

Public hearing slated for Dufour's lagoon and Cheurefils' District Water Co-op

by Pyteke Blaauw
North of the Winnipeg River, in the L.G.D. of Alexander, Mr. Dave Dufour has been operating a trailer court for the past twelve years. To service the approximately 30 trailer home, Mr. Dufour installed water and sewer lines. The pumphouse, which draws the water from the Winnipeg River not only supplies drinking water for the trailer court but also services approximately 40 households located in the Cheurefils' district, on the west side of Hwy. 304.

Public hearing

Public health inspections as well as allegations made by area residents concerning lagoon overflow and impure matter seen in nearby ditches resulted in the calling of a public hearing by the Clean Environment Commission, set for May 22 in the St. Georges Community Centre.

The general public was invited to register their written complaints by mid-March to said commission. When *The Winnipeg River Review* contacted the Department of Environment on April 17 it was told that no writ-

ten complaints had been received, but that a hearing would still be scheduled.

Lagoon

Only the trailers in the court are connected to the sewage system and the lagoon in question. As Mr. Dufour explained, all effluent is pumped in a large holding tank, where the solids stay behind. Then it is pumped to two smaller tanks before the "grey water" is drained in the lagoon on the west side of the trailer court.

According to Dufour, the water in the lagoon is relatively clean and the odour is minimal.

Every six weeks the solids are pumped out of the holding tanks.

Environmental control services

All private and municipal sewage systems are subject to governmental inspection. Says Dufour, "Twelve years ago, when this system was installed, things were somewhat easier." When in February 1986 Dufour received a notice from the See **PUBLIC / page 2**

Abitibi-Prices pledges \$25,000 to Powerview rink artificial ice project

by Pyteke Blaauw

A \$5000.00 first installment of a total pledge of \$25,000 to the artificial ice project of the Powerview Athletic Association was received from Abitibi-Price Paper Mill in Pine Falls.

Mr. George Harbottle, fundraising chairman for this project, recently met with Mr. Bruce Hansen, mill manager to receive this first cheque. The remaining

\$20,000 will be transferred to the P.A.A. account over the next two years. It is anticipated that the mill's donation will be matched on a dollar for dollar basis by the employees.

A payroll deduction plan, for the duration of one year, is being proposed.

Estimated total cost \$250,000

To install artificial ice in the

Powerview rink will cost approximately \$250,000. From which at this time \$107,042 has been secured.

Last week word was received from the provincial government that the Manitoba Community Service Council has attributed \$25,000 to this project. Some \$75,000 less then was requested. "But," says Alain See **ABITIBI-PRICE / page 11**

Mr. George Harbottle (left) accepts cheque for P.A.A.'s artificial ice project from Mr. Bruce Hansen, manager of Abitibi-Price.

VOLUME NO. 1 ISSUE NO. 33 .35¢ WEDNESDAY, APRIL 30, 1986

Drainage problems and rock concert concern LGD

by Pyteke Blaauw

A very persistent landowner in Ward 11, insisted at the L.G.D. council meeting of Tuesday, April 22, 1986 that council clear out drainage ditches bordering his recently acquired farm land. Although sympathetic to Mr. Schwark's need to farm on properly drained land, Reeve Thompson nevertheless pointed to the fact that council would have to study the cost involved. Every year a certain amount of funds and manpower is set aside to maintain and clear ditches. But if ditches near Mr. Schwark's land are not on the "to be cleared" list, council will

have difficulty allocating machinery to that area. To further complicate matters council stated that the Department of Highways is planning to upgrade this section of road, and in doing so will assume responsibility for the maintenance of the ditches. Council made it plain that when such plans are in the offing, no municipality is going to spend time and money to clean such ditches beforehand.

Councillor for Ward 11 — Nick Roman agreed to visit the parcel of land together with the landowner.

No Grand Beach Jam

R.C.M.P. officer Jim Tudball from the detachment in Grand Marais, outlined to council matters of security in regards to a planned rock concert on the August 2 long weekend in the Grand Beach area. The promoter Bruce Rathbone, from Nite Out Entertainment, needs permission from the L.G.D. of Alexander as well as from the R.M. of St. Clements to host such an event there.

Officer Tudball made it quite plain that from the point of security, the area could not be

considered suitable to accommodate an anticipated crowd of 10,000 per day.

In 1985 a similar concert only attracted an audience of 3,000 per day, due to inclement weather, and this already according to Tudball had resulted in general bedlam.

Council then resolved to deny Nite Out Entertainment to host further concerts known as "Grand Beach Jam".

Request for fast food outlet on Hwy. 59 denied

In view of the fact that the Winnipeg River District Planning Board is currently discussing a general development plan, it was considered unwise to rezone a certain parcel of land, east of the Hwy. 59, for the purpose of allowing Clifton Trainor to open up a fast food stand. Mr. Trainor can re-apply in 1987, by that time commercial areas should be identified by the planning board.

Mr. Peter Mignon, developer in the Traverse Bay area, expressed his concern of having to declare property in front of his own residence a "public See **LG D / page 10**

School addition not a very pressing matter

by Pyteke Blaauw

In early March 1986, government officials announced that the proposed addition to the Powerview School was approved in principle. A short written confirmation followed, but that has been the last official word either principal Steve Meszaros or superintendent of the Agassiz School Division, Mike Czuboka have heard about the matter.

Shops and home-ec

The initial proposal made by the Agassiz School Division to the Department of Education concern 3500 square feet to incorporate Industrial Arts classrooms (i.e. shops) and 1800 square feet for Home Economics classrooms under the Powerview School roof. At present the

Grade 7, 8 and 9 students from both the Powerview and Pine Falls schools travel one out of every eight days to the Senior School in Lac du Bonnet to take these courses there. In terms of numbers, this entails 100 students from Powerview and 44 from Pine Falls.

Staff and administration of the Powerview School would very much like to "get on" with the plans. Or at least look at some drawings. But with the recent transition of education ministers, due to the provincial election, it appears that the addition to the Powerview School is not considered a very pressing matter.

Says Mike Czuboka, "The In- See **SCHOOL / page 2**

86-11-05
LEGISLATIVE LIBRARY
200 VAUGHAN STREET
WINNIPEG, MAN.
R3L 1T5

Public hearing for lagoon, Water Co-op

government outlining recommendations to improve the system, he was not at all surprised. In this three-page document rules and regulations are set forth, which will have to be complied with if Mr. Dufour wants to keep a license to operate this sewage lagoon. Although the details are fairly technical the document stated that the system needs expansion or modification; that the release of offensive odours needs to be minimized

and that the open air lagoon needs to be fenced in and that under no circumstances effluent is discharged along the drainage route.

