

Agassiz school board meets

Committee wants Mac computers in schools

by Noreen Ostash

Computers, the addition at Powerview School and the meeting with English program kindergarten parents at Powerview were the major topics of discussion at the Agassiz School Division's April 21 meeting.

The board was dealing with several issues regarding the computers. First they had to agree that they would go along with the computer committee's recommendation that everyone use the Mac School System.

One of the objections to the system was that it is still being developed and some of the administrators wondered if they should wait until it had been tried and the bugs taken out. Committee member Gary Plohman pointed out that the program will be updated as it is developed.

There were also questions about whether the smaller schools would require the higher powered units.

The committee did not recommend going along with the principals' suggestion that the board budget for the purchase of the computers next year. The small schools grants can be used for computer purchases and the board feels that the money is already available. Schools will be allowed to come into the system whenever they want, but when they come in, they will have to use the Mac system.

The 1987 small schools grant of \$49,659.00 and the carry over of unspent monies amounting to \$29,000.00 from last year will pay for the system if that is what the administrators chose to use it for.

Addition at Powerview

The addition of industrial arts and home economics facilities at Powerview will cost an estimated \$55,888.00 and are expected to be completed by the fall of this year. The facilities will be similar

to the single class facilities that were added to Whittemouth School.

The facilities will not be put into use until the fall of 1988 as the school division will still have to acquire the equipment and the staff. Because the school has both French Immersion and English programs, the two staff will have to be bilingual.

Powerview kindergarten

Parents of the kindergarten children going into school this fall voted against having their children attend school in Pine Falls. It had been suggested that the five Pine Falls students wishing to enter French Immersion could go to Powerview School at no charge to that division while the 13 Powerview English program students could attend Pine Falls.

LGD hires seasonal peace officers

by Dess Trudell

The regular meeting of LGD of Alexander met one week earlier to hear applicants for peace officer duties in the LGD for the summer.

There were four present, Charles Crawley, Warren Morfoot, David McKenzie and Don Cunningham. Council conducted these interviews in camera.

Policing will be done for summer months in Ward 1. A resolution to hire Dave McKenzie as seasonal constable and Don Cunningham to be hired as assistant constable was made with resident administrator Roger Bouvier authorized to prepare the necessary by-law to appoint them.

There were two councillors against the hiring — P. Raymond and M.A. Grewinski. The

two for were K. Danwich and N. Roman. Reeve Lowing voted for the motion.

The authority to hire seasonal peace officers lies ultimately with the municipality and Municipal Affairs. The resident administrator also has this authority to some degree. Information from the Police Commission office informing the public that the regular police force, the RCMP, are primarily the police force for the area. RCMP police have full authority within their jurisdiction — seasonal and part-time peace officers hired through LGD, an RM or incorporated villages are to deal with noise by-laws, highway and lesser infractions of the law.

RCMP police would deal with

the more serious offences such as break and enter, assault and charges under the Criminal Code.

The policing is mainly for the peak time in Ward 1 where the population swells during the May to September months and police service is usually spread pretty thin.

St. Clements has, as was reported, hired a full-time officer as well as a part-time one. Several other areas are following these same procedures to augment the policing in summer.

The gravelling policy has been postponed until the next regular meeting which will be held May 12, 1987 at 10:00 a.m. M.A. Grewinski absented herself during the preliminary discussions at this time.

Delegation at Powerview council meeting upset over report

by Noreen Ostash

Members of a delegation to the Powerview council meeting on April 14 are angry over the reporting of the meeting in *The Winnipeg River Review*.

The three Powerview residents, Bev Dube, Jeanne Poitras and Henry Ostrowski, attended the meeting and Poitras and Dube said that the report did

not indicate fairly what had happened at the meeting and they wanted the matter set straight. They do not want to get into a lengthy argument about the matter, but they feel they have the right to be heard.

The women said that the delegation had attended the council meeting to offer their services as members-at-large on the

Lac du Bonnet Regional Library board. They had not gone to argue, nor to tell council that they should stay in the library system. They had taken along membership figures which they obtained from the signed membership cards at Library Allard.

See DELEGATION / page 8

Little league ball may be cancelled

On Monday, April 27 we held a community meeting to start little league baseball, only six parents showed up. Both Pine Falls and Powerview children will miss out on this year's ball season unless parental interest is greatly increased.

It would be impossible for so few parents to even attempt to start the season. It seems the same three or four people have to do all the work in organizing this league, which is greatly unfair to these few concerning parents. We need the support of every available community member, please make an effort to attend.

Meeting — Monday, May 4 at 6:30 p.m., Pine Falls Curling Club.

Rally commemorates 1st anniversary of Chernobyl disaster

The Concerned Citizens Committee staged a commemorative rally on Sunday to mark the first anniversary of the Chernobyl nuclear explosion. Members of the group acted out a skit complete with a long graph and props to demonstrate just how long, in relation to man-kinds' existence on earth, radioactivity will stay in the environment. On the far left is 10,000 BC, just to the right of centre is the present — the time

of the Chernobyl disaster — and at the right is 10,000 AD. A brief ceremony followed with members of the CCC voicing their concerns over nuclear war, nuclear generation and nuclear research. The committee then erected a sign off highway 313 near the Lee River to inform the public of AECL's Underground Research Laboratory nearby.

