## Proposed lagoon development stirs controversy at Victoria Beach

by Pyteke Blaauw

In June 1985, owners Elsie and Victor Parisian requested permission from council of the R.M. of Victoria Beach to develop 77 acres, facing the east side of Lake Winnipeg. Officially this property is known as Section 3 Townsite 20 Range 7E. For those less familiar with this terminology, it concerns the area south of Bayview, stretching as far south as the edge of the swamp. More or less in the neighbourhood of the old dump site. The Parisians suggested a 17 lot subdivision, with 75 feet of lake front. Council approved the proposal in principal, bringing it to the attention of the provincial Planning Branch for further investigation.

The Planning Branch is presently consulting with other government departments in regards to ecology, environmen-

tal changes, resources, etc. Its final report is expected in the month of September '85.

Pending the Planning Branch report, council of the R.M. of Victoria Beach will then proceed to propose the rezoning of this area from the present "reserve" status to "seasonal resort". It is here where the snag comes in. The Victoria Beach Cottagers' Association has actively lobbied against the proposed subdivision, and has expressed its concerns in a brief to the Municipal council. The Cottagers' Association is not only opposed to any further cottage development in this area but feels that the abundant wildlife will be threatened by any such development.

The Parisians are understandably upset by this opposition, since they themselves are not intending to execute the development, but are intent on selling the property when the required rezoning by-law has been passed. They also own the lagoon, where, as they feel, the major portion of the wildlife habitats. And they stress the fact, they are not intending to sell that.

Council will be faced with the difficult task of deciding for or against this proposed subdivision in the next two months.

## 4-P Festival another resounding success

by Pyteke Blaauw

From a relatively small undertaking four years ago, the 4-P Festival has gained momentum and can be considered one of the major tourist attractions in the Eastman region. This year's Labour Day weekend celebration stands to prove it.

To involve so many organizations, community clubs, institutions and individuals in order to offer a wide variety of activities, the 4-P committee members needed a lot of commitment, great perseverance, careful planning and lots of luck. This was all in evidence during this past weekend.

### Jig 'n' Jam

500 people crowded the Powerview School Gym on Friday, August 30th, to start the festival with a concert, *The Jig*

*'n' Jam*, which featured such artists as *The Fine Country Folk* (hailing from Riverton, Man.); *Barley, Hops and Rye* (Rolly Berard, Don Metz and Terry Hoover); and Jeanine Staerk and her *Belly Dancers*. The following deserve special mention: dancer Cathy Dugard, and the music group *Aces High*, with Joel Lamoureux, Robert Desautels, Claude Bowman, Cameron Pachkowsky and Reg Martin, who received requests to perform only hours prior to the concert due to illness of one scheduled performer.

MC Tom McCullough caused some chuckles while reminiscing about his early years in Pine Falls and some incidents which could serve as an explanation for his present position as commentator for CBC Radio in Winnipeg.

### Pickeral derby

Quietly, on Saturday, at dawn, fishermen took to the waters for the pickeral derby, which lasted till Monday evening. The Winnipeg River Wildlife Association declared Clifford Houston (Pine Falls) the 1st prize winner, with a patch weighing 6.98 lb. Mr. Houston received \$100; 2nd — Alex Kcseler (Winnipeg), weight 6.90 lb. (\$50); 3rd — Robert Crozier (Winnipeg), weight 5.15 lb. (\$25).

### Trapshoot event

For the full three days, the Winnipeg River Wildlife Association also organized the not so quiet, but ever so popular, trapshoot event.

High scorers and winners were:

## Sod turned for new health complex

by Pyteke Blaauw

The official sod turning ceremony for the Pine Falls Health Complex was held on Thursday, August 29, 1985. Approximately 150 people gathered to participate in the invocation at the construction site given by Canon J. Whitford, with the actual turning of the soil carried out by the chairman of the hospital board — R.C. Willett, assisted by the Provincial Minister of Health, the Honourable L.L. Desjardins.

Ms. J. Joss, hospital administrator, introduced the visiting dignitaries. This was done inside a "big top" tent situated across from the hospital grounds.

Mr. Willett gave an overview of the history of the Pine Falls Hospital, mentioning that it all had started with a four bed unit, situated in a private home in 1926. With the large area serviced, the present building with a 48-bed capacity, has long been considered in need of renovation.