Mr. Dufour is fully prepared to make the appropriate changes, but states that it will be costly.

Chevreffils' District Water Co-op

In early 1985 a group of people under the chairmanship of Albert Chevreffils formed the Chevreffils' District Water Co-op. (Editor's note: *The Winnipeg River Review* ran an article on the co-op on November 20, 1985).

The aim of the co-op is to construct a central water and sewage system available to all residents in the area. This includes the Dufour trailer court. The co-op is still in a preparatory stage. "But," says Dave Dufour, "what point is there for me to spend between \$10,000 and \$20,000 on the improvement of my lagoon, when within a year I will be charged for the connection to the central system!"

The price for the connection of the trailer court to the central system is presently under negotiations. Says Paul Lamoureux, one of the directors of the water co-op board, "We invited Dave to our meeting on Tuesday, April 22, 1986, we made some propositions and the mood is positive!"

Some members of the Chevreffils' District Water Co-op are planning to attend the upcoming public hearing on May 22, and everyone is hoping the outcome will be a mutually agreeable one.

School addition not a pressing matter

continued from page 1
dustrial Arts Classes have to be newly constructed, since very specific standards have to be met." This in terms of higher ceilings, special ventilation requirements, etc. Whether or not the Home Economics department can be incorporated in existing classrooms, or whether a new structure will go up for this section is uncertain as yet.

Christmas 1987

Czuboka predicts that the added facilities would be ready for occupation by Christmas 1987. "From past experience we have learned that it takes approximately 18 months from the time of approval to the actual occupancy date!" said the superintendent.

To transport 144 students 45 km to attend shops is a tedious and time consuming method. It is advantageous that these students have access to some vocational training, but it would be more effective if taken right on their home turf. The Department of Education has recognized that. It now depends on how fast these plans can be implemented.

Rupertsland MLA responsible for Native Affairs

Hon. Elijah Harper, Minister without Portfolio responsible for Native Affairs.

Elijah Harper, 36, served as the chief of the Red Sucker Lake Band from 1977 until his election to the legislature in 1981. He was re-elected March 18, 1986 and sworn in April 17 as Minister without Portfolio responsible for Native Affairs.

Born in Red Sucker Lake, he attended high school in Winnipeg and then the University of Manitoba.

He was active in the former Manitoba Indian Brotherhood, working as a community development officer in Red Sucker Lake from 1972 to 1973. In 1974, he served as a community development area supervisor in Thompson.

He also worked as an analyst for the Department of Northern Affairs from 1975 to 1977 on the Special ARDA — Northern Development Agreement. Mr. Harper is currently the chairperson of the Working Group on Northern Hydro Development; co-chairperson of the Native Affairs Committee of Cabinet and Legislative Assistant to the Minister of Northern Affairs.

He and his wife, Elizabeth, have four children.

CALENDAR OF EVENTS

• **Wednesday, May 7 — 7:00 p.m.** Great Falls Women's Institute fashion show, tea and bake sale. Great Falls Community Hall. Raffle at the door.

• **Thursday, May 1 — 9:00 a.m. - 3:30 p.m.** Open House Tea and Bake Sale and Art Exhibits. Powerview School, Powerview.

• **Thursday, May 1 — 8:00 p.m.** Pine Falls Playground Committee presents: "Fitness Classes" for all shapes, May 1 to June 12, Monday and Thursday nights. Pine Falls School Gym, Pine Falls.

• **Saturday, May 3 — 9:00 a.m. - 3:00 p.m.** 4-H Club in Pine Falls and the Lazy Lopers 4-H Club in Great Falls will be having a spring clean-up Canada project. The project will be sponsored by the Dept. of Highways. The girls will be picking up garbage making our environment cleaner. Weather permitting. If it rains, it will commence on May 10.

• **Saturday, May 3 — 7:30 p.m.** Pine Falls Drama Club and Drama Students presents: "Confusions," three one-act plays by Allan Ayckbourn. Pine Falls School Gym, Pine Falls.

• **Saturday, May 3 — 12:00 noon.** Pine Falls Golf Club "Spring General Meeting." Pine Falls Golf Club house, Pine Falls. All members are encouraged to attend!

• **Sunday, May 4 — 2:30 p.m.** "Confusions." Pine Falls School Gym.

• **Monday, May 5 — 1:00 p.m.** Cribbage tournament. Golden Leisure Club, Pine Falls.

• **Monday, May 5 — 7:00 p.m.** 4-P Festival regular meeting. Townsite Office, Pine Falls. Everyone welcome!

• **Tuesday, May 6 — 7:00 p.m.** 4-H Club in Pine Falls presents: "Achievement Night." Pine Falls United Church hall, Pine Falls. There will be a fashion show and tea served.

• **Wednesday, May 7 — 9:30 a.m. - 3:30 p.m.** Agassiz Festival of the Arts "Performance Day." Powerview School, Powerview. Come out and enjoy Agassiz Festival's performance!

• **Wednesday, May 7 — 7:30 p.m.** Adult Day Care regular meeting. Townsite Office, Pine Falls.

• **Wednesday, May 7 — 7:00 p.m.** Opening of the Seventh Annual "Eastman Juried Art Exhibition." Cultural Centre, Anne Street, Ste. Anne, Man.

• **May 8, 9, 10, 11 — Hours to be determined.** "Eastman Juried Art Exhibition." Come out and enjoy five spectacular days at the Art Exhibition!

• **Thursday, May 8 — 7:30 - 8:00 p.m.** Mountain View Bible College Singing group will perform. St. Michael's Church, Victoria Beach.

• **Tuesday, May 13 — Annual Meeting - Merry Makers.** Victoria Beach.

Annual Day of Mourning

April 28 will be observed by the trade union movement each year as the "Day of Mourning" in remembrance of the thousands of workers killed and the millions injured on the job.

The date was picked by the Canadian Labour Congress (C.L.C.) executive council because it was the day the first Workers Compensation Act in Canada received its third reading in 1914, said Horst Sommerfeld, Regional Man. Federation of Labour vice-president.