CALENDAR OF EVENTS

Monday, May 4 — An author visits kindergarten students at Powerview School.

Thursday, April 30 — 7:00 p.m. at Powerview School. Slow pitch meeting.

Thursday, April 30 — Jump Rope for Heart at Powerview School gym, 1:00 - 3:00 p.m. Grades 4-6 competing.

Friday, May 1 — Junior high badminton tourney at Pine Falls and Powerview schools.

Saturday, May 2 — Car wash, 1:00 - 4:00 p.m. in front of Pine Falls Arena. Proceeds to the Playground Association. Rain date May 9.

Tuesday, May 5 — Register for swimming lessons at Powerview multi-purpose room at 7:00 p.m.

Thursday, May 7 — Powerview School open house, tea, bake sale and white elephant sale. Starts at 1:00 p.m. until 3:00 p.m.

Wednesday, May 27 — 7:00 p.m. Three Bears Day Care general meeting. Fall registration will follow the meeting. Refreshments will be served.

Cribbage tournament — Second Sunday of every month, 7:00 p.m.. Senior Citizens' Club. Everyone welcome.

Bagpipe lessons — Every Wednesday evening, 6:00 - 7:00 p.m.. Pine Falls School, by Pipe Master Bill MacLeod.

Community pipe band project — All welcome, juniors and adults.

4P Festival meeting — Every first Monday of the month, 7:00 p.m.. Townsite Office, Pine Falls.

Scout meetings — Every Wednesday night, 7:00 p.m.

Adult Day Care meetings — Every first Tuesday of each month, 8:30 p.m., Townsite Office, Pine Falls.

Le Petit Soleil — Parents' meeting is every third Monday, 7:30 p.m., Le Petit Soleil, St. Georges Community Centre.

Three Bears Day Care board of directors meeting — First Wednesday of every month.

Pine Falls Public Library — Open Mondays and Thursdays, 7:00 - 8:00 p.m., Pine Falls School. Come out and borrow some books!

Allard Library — Open every Tues., Wed., Thurs. and Fri. 1:00 - 4:30 p.m.; Wed and Thurs. 6:30 - 8:00 p.m.; and Sat. 10:30 a.m. - 12:30.

Winnipeg River Historical Project — Every second Wednesday, 7:00 p.m., St. Georges Allard Library.

Winnipeg River Lions Club — Every second Wednesday of the month, 6:30 p.m., St. Georges Community Club. Supper meeting.

Winnipeg River Lions Club — Every fourth Wednesday, 6:30 p.m., St. Georges Community Club.

Manitou Rapids Arts Council — Every second Monday of the month, 7:30 p.m., Townsite Office, Pine Falls.

Pine Falls Horticultural Society — Every first Tuesday of the month, 7:00 p.m., Golden Leisure Club, Pine Falls. Everyone welcome.

Winnipeg River Women's Institute — Every third Tuesday, 7:00 p.m., Library Allard, St. Georges. Everyone welcome.

Lazy Lopers 4-H Club — Every fourth Tuesday, 7:00 p.m., Library Allard, St. Georges. Everyone welcome.

Cribbage tournament — First Monday of every month, 1:30 p.m., Golden Leisure Club, Pine Falls.

Pine Falls Health Auxiliary — Every fourth Tuesday of the month, 2:00 p.m., Pine Falls General Hospital board room, Pine Falls.

Brownies and Girl Guides — Every Thursday, United Church Hall, Pine Falls.

Great Falls Women's Institute — Every first Thursday of the month, 7:30 p.m., Great Falls Hall.

It's tulip time

Braving some cold wind these tulips made a bright splash of color against the grey backyard fence. These unusually mild days have created a mass of early blooms to lift and delight the soul.

Agassiz school board meets

In the past, there has been one class of French Immersion, but this year 34-35 students will be attending, so the class must be split into two. This means that an additional half-time teacher will be required.

The move would have meant a considerable saving to the Agassiz Division — \$18,000.00 for staff and another \$5,000.00 for equipping an additional kindergarten classroom.

Trustee Rose Beaudry said that the teacher had already been budgeted for. Trustee Leone Pommer asked that Powerview ask for a relocatable classroom to help relieve the crowded conditions brought on by the dual tracking. She was told that this would require a notice of motion and that attempts to have extra space added onto Powerview in the past have been denied. A mobile classroom or hut will be

continued from page 1

requested instead. At a meeting with Agassiz superintendent Mike Czuboka, trustees Carolyn Porhownik, Rose Beaudry and Leone Pommer, principals Steve Meszaros of Powerview and Bill Borlase of Pine Falls, parents of seven of the 13 students attended to voice their objections. They did not want their children taken out of their own community, where they have some control over what their children are taking and doing.