The three ministers: the Hon. L. Desjardins; the Hon. Jake Epp, MP for Provencher and Minister of Health and Welfare; the Hon. Sam Uskiw, MLA for Lac du Bonnet and Minister for Natural Resources; unanimously agreed that the upcoming reconstruction was long over-

C-Weed Band

## Award-winning C-Weed here

An exciting social evening is planned for this fall when the C-Weed Band comes to Pine Falls.

If C-Weed is familiar to you, it should be. The four member group walked away from the Manitoba Association of Country Arts awards presentation with seven trophies this past spring. The rewards for their labours included "bests" as entertainer, recording artist, song (*Bringing Home the Good Times*) and country band. Leader Errol Ranville won the award for songwriter of the year, fiddle player Clint Dutiaume was best instrumentalist, and producer Craig Fotheringham was best

record producer.

The band's members are Ranville, his brothers Wally and Ron, and Dutiaume. Producer Fotheringham also doubles as a keyboard player. Together C-Weed has recorded four successful albums and has taken its music back and forth across the continent.

C-Weed, Manitoba's hottest country band, will play in the Pine Falls Arena, Saturday, September 14, 1985, from 8:00 p.m. to 1:00 a.m. Tickets for this social are available by advance sale only. They can be obtained at the Manitou Rapids Arts Council, Townsite Building in Pine Falls.

### ENERGY CORNER:

#### Buying a used appliance

by Lynda McCullough  
Manitoba Hydro

Appliance costs, like everything else these days, are on the rise! You may find it's more economical to purchase used appliances to meet your needs. Here is some advice that may help you when you're shopping for a used appliance.

Before shopping, consider just how much will be saved when buying used as opposed to new appliances in certain categories. Some appliances may cost just

about as much used as they do new, and in that case, you'd be better advised to buy new so that you get the full benefits of the manufacturer's warranty.

Another thing to consider with a major appliance is installation cost. Again, as in the example I just stated, you may find that the seller of a brand new appliance will include all the transportation and installation costs. A used appliance seller may charge you for transportation and installation on top of the cost of the appliance so that the price of used is very close to the new...all things considered. In this case you may prefer to buy new.

If, after careful consideration, you decide that used is the best buy, you should search carefully for the appliance needed. Check newspaper want ads, appliance dealers, second hand outlets and yard sales.

Appliance repair shops are one of the most economical sources for used appliances. This is because such dealers usually recondition a unit before selling it, and they are more knowledgeable about repairs that have been made.

Always be sure the appliance is in good working condition. If it's an older model, make sure spare parts are available, and that work will be able to be done if necessary.

due. They all stressed the importance of the availability of the various levels and types of health care for all people at every income level. And with the addition of the Personal Care Home beds, the health care needs for the community residents would be well served.

It is expected that the construction will reach its completion 18 months from now. With an anticipated budget of 6.7 million dollars the cost will be shared by three levels of government and individual donations.

Mrs. Edna Pichor was presented with a medallion from the hospital for her fund-raising efforts over the past three years through the annual Manitoba marathon. This year's pledges alone totalled in excess of \$1,200.00.

#### Victoria Beach, Traverse Bay connection

Mrs. Dorothy Gregory, at Ateah Road in Victoria Beach, 754-8406, has agreed to become the correspondent for *The Winnipeg River Review*. She'll pass on any news-worthy items to the office in Pine Falls. And although not in charge of taking ads, she'll be happy to try and answer any questions one might have about this procedure.

Welcome Dorothy!

### 5th annual Terry Fox Run this Sunday

The fifth annual Terry Fox Run will be held on Sunday, September 15th, 1985. The run or walk will start at 1:00 p.m. with registrations at the Power-view track field. Actual departure is 2:00 p.m.

The route is familiar to many — along Hwy. No. 11 to St. Georges and back.

Plenty of participation is needed to make this event a success. Pledge sheets are available at both the Pine Falls and the Powerview schools.

For more information call Mrs. Alice Loucks, 367-2392.

#### Better benefits for widows and widowers

This month 60 to 64 year old widows and widowers living on a low income and meeting the basic residence requirements may be eligible to receive Spouse's Allowance benefits.