The decision was first announced February 5, 1986 by C.L.C. president Dennis McDermott and urged unions across the country to celebrate the day of mourning, it will be held in conjunction of the C.L.C. bi-annual convention which falls on April 28.

Statistics still show, said vice-president Sommerfeld, that deaths from industrial injuries are still running at around a thousand a year and every year there are around a million work injuries — this represents an injury every six seconds and a death every two hours of the working day.

President Dennis McDermott pointed out that work-related fatalities, injury and disease in Canada accounted for 15.8 million workdays lost in 1981.

"The situation is simply intolerable," he said. "I hope that the day of mourning will focus attention on the plight of the injured workers and lead to the progression and total elimination of death, injury and disease at work."

APRIL IS CANCER MONTH

April is Cancer Month and the Cancer Society is working to improve both information and services available to the residents in Eastern Manitoba.

At a meeting to be held on May 7 at the Masons Hall, 3rd Street, Beausejour, staff from the Cancer Society office will be on hand to present cancer information and to find out what needs to be done in the region.

Some areas have regional offices, but the Eastern Region is coordinated from Winnipeg. The programs include kits of information and presentations for service groups, seniors, schools, and the public at large.

New information kits are available on the connection between diet and cancer and skin cancer. This information shows the connections that have been made between low fibre and high fat diets and the increased incidence of cancer, and the increased risk of skin cancer for those who are exposed to the sun for extended periods of time.

The programs available include visits to cancer patients by others who have recovered from the same or similar cancers both in hospital and once the patient has returned home.

The Beausejour meeting will be comprised of two parts. The first part will be a session on information which is open to everyone who wishes to attend.

The second half will deal with the expressed concerns of those in the Eastern Region and how best the needs might be met. Anyone wishing to attend is welcome to stay.

In Lac du Bonnet, the annual campaign for funds comes under the United Way umbrella. As a result, contact people who are interested in promoting the information and services available are not known by the staff in the Winnipeg office.

Anyone interested but unable to attend the May 7 meeting is asked to call Karen Steiner at Box 297, Whitemouth or call 348-2640.

formation which is open to everyone who wishes to attend. The second half will deal with the expressed concerns of those in the Eastern Region and how best the needs might be met. Anyone wishing to attend is welcome to stay.

Anyone interested but unable to attend the May 7 meeting is asked to call Karen Steiner at Box 297, Whitemouth or call 348-2640.

The book nook

Upcoming events will be a display of a selection of new children and teen books at the Powerview School open house and spring tea.

The theme in the library is "The ABC of Authors" when each week adult fiction books by authors whose last names begin with the same letter of the alphabet will be displayed. We'll be starting with the letter A with authors such as Auel, Anthony, Anster, etc. So drop by and glance through the display and see what a variety of reading material is available. A good book fires the imagination, inspires thought and uplifts the spirit.

Please note for those who registered for the McPhee workshop — the one-day quick cost session will be held this Saturday, May 3 from 10:00 a.m. to 4:00 p.m. Bring a lunch, coffee and tea will be served.

Man. Community Newspapers deliver one million 'impressions' every week

Survey results show high readership, long issue life for weekly newspapers

A new survey has revealed that Manitoba's community weekly newspapers deliver more than one million "impressions" every week — a measure of the number of readers per copy and the number of times each reader refers to the newspaper while it is in the home.

The survey, of a random sample of Manitoba households which receive community newspapers, was commissioned by the Manitoba Community Newspapers Association, and was conducted in November and December of 1985 by an independent survey research firm.

The survey showed that: Community weekly newspapers remain in the home a long time — in non-metro areas, for example, almost 60 percent keep their newspaper a full week or more;

Community newspapers have multiple readers per copy;

Many community newspaper readers refer to their newspapers more than once while those newspapers are in their homes.

By multiplying the number of readers per copy by the number of times each reader refers to the newspaper while it is in the home, it is possible to measure the total number of "impressions" delivered by the newspaper — the total number of opportunities for a news item, feature, or advertisement to be noticed and read.

Every week, Manitoba's community weekly newspapers circulate a quarter of a million copies to their readers — 180,709 in non-metro areas, and 69,491 in suburban Winnipeg.

In non-metro areas, communi-

ty newspapers deliver 2.36 readers per copy (426,473 readers per week) — for a total of 577,963 readers per week in Manitoba.

When the number of times each reader refers to his or her community newspaper is considered, the survey indicates:

- Non-metro community newspapers deliver 4.68 impressions per copy, or 845,718 impressions per week;
- Suburban community newspapers deliver 2.96 impressions per copy, or 205,693 impressions per week;
- The total number of impressions delivered each week by Manitoba's community weekly newspapers is 1,051,411.

The survey results confirm that the actual audience delivered by community weekly newspapers is far greater than just the circulation totals for the newspapers.

In non-metro areas, the number of opportunities for an advertisement in a community newspaper is to be seen by a potential customer is almost five times the circulation figure for that newspaper. To put that another way, an average Manitoba non-metro communi-

ty newspaper, if it had a circulation of 3,000, would deliver almost 15,000 impressions during the time it is in readers' homes.

In suburban areas, the number of opportunities for an advertisement in a community newspaper to be seen by a potential customer is almost three times the circulation figure for that newspaper. A suburban community newspaper with a circulation of 10,000 would deliver almost 30,000 impressions during the time it is in readers' homes.

The survey was developed for the Manitoba Community Newspapers Association by Communications Management Inc., a Winnipeg consulting firm, and the survey field work and tabulation were done by the Results Group, a Winnipeg-based survey organization.

A total of 682 respondents were interviewed by telephone, in Manitoba households which receive community weekly newspapers — 386 households in non-metro areas, and 296 households in suburban Winnipeg. The households were selected from a random sample designed to match the geographic distribution of population in the province.

LETTERS TO THE EDITOR

Liberal presence felt and heard

On behalf of The Liberal Party of Manitoba, my wife and myself, I would like to extend my most deepest appreciation to those individuals who supported my candidacy.

We can take heart in knowing that throughout the election campaign, the Liberal presence was felt and heard. Although we were not victorious there is a solid foundation from which to build. It is not so easy to offset many years of party inactivity in such a short period of time.

The possibility of success in the future will no doubt be greatly improved. Each and everyone of us must work towards ensuring that the momentum that was made can be sustained.

It was a good campaign with a valiant effort made by all. You are to be congratulated for your part in raising The Liberal percentage of the popular vote.