The board decided to leave the students in Powerview as requested by their parents.

Trustees Ruth Zink wondered if part of the small schools grant could be used to help offset the costs. Secretary-treasurer Laverne Cherrey said that Powerview has a substantial carryover from their small schools grant and could probably afford to do both. Pommer said that a good percentage of that carryover had been spent on book and would not be available. Cherrey said that 1987 invoices would not come out of the 1986 carryover.

been laid.

Also in Manigotagan at 9:00 p.m. the same day the police attended another willful damage to a vehicle. This incident is presently under investigation.

The road blocks are proving to be a deterrent at least for this week.

On Sunday, April 26, sixty cars were checked and no charges were made.

Continue to keep bicycles and valuables put away to avoid having them stolen.

POLICE REPORT

On April 4-5 overnight at the Birchwood a customer left without paying. He is a resident of Winnipeg. This is presently under investigation.

Between April 2-4 an orange Husquavarna model 266 chainsaw was stolen from a porch on Ari Street in Powerview.

On April 16 in the afternoon a fight between two females, residents of Fort Alexander, at the Pineview Shell and Laundromat was stopped and is still under investigation for assault.

Friday, April 17 a vehicle was found upside down in a ditch at Fort Alexander. A 15 year old girl has been charged with no driver's license, minor consumption of alcohol, and this has an investigation underway on charges of supplying alcohol to a minor.

On April 24-25 a bicycle was stolen from the north shore. It is a red, man's Bantor 10 speed.

On the same day at 2:30 in the afternoon in Manigotagan, an 18 year old, intoxicated person damaged a picnic bench, a vehicle windshield and tried to break into and enter a house, making damage. An arrest was made and a charge of willful damage has

BIRTHS

DESAUTELS — Congratulations to Louis and Val on the birth of their son, JAMIE, born April 24 at Pine Falls, a brother for Justin. Proud grandparents are Henry and Juliette Desautels, St. Georges; and James and Doris Kowalchuk of Snow Lake. Great-grandparents are Albert and Clara Desautels of Edmonton; and Stella Lemoine of Calgary; and Rose Gordon of Calgary.

Happy Anniversary Yvie and Lewie Wheeler

To Mom and Dad,
For one of the nicest couples that anyone could find.
We send a world of wishes of the very warmest kind.

Love

NEIGHBORLY NEWS

by Fred McGuiness
Box 1020, Brandon R7A 6A3

Native self-government is decades away

The Canadian natives have become big news. We have not solved many of their major problems, mind you, but in recent years some progress has been made. After a century of calculated neglect you can read about them on page one and in the editorial pages. You may not think this is progress, but I do.

Two recent events put our natives in the spotlight. One was a genuine oddity, the visit of Ambassador Glen Babb to Manitoba's Peguis Reserve. The fact of a spokesman from South Africa visiting the homes of Canadian Indians was the publicity coup of this decade.

The second was that ill-fated federal-provincial conference on native rights. Arising from it is an example of blind political allegiance at its best or worst, depending on your party stripe. A number of premiers will not support "aboriginal self-government" because it's a term which they insist lacks definition. Some of these same men are ardent backers of free trade with the US, the details of which are one of the best-kept secrets of this generation. H-m-m-m.

As far as the weekly editors are concerned, that lack of definition is a problem so large that until detailed explanations are available, native self-government is decades away, at least.

Yorkton *This Week* puts an editorial finger on the nub of the problem, "Self-government" how it will be financed and sundry other questions are without answers at this point. Here's a paper which suggests there are three possibilities of where we go from here. "...the alternatives at this point include no agreement, a court-imposed agreement, or a negotiated settlement between the parties involved."

The Melfort *Journal* position is roughly parallel. "...it would be more constructive if the parties concerned spent less time worrying about trying to enshrine something in the constitution and more time attempting to define what it is they mean..."

One paper offers a working definition of "self-government". The Grenfell *Sun* says this means, "having the ability to govern one's self." This paper wants the natives to develop "a method for bringing in the revenues needed for any government to work..."

A number of papers oppose the blank-check approach. That is, they object when their premiers are asked to consent to changes in the constitution when the nature of the changes is a mystery. Just one of the papers I have seen beats the tom-tom in favor of Chief Louis Stevenson, the publicity master from the Peguis Reserve. Here's a leader who conducts the journalists as if they were a symphony and he

held the baton.

The Interlake *Spectator* of Stonewall says, "You may find his statements outrageous, his methods extreme, but Stevenson is using the only tools at his disposal to point out an undeniable social injustice. And he's doing one hell of a job...one day, your children's children will read about Chief Louis Stevenson in history class."

I support this position. While we're waiting for that sorely-needed definition, it takes people like Chief Stevenson to keep reminding us of something we must never forget: our treatment of our Indians is a major blot on our social history.

The farmers' corner

by R.C. (Jerry) Moffat
Agricultural Representative
Manitoba Crop Insurance Corporation

Farmers planning to carry insurance for the first time under the all-risk crop insurance program have until April 30, to make application through their MCIC office. This district is served by the office in Beausejour, the agent being Larry Zieske at 268-1411.