A recent amendment to the Old Age Security Act extends the monthly Spouse's Allowance benefits to all low income widows and widowers, regardless of when their spouse died.

It is estimated that 85,000 widowed persons in Canada may benefit from this change in September.

#### CARD OF THANKS

The Manitou Rapids Arts Council would like to thank all those who helped with the "Amadeus" float for the 4P Festival. It won the "most artistic award". **Church was weekly social**

In an earlier period the settlers wanted a local church, and they didn't worry all that much about the doctrine.

For many of them, their greatest need was fulfilled once the service was over. At that time you could do a lot of visiting in the churchyard, and sell a heifer, buy a weanling, or borrow a set of harrows. Scores of pioneers' memoirs refer to the importance of this weekly social.

In the intervening century we have seen the rise and the fall of the religious institutions. Attendance has gone from the near-mandatory to something considerably less.

When the church influence was at its peak, there was one thing you could count on in all denominations; there'd be no talk of politics. Ministers preached about an ideal world, one in which there seemed to be no room for pushing, shoving, and jousting for political preference.

Speaking of preferences, denominations had them. It was viewed as a slightly daring joke a score of years ago to talk of the Anglicans as "the Tory party at prayer." It was ministers of the Baptist and Methodist persuasions who chose to take the social gospel into the market place and they gave us the old CCF.

Today you can find editorials on the United and the Roman Catholic churches. If you're interested in mottoes, I can point you to observers who call the former the "NDP at prayer." It's not too easy to find a political niche for the Roman Catholics, but their bishops in the past year have won a lot of headlines with their pronouncements on social welfare versus capitalism.

**Traditionalists**

Perhaps because they're inclined to be traditionalists, like the majority of their readers, the weekly editors don't know what to make of these new activists.

The editor of the *Carnduff Gazette* in a column says, "...it annoys the dickens out of me to hear the United Church announce on my behalf that they disapprove of the recent budget. There are many who believe that church and state should be kept separate...it's hard for me to believe that the United Church conference is comprised of our best economists..."

The *Melfort Journal* takes a stronger stand in an editorial labelled "The Word From the Left." When the Saskatchewan conference of the church supported a number of NDP positions, the Melfort editor chastised them for some of the things they overlooked, like the "...social-economic problems facing our country," due to "social programs such as unemployment insurance and welfare, and the run-away costs

of our health care programs." Some of the pronouncements of the Roman Catholic bishops raised eyebrows, mine included. This subject is studied by the *Virden Empire-Advance* which concludes that the "Bishops Go Too Far."

When they "blasted Canada's multi-million-dollar retail industry for exploiting its workers, naming Eaton's as a prime culprit," the *Virden* editor thinks they fell off the rails. "What with all the problems facing this country today, such as proposed legalized prostitution and the Supreme Court of Canada calling the Lord's Day Act unconstitutional, one would think the bishops could put their time and talents to better use."

**OBITUARY**

**RICHARD THOMAS**

After a courageous battle with cancer on Sunday, August 25, 1985, at the Pine Falls Hospital, Mr. Richard Thomas, aged 63 years, of Powerview, Man., beloved husband of Terry Thomas.

Richard was born on August 31, 1921, at Balsam Bay and had lived and received his early education there. He enlisted with the Canadian Armed Forces in May of 1943 and served overseas until being severely wounded in Dieppe, France, in 1944. He then returned to Balsam Bay and in 1948 was wed to Terry Tardiff. They moved to Powerview in 1950 where he was employed as a carpenter by the Manitoba Hydro. In 1961 they moved to Great Falls where they lived until Richard's retirement in 1974 at which time they moved back to Powerview.

He enjoyed hockey, baseball and, in particular, bowling. He was instrumental in making the Great Falls Bowling Alley a reality and had bowled in the league for 17 years. He was also an active member of the Golden Leisure Club of Pine Falls.

Besides his beloved wife Terry,

he leaves to mourn his passing four daughters, Judy and husband Richard Fenez of Pine Falls, Linda Thomas of Winnipeg, Joyce and husband Kelly Sharpe of Powerview, Elaine and husband Robert Wilcott of Powerview; eight grandchildren, Danny, Larry, Danielle, Dax, Billy, Teresa, David and Myles; brothers, Walter of Victoria Beach, Howard of Winnipeg; sister Olive of Grand Beach; his mother-in-law Evelyn Tardiff of St. Georges, Man.; his good friend and cousin, Gerry and his wife Dolly of Winnipeg; and numerous other relatives and friends.