The Liberal Party is the party of the people. It represents the ideals and aspirations of all Canadians. The Liberal Party stands firm in its commitment to providing a future for the young and aged, where economic prosperity is a reality. We must not lose sight of this perspective.

With kindest personal regards, I remain,
Jerry Fontaine.

LET'S SEE YOU DO IT... OUTDOORS!

Lenore Bartlett (left) in conversation with Gwen Welsh (right) at the farewell tea in her honor on April 25 at the Manitou Lodge in Pine Falls.

Friends bid farewell to long-time resident

by Pytke Blauw

After 35 years it is hard to say goodbye. But 80 friends of Lenore Bartlett crowded in the Lounge of the Manitou Lodge in Pine Falls on Friday afternoon this 25th of April to wish her all the best in her new home in Sunridge, near North Bay, Ontario.

This was the first time in the history of Pine Falls, where the wife of a retiring or transferred employee of Abitibi-Price was publicly honored by the members of the community independent of her husband. Traditionally the couple becomes the guest of honor at a community farewell party. It is as such occasion that primary emphasis is placed on the retiree, in this case Brock Bartlett, retiring woods department manager.

Pillar in the community

In the 35 years of the Bartlett's residence in Pine Falls, Lenore became very visible and respected member in the community. This social gathering paid tribute to her and allowed many friends to exchange some personal words with her, before the couple's moving date, planned for the middle of May. The position of

Abitibi-Price's Woodsmanager will be assumed by Mr. David Chown, who together with his wife Vivian, will shortly move permanently to Pine Falls from Iroquois Falls.

MC Mrs. Marium Frayne called Lenore "Pine Falls' own Welcome Wagon." Many in attendance could bear witness to Lenore's all encompassing care and compassion.

Lenore held offices in many of the volunteer organizations in the community. Presentations were made by: Mrs. Sandra Hansen on behalf of the United Church Women; Mrs. Mary McLeod for the Health Auxiliary; Mrs. Ann Cavers for the Pine Falls Public Library; Mrs. Edna Fortier on behalf of the United Appeal. Gifts ranged from life memberships to collective works by Robert Bateman. Even in her "thank you" speeches, Mrs. Bartlett did not miss the chance to promote the value of the various community institutions.

A symbolic meaning could be attached to the "Gift From Friends," a log for the new home fires, nestled in a brass woodbin. This was presented by Mrs. Mary Power, who also represented the 8 member organizing committee.

Winnipeg River Women's Institute news

by Cathleen Thurston

The entire April 15 meeting of the WRWI was dedicated to business with the exception of the educational topic which was presented by Evelyn Litchfield. Her topic was Citizenship and Legislation which tied in with the fact that it was Citizenship Week in Canada.

The main thrust of her presentation was that as citizens it is our responsibility to keep informed and make responsible decisions, not only for the individual but for society as a whole.

Donations are still needed for the new shelter for abused women and children in Steinbach. Gifts of women and children's clothing, bedding, toiletries, etc., are needed. Please contact Marjorie Thomson at 367-8032.

Barbara Mitchell and Renate Johnson attended the Spring Convention in Ridgeville on April 10. Barbara was elected Regional Representative to the Provincial Board. Congratulations from all WRWI members! Next year's Spring Convention will be held here, but more about that at a later date.

The main point of business was the voting on 18 resolutions presented by various Manitoba WI. These resolutions involved such topics as the safe operation of farm vehicles, the Young Offenders Act, the Canada Pension Plan, the right to die with dignity and midwifery; plus many more. These resolutions will be voted on a second time by the WI delegates at the Provincial Convention and those passed will be presented to the governing bodies concerned. It is in this way that WI tries to help improve the quality of life in our own country.

The gift-of-the-month was a wooden carving of a bird presented to Sharon Ogg.

The next meeting of the WRWI will be May 20 at 7:00 p.m. in the reading room of the Librarie Allard. The program will be Car Repairs and the educational topic is Canadian Industries presented by Barbara Mitchell. Please note the earlier starting time — this will be the starting time of all future meetings. New members welcome.

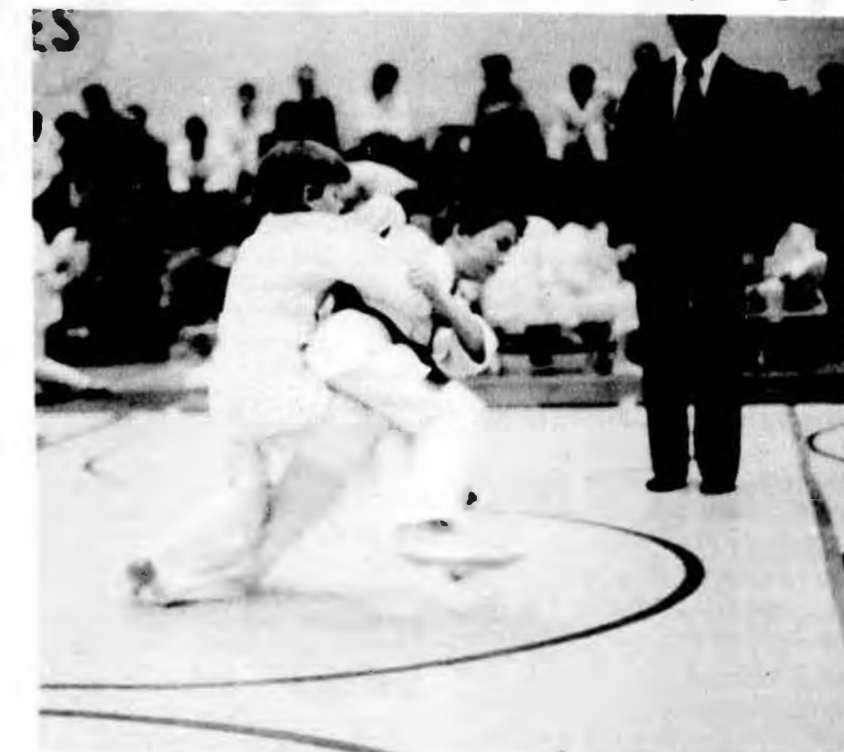

Local judokas make excellent showing

by Andrew Russell

On Saturday, April 12, the Pine Falls Judo Club made its tournament debut at the Portage la Prairie Judo open. Due to their own hard work and self-discipline all judokas made an excellent showing and three medals were brought home.