For those already enrolled in all risk contracts, changes in the crops to be insured or in dollar selections per tonne, can be made up to the April 30 deadline.

Over the 27 year history of crop insurance in Manitoba, farmers have received \$291 million to compensate for insured losses, and have paid \$174 million in premiums. The Western Grain Stabilization Program has paid out an average of \$36,735 per farm, and have received \$8,325 per farm in levy fees since 1976. Many producers consider both of these forms of insurance even more necessary now under such high risk and

stressful conditions. MCIC quality guarantees have been revised for fall rye — No. 1 Canada; for flax — No. 1 Canada; for barley — 1 CW. A reduction in quality must be due to natural uncontrollable causes. If quality loss is a result of over heating during drying, the quality adjustment is not applicable.

Tupper, barley

In the 1987 Manitoba field crop variety recommendations, it says that "Tupper is not acceptable for on-board marketing". This is incorrect. Barley containing 90% or more hulls varieties shall have the word "hullless" added to the grade name, i.e. No. 1 CW hullless grade.

Importing USA farm fuel

Again this year fuel may be imported into Manitoba from the USA. It will be coloured at the border (for farm use), and exempted from provincial sales tax. Farmers wishing to purchase in North Dakota, should pick up a form at this office, required for exemption from regular North

Dakota state tax. This form must be completed and registered with the North Dakota state tax commissioner.

The Emerson dye location on Highway 75 is open Monday through Friday from 8:00 a.m. to 7:00 p.m. The south junction station on Hwy. 310 is also open from now from 10:00 a.m. to 5:00 p.m. on Tuesdays and Thursdays.

There are some important details farmers should consider prior to opting for USA fuel. It is not always advantageous to bring in this fuel. One must be sure of availability near the border; the price differential (US dollar exchange and US gallon conversion); transport regulations; fuel handling equipment requirements. We have information at this office to assist those in deciding on the economics of this practise.

Hoechst/4-H pesticide safety kits

The Beausejour Brilliants 4-H club is selling safety kits (contains respirator, goggles, rubber gloves, waterproof apron) through a safety promotion programme with Hoechst Canada Ins.

"WHAT'S ALL THIS FUSS ABOUT DAY CARE, ANYHOW?"

A child's point of view

1. Don't spoil me. I know quite well I ought not to have all that I ask for. I'm testing you.
2. Don't be afraid to be firm with me, I prefer it. It makes me feel secure to know I have to follow rules.
3. Don't let me form bad habits. I have to depend on you to detect them in the early stages.
4. Don't make me feel smaller than I am. It only makes me behave "stupidly big".
5. Don't correct me in front of people if you can help it. I'll take much more notice if you talk quietly with me — in person.
6. Don't make me feel my mistakes are sins. It upsets my sense of values.
7. Don't protect me from consequences. I need to learn the painful way sometimes.
8. Don't be upset when I say "I hate you." It isn't you I hate but the power you hold over me.
9. Don't take too much notice of my small ailments. Sometimes they get me extra attention, and that could lead to a budding hypochondriac.
10. Don't nag me. If you do, I'll have to protect myself by appearing deaf.
11. Don't forget that I can't explain myself as well as I like. This is why I am not always very accurate.
12. Don't make rash promises to me. Remember I feel badly let down when they are broken.
13. Don't tax my honesty too much. Remember I am easily frightened into telling lies.
14. Don't be inconsistent. That confuses me and I lose faith in you.
15. Don't put me off when I ask questions. If you do, you will notice I stopped asking and will have started seeking answers elsewhere.
16. Don't ever suggest that you are perfect and infallible. I'll get a great shock when I discover that you aren't.
17. Don't ever think it is beneath your dignity to ever apologize to me. An honest apology makes me feel surprisingly warm and comfortable towards you.

LETTERS TO THE EDITOR

Review erred in reporting

Dear sir/madam,
For the second time, you have erroneously stated in your newspaper that R. Bouvier "of the LGD of Alexander council" approached the Village of Powerview to join the library system. In reality, Roger Bouvier and I attended that meeting, both as private citizens representing the Friends of the Library — and not as representatives of council since neither of us were members of council.

Also there is not nor has there ever been a "St. Georges" Library. We are and always have been a branch of the Lac du Bonnet Regional Library, known first as the LGD of Alexander Branch, and with the joining of the Village of Powerview became Library Allard.

Yours truly
Diane Dube

Faithful reader concerned over river bank erosion

I have been a subscriber of the *Leader* for many years now, and I also subscribe to the *Winnipeg River Review* since it became a publication.

It certainly has brought the communities of our local area a better understanding in regard to the concerns and well-being of problems that arise from time to time.