He was predeceased by a son Larry Richard in 1973 and by nine brothers and sisters, Frances, Alfred, Alice, Charlie, Arthur, Rachael, Stanley, Gordon and Roland.

Funeral services were held on August 28th in the Notre Dame du Laus Church, Powerview with Canon J.W. Whitford officiating. Interment followed in the Pine Falls cemetery.

The honorary pallbearers were Messrs. Danny Wilde, Alex Thomas, John Bracken, Bill

Boyer, Gunnar Postnicks and Leo Tardiff. The active pallbearers were Messrs. Leslie and Brian Thomas, Gary Oakes, Allan and Ovide Tardiff and Robert Wilcott.

Should friends so desire, donations may be made to a charity of their choice.

**EDITORIAL**

**Support needed**

With this inaugural issue of the Winnipeg River Report the communities of Pine Falls, Powerview, St. Georges and surrounding areas now have a weekly community newspaper and which we hope that readers in the area can soon identify with and become attached to.

Let us clarify our situation at the outset. We are not a fly-by-night outfit that comes into the community, picks up some fast money, and is off again. We have every intention of being around day to day, week in and week out, right in your community. We have hired two people in this very community, one as an editor, and one as office manager, and we are committed to these two people who are committed to report the happenings in the circulation area and look after your communication needs.

Although the mechanics of this newspaper will be done in Lac du Bonnet, it does not mean this will be any less a newspaper dealing with the events and issues of this area. With automation over the past decade-and-a-half most newspapers throughout the province have gone to centralized printing plants.

Each week the publication will be driven to the Post Offices in close proximity to Pine Falls and the rest will be mailed from that point to the outlying communities in the market area.

We believe that a weekly newspaper is an asset to any community and we further believe that, given your support and encouragement, we can be of mutual benefit to each other.

We are a privately owned company and therefore this is a business venture with an objective of serving a purpose and fulfilling a need, creating employment and hopefully, eventually, making money for ourselves. If we lose money, it will be the publisher and no one else, but in the end we cannot publish a product for very long and continue to lose money.

But as much as we hope for and encourage your support, both through the purchase of subscriptions and advertising, we feel that before too long we hope to become a permanent fixture in every home, a necessary communication medium in the community, and an essential part of every retail merchant's promotion budgets.

If you have an idea for columns, stories, or want a classified ad or display ad — just give the girls a call in the Pine Falls office or give us a call in Lac du Bonnet.

The success of any community newspaper hinges, not only on dedicated staff, but also a receptive, responsive, supportive community.

Give us a try!

**Look what we have done with the Rec Time...**

In June 1985 I wrote a cryptic little message about the definite discontinuation of the *Rec Time*, hinting that all was not lost.

It was not for me, at that time, to disclose that active negotiations were underway between the originator of the *Rec Time* — Mrs. Marion Mitchell and the publisher of the Lac du Bonnet *Leader* Mr. Russ Preston, about a local news weekly.

One does not want to see a good thing die! I became sort of fond of the little community newsletter. Judging from its absence in the post office garbage can, I might not have been alone. It handily provided you with events, dates and places. Which, by the way, was all it intended to provide. Now its place has been taken by a full fledged weekly newspaper.

It is my wish that the communities will be able to sustain the *Winnipeg River Review*. Not only in terms of advertisements and subscriptions but also in regards to copy. Do submit what is important to you or your organization, town or community. Do keep us informed about local events, which would be of interest to the readers. We shall do our level best to be there.

Angie Scheel and myself are eagerly thumbing through "all there is to know about local newspapers"! We hope you will join us on this expedition.

**Canoe races**

Through strong winds and choppy waters, the canoeists bravely battled to the finish near the St. Georges Boat Launch.

Winners, as declared by the W.R. Wildlife Association, were Ron and Kirk Guimond, Dave Loucks and Russ Storey, Jacques Dupont and Christien Laroche.