Those who placed were: Sheila Hills (white belt) — silver medal; Stephen Cooper (white belt) — silver medal; Jonathan Cooper (yellow belt) — bronze medal.

In addition, the following yellow belts Cassandra Watson, Jamie Berthelette, Chris Dawson, Kirby Papineau and Chris Schmidt and white belt Charlton Cooper fought with enthusiasm and good style.

Jamie Berthelette attempting a throw on Charlton Cooper.

Medal winners (l-r): Sheila Hills, silver; Jonathan Cooper, bronze; Stephen Cooper, silver.

RECREATION NEWS and VIEWS

by Peggy Boyle

I do believe that summer is just around the corner. Soon baseball games, frisbees and bicycles will be seen smoking away, the smell of barbecued food wafting through the air. My barbecue has been smoking already, but that could have something to do with the fact that I am not a great barbecuer, yet!

I keep trying to bring on summer by washing my truck, but the last time I tried that, it snowed! So, if you see this disgustingly dirty truck, it just might be me.

Good news for kids between ages 5 and 12. The Career Start '86 grants have been received which means the summer playground program will go ahead as planned. To facilitate this program, one recreation leader and one playground leader are required. Watch for advertisement in this paper for those jobs.

The summer playground program will be a program for children aged 5-12 years. It will involve arts, crafts, games, walks and a variety of other funtime

activities. It will run for eight weeks, and be moved into four different locations. (It will be held for two weeks in Pine Falls, two weeks in Powerview, two weeks in St. Georges and two weeks in Great Falls.) Registration information will come to you through this column and also to the children at their school.

Presently, there are Tae Kwon Do classes being offered by the Octagon Fitness Centre (of Selkirk) at Powerview School every Friday night at 5:30 p.m. The cost is \$50.00 for three months during which time you can also use the facilities in Selkirk as well as the weekly classes in Powerview. The classes are taught by Rob Robinson and Bruce Bell.

The MRAC is offering an Auto Mechanic course for all car owner/drivers. The course is being taught by Bill Jordan, the cost is \$30.00. The course begins April 29 (Tuesday) at 7:30 p.m. For more information, call Arts Council office at 367-8785 between 9 a.m. - 4 p.m.

Talk to you next week!

St. Georges sand bag league news

by Rita Fontaine

Sunday, April 20, 1986 marked the wind-up of the sand bag season. There was a supper put on by the ladies, and a delicious supper it was. There were trophies given out for team participation and individual awards for highest averages, highest squares, highest spare, best sportsmen and sportsmen. There were 23 awards given out for perfect game attendance for the sand bag season.

Following are the award winners:

Highest team of the year — Ted Dupont, Marcel Roy, Berthe Jubinville and Julie Lavoie. Playoff team winners — Della Fisher, Ludger Jubinville, Ubald Duclaus and Eugenie (E) Vincent; runners-up — Marg Boyer, Zephir Chevretils, Alfred Guimond and Zeb Meilleur.

Highest average — men's — Josephat Vincent; women's — Rita Fontaine. Highest square — men's — Victor Vincent; women's — Eugenie (A) Vincent. Highest spare — Cecile Fontaine.

Best sportsmen award — George Kemball; best sportswomen award — Florence

Vincent. Perfect attendance — Josephat Vincent, Rita Fontaine, Victor Vincent, Ted Dupont, Jean Dupont, Annette Dupont, Julie Lavoie, Carolus Vincent, Horace Nault, Andre Dupont, Paul Fisher, Eugenie (A) Vincent, Evelyn Tardiff, Robert Boyer, Alfred Guimond, Edgar Vincent, Zephir Chevretils, Roland Boulet, Antoinette Vincent, Henry Fontaine, Rene Vincent, Sylvio Chevretils and Germaine Dupont. These people were awarded a glass with the sand bag emblem stamped on it. Congratulations to all the trophy winners, and seeing they were such nice trophies, we hope everyone will try that much harder next season to try to win one. Again thank you to everyone who helped in one way or other.

PINE FALLS RECREATION ASSOCIATION
Annual General Meeting
MONDAY, MAY 12, 1986
7:00 p.m.
Golden Leisure Club
Everyone welcome!

THE GARDEN PLOT

by Cathleen Thurston

Hello fellow gardeners and horticultural society members. Welcome to what we hope will become a regular feature of *The Winnipeg River Review*.

The purpose behind this column is to keep you informed of Pine Falls Horticultural Society events, answer your gardening

questions and pass on some useful gardening tips and suggestions.

If you have any questions, tips or suggestions drop them off at *The Winnipeg River Review* office. Please include your name and phone number so we can call you if we have a problem with your question. We will try to answer all questions submitted but please be patient with us as this will take time.

The Pine Falls Horticultural Society will be holding monthly meetings from now on. The meetings will be held at 7:00 p.m. on the first Tuesday of each month at the Golden Leisure Club. Our first meeting will be on May 6 with a slide show

"Planning Your Vegetable Garden". June 3 will be a presentation on planting with transplant by Roger Brown, gardener at Government House. Hope to see everyone at the May meeting.

The following gardening tip was submitted by Mrs. Bernice Phillips to help start us off. If you have a problem with slugs in your garden here is a method you might try. Set a pan of beer out in your garden overnight. The next morning the container will be full of slugs, either dead or dead drunk. One gardener who tried this method reported the casualties to be 1,000 slugs in three days.

Happy gardening!

PINE FALLS PLAYGROUND COMMITTEE

presents **FITNESS CLASSES** for all shapes

This class will teach you: how to exercise safely; how to lose weight safely; how to have fun doing it.

INSTRUCTORS: Susan Storry, Loral Roper, Judy Phipps
DATE: Starts May 1 - June 12, Monday and Thursday night
TIME: 8:00 p.m.
PLACE: Pine Falls School gym
COST: \$20.00

To register, call SUSAN STORRY at 367-2135

ATTENTION

MODERN DAIRIES is extending their campaign for another year. All you have to do is clip the "Universal Product Codes" out of all Beatrice Products and drop them off in the box at: The Bay, Lazaruk's or Osis Building Supplies. This campaign is to raise money for minor sports teams, but the Pineview Atoms, our registered team, will turn over all the cheques to the POWERVIEW ARTIFICIAL ICE FUND.

We have a lot of children in our communities which use the ice for one reason or another, so please nag your parents, uncles, aunts, grandparents, friends, and neighbors to collect the UPC Codes for you.