Now, my concern is the erosion of our once beautiful banks and shoreline of the Winnipeg River. The Manitoba Hydro seems to shirk all responsibility in this regard, yet they have full control with their power dams which control the flow and fluctuation of the waters. Where else do you see this erosion on the arterial network of streams flowing into Lake Winnipeg? We must also note the vast areas of land that have been opened to an expansion of enormous capacity in spring break-up, or sometimes due to heavy rainfall. It seems that rip-rap with rock (there is an unlimited supply in the area) is the only solution now, which is a long time overdue. Our elected representatives are always searching for make work programs. Why cannot this erosion problem be a number 1 priority, before it goes beyond complete control?

I consider myself a concerned citizen (senior) and think we should raise our voices in unity and hope that we can make ourselves heard, so that something can be done in this catastrophic problem.

EDITORIAL COMMENT

Hydro increase

Did you get yours today?

Two shockers hit most Manitobans square on. The hydro bills came in and we get a look at what our tax dollars pay for in the way of culture.

Tory Leader, Gary Filmon held his ground and let the legislative assembly know that the question he directed to Parasiuk, Minister of Energy, and Eliesen, Manitoba Hydro chairman, was the question all Manitobans wanted an answer to. He asked, how could the Limestone Utility add several million dollars to its debt base without rate increases?

An article written by hydro president, Garry Beatty, has said that construction costs would be reflected in the operating budget of Manitoba Hydro, which in turn would have to increase its reserve fund to operate, with gradual increases in electricity rates.

I suspect the rate increases have already been gradually added to the consumers' bill since limestone was initiated at the board room level. These so called gradual rate increases are to avoid shocking the public when the transmission facility is placed in service.

Beatty has since revised his statement. He now says rate increases are to cover drought conditions. Lovely...

The reasons being of no consequence — the results will be higher rates, that's inevitable. Filmon is right. We will be paying a lot more for our hydro, starting yesterday.

Festival of filth is last straw

Ah — culture, the arts, the music, the dance, the Gay and Lesbian Film Festival — yes!

Now the gays and lesbians are skimming off the cream through cultural grants to make movies and they are being supported by those grants for their festivals. That group has stretched the normal concept to the limit. When they further add insult to injury by depicting the Pope in their documentaries, then the foul smell tinges the Minister of Culture, right where she sits.

I am incensed when aspersions are cast on the religious leader, and being used as part of a comparison in such garbage. I am especially grieved when it is the taxpayers' money paying for an organization using the guise of culture. Calling it art, a lecture, a documentary, a narration or by any other name, it still smells.

If it is the government's policy to supply funding for the Gay and Lesbian Film Society, then we shall soon find our own "swamp land" to promote to the gullible public!

Excuses from the minister's office are lame enough. "So many requests...we can't screen the films personally...Manitoba is not involved in censorship...it's not my job to judge...it's a small amount compared to New York..." The excuses go on and on.

If this is art, Lord help us. And if we continue to kick in without protest then we deserve the aftermath. Where's old fashioned decency and morality these days? Hiding under the bed?

The vicarious thrills of porno reaps an unwanted gift in perversion, and moral decay, not forgetting the latest legacy. This festival of filth is the last straw. I don't want so much as a nickle from my tax dollar going to support this kind of culture. Of course we aren't New York, and if we are considered backward then we're backward enough to know the differences.

As for excuses, I fear the Minister of Culture and Heritage "doth protest too much..."

— D.T.

Fuelwood concessions set for some provincial parks

Manitoba Natural Resources Minister Leonard Harapiak has announced that a fuelwood pilot project will be introduced during the coming camping season in selected provincial parks in eastern and southeastern Manitoba.

Fuelwood will be sold through retail concessions at convenient locations in St. Malo Provincial Park, Grand Beach Provincial Park, Birds Hill Provincial Park and at Falcon Lake, West Hawk Lake and Seven Sisters districts throughout the Whiteshell Provincial Park.

The minister stressed that this newly-introduced service will be monitored to ensure visitor satisfaction. "With the introduction of this program, the park visitor will be provided with a higher quality and convenient fuelwood source. It is also a new opportunity for rural entrepreneurs, and provides a market for under-utilized timber by-products. In addition, it enables the department to re-allocate its expenditures to enhance the Manitoba park experience."

Licences for fuelwood concessions were awarded through a public tender process earlier this year. Cut, seasoned wood in convenient bundles will be available to campers and cottagers for a price to be set at no more than \$2.25 a bundle. In campground where fuelwood must be purchased, seasonal campers will receive a \$30 rate and daily campers a \$1 reduction on the costs of their sites. In other provincial campgrounds and park areas where the department continues to provide splitwood, campers will pay regular camping fees.

Harapiak noted that the sale of fuelwood is becoming a major trend in park jurisdictions across North America and arises from the need to refocus park operating funds to meet the needs of all users.

Fuelwood will be sold through concessions in the selected provincial parks for the 1987 season. If the pilot project proves successful, the department will consider expanding this service into other provincial campgrounds and park areas.

Did you know

Did you know where all the fruit flies in your house come from? Chances are they came on the fruit you bought at the store, at least the eggs were on the fruit and hatched out in the warmth of your kitchen. So wash off your apples, bananas, oranges, etc. under the tap when you bring them home.