**Vehicle poker derby**

The vehicle poker derby, organized by the Women's Institute in Great Falls, on Saturday, drew Monica McHugh (Great Falls) as first (prize — \$51.25), Don Hendrickson (Lac du Bonnet) as second (\$30.75) and Cathy Gauthier (Powerview) as third (\$20.50).

Meanwhile, a good attendance was reported at the Abitibi-Price Paper Mill and the Hydro Generating Station tours. The same can be said of the logging demonstration as sponsored by Abitibi-Price Woods Department.

Mr. Jean Dupont at the St. Georges Museum welcomed a constant flow of visitors.

**Sunday parade**

The Winnipeg River Lion's Club who marshalled the parade kept it all on schedule and can be proud of an organizational task well done. Having the *Winnipeg Police Pipe Band* to lead it all, definitely added to the decorum. The *Band*, together with the "better than ever" weather conditions, helped to draw the people by great numbers.

**Parade entry judges:** Mrs. Dube, Mrs. Kropp and Mrs. Meekin, together with Mr. Laroche and Dr. Meekin, selected "C.N.I.B. Buddy" (Roland Bouvier) as **Best Bicycle**; "Abitibi-Price Woods Department" as **Best Commercial Float**; "The Manitou Rapids Arts Council" as **Most Artistic**; "Pine Falls Ambulance" as **Best Community**; "Chevretils Forest Products" as **Best Business**. Richard Lavoie received the honor of driving the **Best Vintage Car**.

All participants and viewers

were welcomed by 4-P Chairman Rolly Berard. MC Tom Paukovic introduced the dignitaries: The Hon. Sam Uskiw (MLA Lac du Bonnet); Mr. Bruce Hansen (Mill Manager Abitibi-Price); Mrs. Fran Thompson (Reeve for L.G.D. of Alexander) and Ms. Deanne Betts (Fur Festival Queen of The Pas).

**Market Square**

The Market Square in the Powerview Arena had indeed a wide variety of booths and drew a steady stream of browsers.

The children were not forgotten at the 4-P Festival. Rides on mechanized and live horses were offered. The Children's Activity Centre in the Powerview Arena Basement was well organized and equally well attended.

The *Teen Dance* did not draw the expected crowd, but the children's races and swimming events, which took place in the rain on Monday, well made up for that in enthusiasm and participation. Organizers of the latter two events was the Pine Falls and District Fire Department with prizes donated by the U.P.I.U. Local 1375. These races are commonly known as the *Silver Dollar Races*. There are no losers in these fun filled competitions.

**Fireworks**

Sunday night had a reportedly 1,000 people watching the fireworks. Once again, excellently organized by the Pine Falls Fire Department and the Ambulance board. The multitude of stars and sizzlers were provided by the U.P.I.U. Local 1375, out of the soft drink revenue fund.

**Mixed slow-pitch**

The mixed slow-pitch tournament held on Saturday and Sunday, organized by the Pine Falls Junior Canadians, brought Leo Nolin's team as winners on the A-Side. The prize awarded was \$250.00; "The Halters" became second (\$175); B-Side winners were: 1st — "Hardbodies" (\$175); 2nd — "Who Cares" (\$125).

**Industrial slow-pitch**

The industrial slow-pitch on Monday resulted in A-Side: 1st — "Woods Department" (\$140); 2nd — "Bad News Bruins" (\$80). B-Side: 1st — "Lost Tacos" (\$80).

**The Book Nook** by Mona Bossi

A warm welcome to you all from the "Book Nook" — a weekly news item from the L.G.D. of Alexander Library situated in St. Georges Community Club, St. Georges.

The library board is at present sifting through the new names suggested for the library as the Village of Powerview is now a part of the library system.

To commemorate this event, to announce the new name of the library and to officially open the completed renovations, the Friends of the Library are planning a celebration fall supper on Saturday, September 28th at 6:00 p.m. for approximately 220 people. More news of this event will be published in next week's article.

Bertha Jubinville, Liz Laurilla and myself will be alternating articles so that you get an all-round

**Cribbage and Whist tournaments**

In the Golden Leisure Club, the pace was a little less hectic than on the baseball diamonds, but equally tense because of the cribbage and whist tournaments. Winners in the cribbage tournament were: 1st — Mr. and Mrs. Meade (Lac du Bonnet) \$20; 2nd — Lynn and Jack Dulak \$10; low — Bonnie Torres (Powerview) and Lil Nowalski (Winnipeg) \$4.