On the last Saturday of every month, the codes will be picked up at the three locations, counted up and sent in. There are BONUS money prizes to be won every month for submitting the most codes. It's not a hard thing to do, so let's get together and start making money by clipping codes.

Local Government District of Alexander council minutes

Minutes of a regular meeting of the council of the Local Government District of Alexander held in the council chambers of the district on Tuesday, April 22, 1986 at 7:00 p.m.
Present: Fran Thompson, Reeve; W.J. (Bill) Eisler, Councillor - Ward I; Nick Roman, Councillor - Ward II; Peter Raymond, Councillor - Ward III; Mary Ann Grewinski, Councillor - Ward IV; R. Bouvier, Resident Administrator.
Others present: Pytek Blasauw, *Winnipeg River Review* reporter; B.J. Trainor, developer; Desi Trainor, trucker; Jim Tudball, R.C.M.P.; Lyle Schwark, raterpayer; John Lachance, raterpayer; Peter Mignon, developer.
READING and CONFIRMING OF MINUTES
Resolution No. 157/86: Peter N. Raymond - Nick Roman RESOLVED that the minutes of the regular meeting of April 8, 1986 be adopted as circulated. Carried.

REPORTS OF STANDING COMMITTEES:

Ward I — Bill Eisler — No report.

Ward II — Nick Roman — No report.

Ward III — Peter Raymond — Councillor Raymond reported on his attendance to a regular meeting of the Winnipeg River Recreation District on April 16, 1986. General business and review of Career Start program were discussed.

Ward IV — Mary Ann Grewinski — Councillor Grewinski reported on her attendance to a Lac du Bonnet Day Care regular meeting on April 16, 1986.

Reeve Fran Thompson — Reeve Thompson reported on her attendance to a meeting between representatives of municipalities within the Lord Selkirk School Division No. 11 and the board trustees. The proposed 1986 budget expenditures were reviewed and discussed by all present. Reeve Thompson reported on her attendance to the Win-

nipeg River Recreation District open house held in St. Georges on April 17, 1986. Reeve Thompson also reported on her attendance to a "proclamation ceremony" with the Town of Pine Falls and the Village of Powerview proclaiming National Organ Week.

Resident Administrator — R. Bouvier — Presented copies of the Public Works Dept. work plan for the week of April 21 - 25, 1986 and reported on the work done in the previous week. R. Bouvier also updated council on the repair of the 40B Massey tractor in Winnipeg.

HEARING DELEGATIONS:
Lyle Schwark met with council to request drainage west and south of SW 1-16-8E. Mr. Schwark advised that the work could be done by the grader. Councillor Roman agreed to inspect the site with Mr. Schwark.

Peter Mignon met with council to review his application to subdivide on Pt. SW 31-19-8E consisting of 15

seasonal lots (see Resolution No. 158/86).

B.J. Trainor and Desi Trainor met with council to discuss various matters e.g. variances, graveling, subdivisions.

Jim Tudball, R.C.M.P. — Grand Marais detachment, met with council to discuss the proposed "Grand Beach Jam" concert to be held in the Jackfish Lake area during the summer months. Cpl. Tudball expressed his concerns to council in regards to the past activities at the concert sites (see Resolution No. 158/86).

VICTORIA BEACH NEWS

by Dorothy Gregory and Jocelyn Monsen

Young people's singing group

Six young people from Mountain View Bible College, Didsbury, Alberta, will be at St. Michael's Church, Victoria Beach, on Thursday, May 8 at 7:30 p.m. They are travelling in Canada and the United States. Please come and bring the family to hear this happy group — Carla Blosser, Denise Flinn, Judy Dickering, Doug Herbert, Robert Lischel and Alan Calvin. They are being hosted by the young people of Victoria Beach. Refreshments will be served following the entertainment.

Merry Makers

Do not forget the annual meeting of this group to elect officers for the coming year on Tuesday, May 13. The spring rummage sale has been cancelled and will be held in the autumn.

Seniors

A potluck supper was held on Thursday, April 22 to celebrate the wind-up of bowling. It was obvious that the Seniors have not lost their cooking talents as the dishes served were superb. Following the meal the bowling trophies and prizes were handed out by the club president, Betty

Randle. The high aggregate trophy was won this year by Nellie Danwich and her team of Edna Stewart, Elsie Parisian, Dick Lowing and Jack Gregory. Winners of the roll-off trophy were Jeannette Vivian and her team of Phyl Martin, Iris Muir, Jim Muir and Eileen Sutherland. Individual prizes were given to Flo Ferguson for ladies high average, Phyllis Paulson for ladies high single, Daisy Monsen for ladies high three, Robert Jonsson for mens high average, Sam Ateah for mens high single, and Jim Muir for mens high three. Consolation prizes went to Flo Ferguson's team and Jessie Ateah's team.

The next monthly meeting of the Seniors Club will be on Thursday, May 8 at 7:30 p.m.

Church notice

The next Anglican service at St. Michael's Church will be held on Sunday, May 5 at 11:00 a.m. As always, everyone is welcome.

Vegetarian recipe for muffins

Here is a recipe for delicious muffins requiring no eggs or dairy products.

- 2 cups wholewheat flour
- 1/2 tsp. baking powder
- 1 tsp. baking soda
- 1/2 tsp. salt
- 1 or more tsp. cinnamon,

- nutmeg, ginger and/or any other spices desired
- 1/2 cup brown sugar
- 1/2 cup vegetable oil
- 1 can unsweetened apple sauce
- 1 tsp. vanilla
- 1 cup raisins or currants or both
- 1/2 cup chopped walnuts and/or almonds, if desired

In large bowl sift flour, sugar, baking powder, salt, soda and spices using a colander for sifting. In separate bowl combine liquid ingredients. Add liquid to dry ingredients and mix lightly but well. Fold in fruit and nuts and fill 12 large muffin cups or 16 small ones. Bake at 350 degrees F for approx. 20 minutes.

This is a handy recipe to have on hand if you are allergic to dairy or eggs, or if you are in short supply of either, and these muffins are a meal in themselves.