Winnipeg River W.I. hosts regional spring convention

by Bernice Phillips

On Monday, April 13 at the Pine Falls Legion Hall the Winnipeg River Women's Institute hosted our regional spring convention. Eighty-two ladies from various locals in the eastern region attended. Each of the local W.I. gave highlights of their past year. Sultana Hussain presented our highlight — making table centerpieces for the 1986 provincial convention. This was followed by a fun-filled exercise sing-song led by Audrey Grier.

There were then addresses by the provincial president, Audrey Turbett and the executive secretary, Gwen Parker. Eleanor Menzies from the home economists directorate office spoke on planned program ideas for W.I. meetings.

A delicious lunch featuring St. Georges pea soup and hamburger soup along with Bunwiches, vegetable trays and dainties, all fresh and homemade by

President of the Winnipeg River Women's Institute Kathy Thurston addressing the assembly which included several members of the Manitoba branches. This was the beginning of a very full day which started at 9:00 a.m. and ended at 4:00 p.m.

the ladies of our institute. Also, at this time, we held a Buzz & Browse.

After lunch our main speaker, Major Dave Perry of the Salvation Army, spoke about the plight of the homeless. The main thrust of his speech was the importance of family unity and support in overcoming the problems of our time and society. He stated that there are 20-30,000 homeless people in Canada and that the Salvation Army spends \$41 million a year, in Manitoba alone, helping them and others to survive and make their way in life.

A memorial service was held for four members of our region who passed away in the last year. The tributes and service were very moving.

Our region's home economists, Marilyn Zarecki and Luanne Anderson, showed a film called *Rural Boardroom* about holding farm business meetings. There were handouts and discussions on the topic of holding business meetings for farm and other families.

The convention ended with donations to *Pennies for Friendship* and thank-yous to various people and organizations. It was a day of learning and of making new friends enjoyed by all who attended.

Our regular meeting was held on Tuesday, April 21 at the Librarie Allard in St. Georges. A superb pot-luck supper was served featuring dishes from India, Germany, Sweden, Italy, Scotland and other countries. After supper it was right down to business. Eighteen resolutions were read, discussed and voted on to be taken to the spring convention on April 28-30 in Brandon.

Donations for the wife abuse shelter in Selkirk were collected and plans were made for our June outing. Gift-of-the-month was won by Mary Meckins.

Our next regular meeting will be held at the Librarie Allard on May 19 at 7:00 p.m. Our guest speaker will be Pearl Warren from Lac du Bonnet who will speak on the Associated Country Women of the World (ACWW) and the Federated Women's Institute (FWIC). Roll call will be "What do you want from W.I.?" Anyone wishing to learn more about W.I. please feel free to come to the meeting at 8:00 p.m. Hope to see you there!

Guest speaker at the W.R.W.I. convention was Dave Perry from the Salvation Army. The heart rending stories of the underprivileged, and of children, held the audience's attention. Member Dot Basler looking on.

The Winnipeg River WI presented the Eastern Region Banner at their spring convention held April 13 at the Pine Falls Legion Hall. Left to right: Sultana Hussain and Sonia Greer.

IT'S SPRING CLEANUP TIME BURNING PERMITS ARE REQUIRED

by Laurence Ross

N.R.O. III, Pine Falls

It's that time of year again — spring cleanup. For many people this includes burning grass, debris and farm fields. Used under controlled conditions, fire can be a very effective tool. However, extreme caution must be used when burning. There are large quantities of dry grass and debris and at this time of year,

evergreen trees are devoid of normal moisture and burn very readily.

The warm, windy conditions over the past few days have created a very dry situation. I would like to remind everyone that a burning permit is required for anyone setting a fire outside of the town limits. In addition, anyone who lights a fire, with or without a permit, is responsible

for any damage done by the fire and possibly the cost of extinguishing it. Over the weekend, our own staff, the fire department and some volunteers were called out to extinguish fires which escaped. On two occasions, it appears fires were purposely set and had to be controlled. The other was in a wooded area and we all know the value of the forests to this community.

MLA Report from the Legislature

Clarence Baker, MLA, Lac du Bonnet

Constituency report

by Clarence Baker, MLA

An issue that should be of concern to all my constituents is the increase difference in wheat prices paid to producers in Canada. While Manitoba farmers can expect to receive \$95.00 per tonne of No. 3 CWRS, Ontario producers are looking forward to receiving \$180.00 to \$190.00 per tonne. Despite this Ontario wheat farmers will also be receiving at least \$14 million in federal deficiency payments this year.

Ontario farmers sell on the domestic market where they receive an artificially high price of \$7 per bushel. This spring, Ontario farmers are planting more grain for human consumption, and by next year, Ontario will be able to produce enough grain to cover all their domestic needs.

To have an effective national grain producing policy, we cannot allow one group of producers to bear the brunt of depressed export prices, while another takes advantage of a local situation. Equal treatment in this country is not a privilege, but a right.

