held in the field behind Moonlight Inn (weather permitting), otherwise at the Clubhouse.

The age groups range from four and under up to the teens and despite the fact that the V.B. Children's Masquerade has been tradition now for close to 40 years, vacationers continue to deck their young ones in fantastic costumes which are mainly products of what one has available from around or near their cottages.

The categories of fancy, comic and original provide a difficult task for the judges but satisfying entertainment for participants and spectators alike.

There is plenty of time to get ready, so put your thinking caps on and we will see you all next Saturday at the children's masquerade.

SUNSET BLVD. RESIDENT BOB KERR WINS CANOE

The winning tickets on the Victoria Beach Club raffle were drawn by Miss Nancy O'Brien at the Saturday night dance in the Clubhouse.

The first prize — a beautiful green fibreglass 14 ft. Canoe was won by Bob Kerr, 315 Sunset Blvd., who has been vacationing here for many years.

The second prize — a Baycrest bicycle of any size or kind was won by G. A. Kauffman, 501 Kirkfield St., Wpg. 22. The third prize, a dual control electric blanket donated by our Thomas Rathwell, was won by lucky Mrs. J. H. Shaver, 35 Rutlan Bay. Congratulations to the winners and to the losers — thank you for your support.

Nancy, who was in charge of this project, deserves special praise from all of us. Together we made hundreds of phone calls. Most people were glad to do their bit but there is still a small hard core group who have ten good reasons for doing nothing.

Our net profit on the raffle was approximately \$900. A resounding success — This money goes into the Club coffers to replenish the renovation fund.

TEEN SCENE

On Saturday, July 6, about 200 teenagers danced to the sounds of the "Livin Soul Device". Thanks to the support of the V.B. teeners our two dances have both been successful and approximately \$160 has been realized from the dances. The "Matched Set", a well-known Winnipeg group are slated for next weekend, July 13. Following this we are proposing to have a beach party for the teenagers with music, food, etc., but more about that later. On Aug. 3, the "Fifth", probably the best group in Winnipeg, will be coming. This is our regatta dance and awards night. A must for all.

Thank you again teenagers for showing that we can support our youth activities and I trust you will continue to attend our programs throughout the season.

—Sharon Dennehy

REPORT ON THE CLUBHOUSE

By Dodie Dennehy

Good news. We're going to have drapes after all! The Committee has seen fit to approve the purchase of 125 yards of gaily colored floral material. It looks marvellous against our panelled walls, but ladies — there's a catch — we'll have to make them.

We've had offers of help from all over. Mrs. David, a permanent resident and president of the Merrymakers Club at Victoria Beach has offered to bring her sewing machine to the Clubhouse and give us a hand. We've been offered several other machines and as there are approximately 300 hooks to sew — we can use many helpers. One day should do it so — — — When, I'm calling you oo ooo ooo — Will you answer too ooo? While I'm on the subject of the Clubhouse — I feel you should all know my committee, who have been working for your benefit since the annual meeting.

Del McClay heads up the building committee — one of the best bargain hunters in town—his motto—"the best for less" (see Clubhouse).

Frank Alsip — our architect and adviser.

Jack Rice — sound equipment.

Ray Schumacher — lighting.

Jack Gregory — taking over from Del this month.

Bill Cummings — in reserve.

We are not by any means through fixing up the clubhouse. There are many small problems to be ironed out. The ventilation, lighting and landscaping is yet to come but in the main we have made great strides.

We budgeted for \$2,000 on the repairs alone and as this vanished with amazing rapidity we have cautioned to turn off our "Brilliant Ideas" machine temporarily.

We are always anxious to have your ideas and help. Offer your name for office — apprentice this year with opportunity for advancement on the '69 slate.

QUERIES

Did you know our good Mayor Tammas Scott has resigned? So we will need a new mayor. Who? Who? Who? Did you know elections are coming up shortly?

Did you know that the cottagers are paying more than 75 per cent of the whole municipal taxes?

Do you think we need a proportionate representation on council?

There will be vacant places.

Who will we nominate? Who? Who? Who?

The Voice.

THE VICTORIA BEACH YACHT CLUB

Another racing season is underway for Victoria Beach Sailors. This club is the largest sailing club in Manitoba with a total of 25 boats and 30 members. Racing began this year on June 16th and will continue every Sunday at 11:00 a.m. throughout the summer.

There are four classes of boats presently represented in the V.B.Y.C.: Enterprise, Lazy E., Snipe, Fireball and they make a colorful display each Sunday as they skim over the water, masts often at rakish angles, skippers and crews intently studying the wind and feeling for the right trim. There is a great thrill in being able to harness and control the silent power of the wind; sailors agree there's nothing quite like it. Why not come down to the pier on Sunday and see for yourself? Better still, speak to one of the following officers and find out how you can join the club, or just go for a ride. We'll be interested to hear from you.

- Commodore, R. A. MacIntosh, 301 Sunset
- Past Commodore, Dr. L. S. McMorris, 203 Fifth
- Secretary, D. A. Tomlin, 417 Sunset
- Treasurer, E. W. Sharpe, 328 Third
- Race Chairman, P. E. Reeve, 203 Fourth
- Facilities, A. J. Little, 210 Sunset
- Junior Sailing, C. J. Stafford, 209 Fourth

By the way, the V.B.Y.C. will sponsor a sailing course during the week, commencing July 29th, with Manitoba Sailing Association instructors. Young people age 12-15 yrs. are eligible to attend, providing they can swim 50 - 100 yards.