Pine Falls Guides and Brownies tea and bake sale raises \$335

by D. Dowling Sr. Guide

The Pine Falls Guides and Brownies had their tea and bake sale on March 29 in the United Church from 7-9. We had a good turn out thanks to our parents and friends. We had a very good selection of baked goods and really nice crafts done by Brownies and Guides; also a White Elephant table. A beautiful centre piece for the table was donated and the winner was Mrs. Donnelly. The Cabbage Patch Clothes donated by Doris Popeil were just beautiful. There were six outfits and this was won by Nicole Sauve. The door prize donated by Lynda Rudd was by Creative Circle and was won by Mrs. G. Lafreniere. Between the parent group and the Guides and Brownies, \$335.00 was raised towards new tents for the girls. I'd like to take the opportunity to thank all the mothers who helped out in one way or another at the tea, and also for all the things made for the tables. Thank you, this was very much appreciated.

The Guides have been busy this year and are at present finishing off badges as the end of our year is fast approaching. We had nine Brownies walking and flying on the 17th of April and then will have two girls getting their all round cords.

The girls made table centre pieces for the tea and will also be used at Mother and Daughter Banquet. This was done with Marsha and Looch. Thanks so much, we've had a lot of compliments on them. Camp time is June 6, 7, and 8 at Birds Hill Park. We have several leaders taking their training for camp certificates so I wish you all good luck and I hope it doesn't rain. There will be two camp times again this year. Here's hoping summer cooperates.

Mountain View Bible College singing group from Didsbury, Alberta who are performing in Victoria Beach on May 8.

LGD denies fast food outlet

continued from page 1

reserve". This, explained resident administrator Roger Bouvier was necessary in order to obtain permission for the development of 15 lots.

For a seasonal resort area, Mr. Mignon is required by law to provide a public reserve area. Mr. Mignon, appeared eager to continue with the development plans, realized the force of the law and agreed to continue the necessary proceedings.

Naming of roads in Ward 1

All the main roads in Ward 1 (Traverse Bay, Lester Beach area) will have street signs in the very near future. This will help identify houses and general location, in case of the dispatching of ambulances, fire trucks or police, etc.

Gravelling policy

As soon as the road restrictions are lifted, the L.G.D. will have to apply new gravel to some of its roads.

Christy Power wins MLGA award

The Manitoba Ladies' Golf Association held their annual spring meeting last week at the Fort Gary Hotel in Winnipeg.

At this time Christy was named winner for the junior handicap reduction award. She reduced her handicap in 1985 from 35 to 26, which is a 20% reduction.

This award is open to all junior girls playing golf in the province.

Both Bert Trainor and Desi Trainor, who attended this council meeting stated their interest in executing this type of work for the L.G.D. Reeve Fran Thompson recalled last year's mix-up, when in the council's effort to be fair to all, a great number of local trucks had been given contracts to continue with the development, with the consequence that certain areas had received far more gravel than necessary, general confusion was paramount and the Department of Highways upset by the apparent waste.

"There is an obvious mutual benefit if the contracts stay with local trucking firms," stated Reeve Thompson. "But we will have to get them all around the table to discuss who will do what and where!"

Pineview Ringette winds up season with banquet

The Pineview Ringette Association hosted its annual ringette banquet on Sunday, April 20, 1986 in the Powerview Catholic Church basement.

At the annual Pineview ringette banquet on April 20 the executive for 1986-87 was elected. They are: president J.L. Guay, vice-president Maurice Vincent, past-president Mary Power, secretary Linda Wilcott, treasurer Heather Abrahamson,

referee co-ordinator Elaine Pinnell, coach development Glen Lowery, player development Wayne Martin, equipment manager Grant Dugard, fund-raising Linda Grenier, registrar Gloria Borody.

Tweens

Back row (l-r): Suzanne Gauthier, Lori Pakoo, Vera Fountaine, Anne Pakoo, Christy Power, Dana Boileau, Wendy Fountain (assist. coach), front row (l-r) Christy Fountain, Lana Cyr, Jo-Anne Lazaruk, Jennifer Guimond. Special achievement awards went to Christy Power, Tammy Donnelly (missing from picture) and Jennifer Guimond. Also missing were Jackie Pepin and Brian Donnelly (coach).

Pettites

Far back (l-r): Heather Ogg (assist. coach), Maurice Vincent (manager), Richard Fenez (coach). Back row (l-r): Heather Guimond, Shira Chochinov, Wendy LaForie, Roxanna Blauw, Danielle Fenez, Stacey Nobiss. Middle (l-r): Brandy Borody, Erin Wilcott, Michelle Breton, Joy Pineau.

Front (l-r): Shannon Lowrey, Michelle Dugard, Chantal Vincent, Lisa Cowan, Jenny Oakes. Special achievement awards were given to Danielle Fenez, Roxanna Blauw and Michelle Dugard.

Bunnies (7-8 year olds)

Back (l-r): Wayne Martin (manager), Alain Grenier (coach), Alaina (l-r): Jayme Guay, Kelly Pinnell, Chantal Vincent, Jody Wilcott. Front (l-r): Stacey Lamoureux, Marnie Tardiff, Nicole Grenier, Michelle Gauthier, Tracy Martin, Jaqueline Grenier, Roxanne Cowan.

Bunnies (5-6 year olds)

Back (l-r): Adrien Farmer and Julie Tardiff (assist. coaches), Alaina Wilcott (coach), Middle (l-r): Andrea Abrahamson (top of her head can only be seen), Meghan Lowrey, Jessica Blauw, Charlene Farmer, Laura Lee Chochinov, Janelle Vincent. Front (l-r): Sarah Keenan, Julie Fountain, Becky Tardiff, Lindsey Guay, Megan Wilcott, Teresa Wilcott. Missing: Tanya Earle.

Abitibi-Price pledges \$25,000 to artificial ice project

continued from page 1
Grenier, president of the P.A.A., "we are still very grateful!"

Twenty-five thousand dollars came out of P.A.A.'s own treasury, from funds raised through bingos, etc. The sale of sheets of ice has thus far generated \$9,300. The Winnipeg River Lions Club has pledged \$10,000, from which \$2,500 has been received.

To date, from the Papertown monthly receipts draw, coupons (Beatrice, etc.) and community dances revenue \$4,742 has materialized.

Bingos in 1985 generated \$8,000

And with the most recent donation of \$25,000 from Abitibi-Price the committee feels confident enough to start phase one of the project immediately.

Other fund-raising plans

Phase one will cost an estimated \$80,000. Depending on the success of further fund-raising activities, and more possible government funding.

Phase two (the actual mechanical installation of the artificial ice) will either begin in September 1986 or postponed till a later year.