During the debate on parity pricing in the legislature, I have been attacked, as sponsor of this resolution, as supporting western separatism because I feel that there is something wrong with the difference a Manitoba farmer gets paid for his grain compared to a farmer in Ontario. Unlike some members of the opposition, I do not think that differential prices are beneficial to Manitoba farmers or the Canadian economy.

I would urge all my constituents to become involved in this issue. If we are to participate as equals in this great country of ours, we must seek economic equality between regions and between different sectors of industry. But we cannot wait for the federal government to do this for us. Even now, Mulroney seeks to enshrine special interests in the constitution by giving Ontario and Quebec veto powers. We must make our concerns heard. We must demand our rights, and the most basic right of all, equal treatment by government.

If you have any ideas that you can share with me on this subject, or on other issues that concern you, please contact me at the legislature (945-3710) or at my constituency office (268-2010), or at home (268-1070). I would appreciate hearing from you.

Delegation upset

continued from page 1

According to the letter written by Powerview's secretary-treasurer, usage had climbed from 49 in 1984 to 116 in 1985. Dube said that the membership cards showed 133 members in 1986. The list had been reviewed and updated as much as possible. She said it may be out a few either way.

Poiras and Ostrowski had both spoken at the meeting and Poiras objected to the newspaper report which made it seem that Dube had done all the talking.

One point that they wanted to make was that many people in Powerview are regular library users. When the arguing started, the delegation ended up defending the library and justifying Powerview's membership in the regional system.

Delegation members pointed out that the article said that the per capita rate had gone from \$4.25 to \$4.50 to \$5.21 per year, but did not include the fact that Powerview had paid the \$4.25 rate both years and the library board had accepted their decision not to go along with the requested amount.

The suggestions that Powerview users could pay a non-resident fee instead of the grant would have definite ramifications for the library board which has drawn up its budget based on Powerview's participation. What with various grants from the province, based on the \$4.25 per capita council has been paying, the library will be out \$8300.00. Non-resident fees for the 60 families using the library would have to jump from the present \$15.00 per year to \$138.33 per year to generate the same income.

As of today the 1987 memberships show 612 Library Allard members, 34 of which have paid this year's non-resident fees. Sixteen Pine Falls users own land in the LGD of Alexander and contribute through their taxes but are not counted for grant purposes. This does not apply to Powerview residents with land in the LGD as long as Powerview remains in the system. Grants from the province more than double municipal contributions.

Delegation members said that the council had emphasized that they wanted to keep their tax dollars in Powerview. The library was not located in the community. Noting that the arena is located in Powerview but used by LGD residents, Dube had responded that that kind of thinking was old fashioned.

When Dube enquired as to why Russ Preston of *The Leader* had arrived at the meeting late, Preston told her that a member of his staff had called to check on the meeting time and he had been told the morning of the meeting that it would start at 7:00 p.m. He had gone early, only to find that the meeting had started at 6:00 p.m. and that the delegation had already made their presentation to council. Dube had been informed the day before that the meeting time was 6:00 p.m.

The minutes of the meeting state that Mayor Trudell said that the Pine Falls Library is as well stocked or better and at no

cost to the users except late fines. Library users disagree. The regional library system has over 20,000 books, with 3,000 of these in Library Allard at any given time.

Confusion

A check into the background on the matter revealed some confusion and some unfortunate lapses in communication.

Ratepayers in the LGD of Alexander approached the Lac du Bonnet Regional Library board in 1982 about the opening of a branch library in St. Georges. This was accomplished in 1983 and the LGD of Alexander became a contributing municipality. Powerview did not wish to join the regional system at that time.

In 1984, Diane Dube and Roger Bouvier, approached Powerview council as members of the Friends of the Library and asked council to consider joining the library. Council agreed and on March 12, 1985, gave first reading to a by-law providing for the joining of an established regional library.

Council sent Bouvier a letter dated March 13, 1985, stating that "Council is prepared to contribute the above for this year ONLY on a trial basis. As such, for the contribution to continue next year, there would have to be an increase in the library participation by our residents substantially."

The letter, addressed to Roger Bouvier, LGD of Alexander, St. Georges, Manitoba, went on file in the LGD office. The agreement signed with the Powerview council was with the library board and not the LGD. The library board was never informed that Powerview only intended to stay in the agreement for one year.

According to the agreement, a withdrawing municipality must give one year's notice that they wish to withdraw. As far as Powerview was concerned they had given notice.

However, when 1986 rolled around, the Powerview council sent the library board a letter stating "As previously indicated our Village indicated participation on a trial basis for one year. In view of the fact that resident participation increased from 49 in 1984 to 116 in 1985, we are prepared to contribute the 1985 per capita rate amounting to \$2936.75. Due to a substantial increase in the uncontrollable school requirements, our Village has been placed in a detrimental situation."

The library board was still under the impression that Powerview was in for the duration and Powerview council thought that the library board knew that they had no intentions of any such thing. They wanted the option of being in only when it was "feasible".