Winners in the whist tournament were: 1st — Ann Roslyn and Cordelia Harbottle \$10; 2nd — Alice and Dave Loucks \$6; low — Mary Pommer and Helen Gordon \$4.

**Kite flying contest**

The annual kite flying contest, as hosted by the Royal Canadian Legion Local 64, had trouble becoming airborne due to the downpour. Nevertheless, Trevor Roper and Claire Dickie both came out as winners and were awarded watches.

This, the Lion's Club family barbeque and the Ecumenical Church service with its potluck brunch, which were both well received and well attended, sums up the entire weekend's events. Between four and five thousand people participated. The same number, and then some, look forward to the fifth 4-P Festival. See you in 1986!

view of our activities. Liz will be representing the library board.

Once again, the various groups and organizations will be having their monthly meetings and good use will be made of the reading room. Please call the library at 8443 during normal library hours if your group would like to use the reading room. There is no charge and the key can be picked up at the desk.

Last Friday, we were honored by a visit from two representatives of the Public Library System from Winnipeg, Barbara Greenhuis the executive director and Joanne Brewster, consultant accompanied by Maureen Fleming, our head librarian from Lac du Bonnet Regional Library spent several informative and enjoyable hours in the library. This was the first visit made by Public Library Services and they were most impressed by the results of the hard work and volunteer time that so many have dedicated.

As I file away the catalogue cards I am constantly surrounded at the vast and various range of topics of books that we have available in the main library in Lac du Bonnet and on our own

shelves. Come in and browse around — our library hours are: Tuesdays — 1:00 - 4:30 p.m.; Wednesdays — 6:30 - 8:00 p.m.; Thursdays — 10:30 a.m. - 12:30 p.m.; Fridays — 1:00 - 4:30 p.m.; Saturdays — 10:30 a.m. - 12:30 p.m.

Story time for pre-schoolers begins again on Thursday, October 3rd and crafts for adults and children are being planned for the same month. 'Til next time, remember — man's greatest gift is his intellect.

# Pine Falls & District news *by Jean Velie*

Greetings from the Papertown and District. The weather was good on the long weekend, but not quite as nice on Labour Day. Several people were around for the 4-P Festival.

Visiting with Mrs. Tibbie Spence recently were two of her nephews, George Drever from Regina, Sask., and Hunter Smith from Cupar, Sask. They motored down and had a nice visit.

Visiting recently with Don and Betsy Bosma were their son and daughter-in-law and grandchildren, Ross and Kama Bosma and children, David and Lisa from Winnipeg. They also visited with Kama's mother, Mrs. Sheilagh Geer. Also visiting with Bosma's was Vida Robillard from Calgary, Alta. Don, Betsy and Vida went to Fort Frances, Ont., for a few days and spent some time at Falcon Lake, Man.

# EASTMAN GAMES GEAR UP FOR WINTER '86

Every two years the provincial department of Health and Sport sponsors the Manitoba Winter Games. This full scale sports meet will attract over 1300 athletes from all over the province.

Flin Flon will be the place where all the finals will be hosted and the dates are March 14, 15 and 16, 1985.

Regionally a great many things have to be organized and coordinated before finalists can be sent to Flin Flon.

A plenary meeting took place in Pine Falls on August 28th, 1985. The Eastman Games committee together with the Eastman Sports Development Association met with members of the Provincial Sport Directorate to begin ironing out some of the details.

The regional games are slated for January to mid-February, 1986. Finalists will be determined in the following categories: badminton, basketball, broomball, curling, hockey, ringette, cross-country skiing, volleyball and the new addition special olympics (sports events for the mentally handicapped).

All teams and clubs which have participated in the past, or would like to become involved this season in these exciting competitions — stay tuned as a schedule of events will become available.

Eastman Games Committee hold Manitoba Winter Games flag to gear up for Winter Games 1986. Left to right: Louise Keefe (secretary E.S.D.A.), Carin Lewis (president), Cal Howard (recreation director St. Pierre), Donald McDonald (Eastman Games chairman), Marion Mitchell (E.S.D.A. sports co-ordinator), Wayne Rudd (E.S.D.A. chairman), Rick Lambert (sport directorate), Gayle Brown (Culture, Heritage and Recreation Beausejour), Ted Bigelow (sport directorate).