The regular fund-raising schemes will continue.

Much will depend on the response to the payroll deduction plan for employees of Abitibi-Price. A radio-bingo on September 1, with a popular radio station in Portage la Prairie is planned. And the sale of individual yards of ice, aimed primarily at the business community will receive extra promotion from fund-raising chairman, Harbottle.

All in all the project is on its

way, thanks to the tenacity of a number of committed volunteers and overall community support.

Community groups to get more 'break-open' revenue

by Pyteke Blaauw

We all know break-open tickets, commonly known as Nevadas. For \$0.50 you take a chance of winning between \$1.00 to \$50.00. They are usually sold at bingo or at bonspiels or other community events. The changes implemented in 1984 affected the distribution of lottery and break-open tickets, the operation of bingo and casinos and the distribution of proceeds from gaming throughout the province. The tighter structure of the Manitoba Lotteries Foundation saw a significant increase in proceeds from all forms of gambling and particularly the break-open tickets.

In December 1985 Eugene Kostyra, then Minister responsible for the Manitoba Lotteries Foundation announced that effective January 1, 1986 contributions to the gaming fund from the sale of the break-open tickets would be reduced from eleven to six percent.

Says Joan Berthelette, spokesperson for the Pine Falls Curling Club, one of the five community organizations in the near vicinity, licensed to sell Nevadas, "That comes to an increase of revenue of \$57.00 per box".

Selling Nevadas, according to Berthelette is a "non-pressure sales" fund-raiser, and nets a

revenue of approximately \$900.00 per year. Each box contains 2275 tickets, and the curling club sold three-and-a-half boxes in the previous year. All during bonspiels.

In speaking to Garth Mannis, head of the M.L.F. he stated that the foundation carefully screens applications from organizations wanting to sell Nevadas. The proceeds of the lottery have to be allocated to special projects, be it for maintenance of buildings and/or equipment, they can be used for support of specific programs, and even towards meals and travel.

The Pine Falls Curling Club has this year donated five percent of the proceeds to the Pine Falls Playground committee. The remainder of the money will be put towards the cost for planned renovations of the curling club itself.

Knowing how many com-

munity organizations exist in this area, a surprisingly low number hold licences to sell Nevadas. They are besides the Curling club, the Sagkeeng Oldtimers Hockey Club, Fort Alexander Braves, Pine Falls Ol' Kings Hockey Club and the Powerview Social Club. The latter is not planning to extend its license in the next year.

In all of Manitoba there are 750 community organizations licensed to sell this product.

Even though Mr. Kostyra stated that with the reduction in fee a higher percentage of profits will stay within the community, the overall winner still is the Manitoba Lotteries Foundation. Reports Kostyra, "Through the efficient management of the Manitoba Lotteries Foundation proceeds from the gaming fund in 1984-85 was over \$30 million — double the revenue from the previous year."

New Democrats fill hall

The Brokenhead Community Hall was filled to near capacity by New Democrats from all zones of the Lac du Bonnet constituency April 23, 1986.

The occasion was the constituency annual meeting. Former

Minister of Municipal Affairs Andy Anstett was the guest speaker and delivered a strong and thought provoking speech in the challenges of Democratic socialism.

M.L.A. Clarence Baker made his first report to his constituency association and answered many serious questions from members.

The following were elected for the 1986 term: president Richard Kaweck, vice-president Walter Zarecki, secretary Pat Rattai, treasurer Frank Baker.

All committee heads were elected and the following resolution was passed for submission to cabinet and to the annual party meeting.

"WHEREAS local property tax is not based on ability to pay; and

WHEREAS the New Democratic Party believes that education finances should be based on ability to pay;

THEREFORE BE IT RESOLVED that the Government of Manitoba accelerate the reform of education finance and local property reassessment with the intent of dramatically reducing the burden of school taxes on productive agricultural land owned and/or farmed by Manitoba farmers."

Constable Gulliford in stable condition

by Pyteke Blaauw

Last week some disconcerting and alarming news regarding the deterioration in the condition of Constable Reginald Gulliford was reported in the provincial and national news media.

R.C.M.P. Constable Gulliford, stationed with the Powerview detachment, entered the St. Boniface Hospital on March 6, 1986, after a shooting incidence which killed Special Contable Rob Thomas and seriously injured Gulliford.

To repair the damage from a bullet wound in the lower intestines Gulliford was submitted to a 20-hour operation. Since that operation he had been in the intensive care unit. Infection in the main artery to the leg necessitated two subsequent operations in the past two weeks. But contrary to reports in the national press, Reg Gulliford is presently out of danger. He is still in the intensive care unit. As a matter of fact he never left it. It is hoped that his body responds well to the antibiotics and that no further infection will develop. He

is improving as well as can be expected. Gulliford lost considerable weight and his level of resistance is weakening.

When *The Winnipeg River Review* contacted the St. Boniface Hospital, it was quite obvious that the staff had strict orders not to communicate with the press.

When reports are distorted or exaggerated the family unduly suffers.

Reg Gulliford's struggle for life has become a national affair and even though the family appreciates the concern it also places an extra burden on the already heavy emotional strain.

Mrs. Lori Gulliford, together with daughter Courtney and Lori's mother have moved back to Powerview. Lori commutes daily to the hospital in St. Boniface to visit with Reg. Lori is touched by the concern expressed by the people in the community but wished people would refrain from calling her at home. She has very little time to be just by herself and her family. It is hoped we can respect her wishes.

Winnipeg River historical project group news

by Shellagh Geer

April showers bring May flowers, but what does May bring? The deadline date for submitting your family story to our history book.

It's not that difficult. Don't get hung up worrying about exact dates. This book will be a social and family history, not a text book. If you don't like writing, put your story on tape. Write it in either the first or third person, whichever you are more comfortable with. Take a few minutes of your spring cleaning to hunt for old photographs. They will be returned in good condition.

Don't worry about whether you've lived in the community long enough to qualify for inclusion in the book. No matter how long or short a time you've lived in a community you are part of what gives the community its personality and diversity.

We now have an office in the basement of the Pine Falls United Church and you can drop your story off there. Stories are now coming in at a brisk pace but we want more. We don't want anyone to be left out. This

is a once in a lifetime opportunity to have your family story immortalized in a beautiful hard cover book. Once the book goes to the printer it will be too late to say, "I wish I'd gotten in on that". Write your story today and help make our book a big success.