## POWerview CHAPTER, MANITOBA METIS FEDERATION CALLS FOR VOLUNTEERS

by Rhonda Houston  
Powerview Metis Days  
Steering Committee

Allow us to introduce ourselves. We are fund-raisers and organizers for the first annual Powerview Metis Days, to be held on September 28th and 29th, 1985 in Powerview, Manitoba. 1985 is also the centenary of the death of Louis Riel.

This being our premiere celebration, we are faced with the task of staging this event with virtually no start-up funds. Therefore, we would be honored and most grateful if you would consider the volunteering of your services towards this much anticipated event.

We are hopeful that we will receive a favourable response so that we may be able to offer a wide array of activities for the young and old.

At this time we would like to leave it up to you as to what activity you would most likely be wanting to participate in, and any particular time slot that would be most convenient for you.

Due to the amount of time that we have to plan this event we are setting a deadline for volunteers for September 14th, 1985.

### Meeting date

There will be a volunteer meeting following on September 16th, 1985, 7:00 p.m. at the

## MRAC open house coming

The Manitou Rapids Arts Council has an exciting fall schedule lined up, with something for everyone.

Upcoming workshops will feature cake decorating and a course in sewing for children. Other possibilities to follow are workshops in clogging and beginner mechanics.

Before all this gets underway, Open House '85 will be held September 28th in the St. Georges Community Centre. From 1:00 p.m. to 5:00 p.m. the centre will be alive with displays, exhibits and lots of food! As this year's theme is "Our Ethno-Cultural Roots", we will be featuring the arts and crafts, costumes and food of many of our community's diverse cultural backgrounds. As in past years, the St. Georges Historical Society (museum) will be open to the public free of charge.

An evening program will entertain you with a variety of acts — a jazz band from Winnipeg, a group of young mime artists, and musicians from our own community. We know you'll enjoy the whole evening!

Manitoba Metis Federation, Southeast Region board room. Located in the "blue and white" trailer at Pedden's Place.

### Entertainment

Two dances will be held on September 28 and 29 with Frank Malo and Eileen Howard and Band, performing respectively.

## Rocki Rolletti entertains at Ol' Kings Western Days

The Pine Falls and district Ol' Kings Hockey Club can look back on a very satisfactory two-day weekend of dance and entertainment.

The Pine Falls Arena was buzzing with people and music, both on Saturday, August 31st and Sunday, September 1st.

Wheels of Fortune spun and the dunk tank was continuously

This will take place in the Powerview Arena.

Other activities will include: adult and children's games, mixed baseball tournament, etc.

We would be more than happy to provide you with all the information you'll need. We can be reached at 367-2258. We eagerly await your reply.

occupied by willing victims.

Up and coming rock star Rocki Rolletti and his band put the crowd through some frantic pacing, much to the delight of the large number of 18 to 30 year olds. More than 1500 people attended both evening dances.

One has to hand it to this organization, the volunteers know how to run this annual event and they run it well.

## Hunters to wear more blaze-orange

Hunters will have to wear additional blaze-orange while hunting big game this year. These changes are designed to make big game hunters more visible and thus further reduce the likelihood of hunting accidents, say Natural Resources Department officials.

Big game hunters will now be required to wear a blaze-orange hat plus 400 square inches (2,500 sq. cm.) of blaze-orange above the waist and visible from all sides. Hunters may wear additional blaze-orange if desired and this is recommended when in heavily hunted areas. (The previous regulations stated a blaze-orange hat must be worn, plus a complete outer suit of white, or blaze-orange, or a combination of the two.)

Very few accidents occur in big game hunting seasons and the new hunter dress regulation should reduce the number further, officials say. In the last three years, there have been two fatal and nine non-fatal hunting accidents during big game seasons.

They report that the dress

regulation complements an effective provincial hunter safety and firearm training program. Graduation from the program is required by all hunters under 19 years of age or first time hunters. Persons interested in taking the hunter safety and firearm training program should call Winnipeg 945-6644.