In December of 1986, the LGD of Alexander and Powerview gave notice that they would be withdrawing from the Regional Library as of January 1, 1988. The LGD served notice and requested a meeting with board representatives to discuss concerns regarding the operating of Library Allard. Powerview's

letter said that it would not be appointing representatives for the balance of the agreement. The letter also said, "It is regrettable, but council feels that the participation has not materialized to the extent to warrant the cost."

Meantime some discussions took place between LGD and Powerview councillors as to the feasibility of going it alone. A notice that a balanced budget would result in a \$5.21 per capita contribution from each municipality had raised questions about operating and possibly running Library Allard more economically.

This resulted in a March 10th meeting with members of the Lac du Bonnet Regional Library board, Barbara Greenhouse of Public Library Services, the LGD council, and Maureen Flemming, head librarian.

At another meeting held on March 25 in Library Allard, Mayor Elie Trudell informed those present that Powerview council was considering not paying their 1987 library grant. They did not feel bound by the twelve month notice period in view of the fact that they had stated that council only intended to be in the system on a one year trial basis. He agreed that they had stayed in for two years, but did not agree that the agreement bound his council to the required notice of withdrawal in section 13.

The agreement was assumed to supercede the letter, a copy of which had eventually made its way to the library board in March 1986. The board immediately pointed out section 13 in a letter to council. When there was no reply, the board assumed that Powerview was aware of the contents of the agreement and agreed with them.

There was some discussion as to the legality of a refusal to pay and Flemming was asked what would happen should council refuse. She had no answer but agreed to phone the consultant at Public Library Services if that was what everyone wanted. This was agreed upon.

LGD of Alexander councillor Mary Anne Grewinski presented correspondence from her council saying that the LGD council had reconsidered and wanted to stay within the system.

Powerview council has agreed to make a decision once they have sought legal counsel and heard from Flemming as to the legality of the agreement. Flemming turned the information she received over to the library board.

At the April 22 meeting of the library board a resolution was passed that reads, "Moved that the librarian's recommendation be accepted that a letter be written to Mayor Trudell informing him that the board has been advised that the agreement is legally binding and that the board requests a formal statement from Powerview council in writing at the earliest opportunity, or in any event before 87/05/27 of their intentions regarding the 1987 grant and appointment of representatives to the board."

Making sure your message is received by your potential customers is an important part of advertising. According to a recent survey, Manitoba's rural community newspapers deliver almost five 'impressions' for each copy circulated — the total number of readers multiplied by the number of times each reader refers to the newspaper while it is in their home. And that means more opportunities for your advertisement to make

a good impression.

Winnipeg River historical committee working hard to meet June printing deadline

by Dess Trudell

The group working on the Winnipeg River Historical Project history book wish to thank those volunteers who are giving their time and space to help promote the book. Placemats have been given store space at Lazaruk's and the t-shirts are at the Arts Council office. The group who are working to complete the work are finding they are not completing it as quickly as they might wish as stories continue to be received. The deadline seemed to be the boost that got many people busy.

We are anxiously working together to get the first set of galley ready for our printer to start on in June. If anyone has photos and/or information about each of the communities, events of importance, organizations, clubs, anything that was topical at the time like floods, construction or demolition, fire, etc. we would certainly appreciate the loan of this material. If you care to volunteer the material we will volunteer to add them to our history. Many events may be unmentioned otherwise.

For those who have asked, the deposit system works this way: anyone who puts a down payment on the book is assured of receiving a copy. The deposit covers the number required at the time of printing. As there will only be so many printed at this rate, don't be disappointed by thinking you can get one later. Order yours now!

The WRHP welcomes volunteers and are open to suggestions as well. There is still a great deal of typing to be completed, and photos to be identified. We have some in the United Church basement that we could use some help with, as well there are several service photos we have missing for the honor roll.

Our book will be your book of family histories, photos, events and the growth of the communities. Don't miss this once in a lifetime opportunity to have a personal family history book to pass on to generations to come.

Local volunteers have been the contact for residents (and former residents) of the area, if only for a short time. The title of the book is *From the Beaches to the Falls* which is a Lake Winnipeg and Winnipeg River heritage.

Area representatives are: Warren Sinnock, president of WRHP for the Great Falls area; Maurice Dupont, treasurer; Emmanuel Bouvier; Rene Vincent and Jean Dupont for St. Georges; Shellagh Geer and Gordon Hanson for Pine Falls; Dave and Angeline Dufour, Jeanne Lavoie for the Chevrefils district; Loren Carlson, vice-president; and Eric Carlson for the Broadlands area; Bert and Helen Trainor for the beach area; Dess Trudell, 2nd vice-president for the Powerview area and Norman Johansson, secretary for the group.

During the first three years of the WRHP existence, the group

had the very capable assistance of Leah Pitre, who gathered, edited and typed copy of the histories submitted. Peg Carlson and Jillian Papineau were the first secretaries who have retired to take care of families. We now rely on the wonderful memory of people like Anne Cavers who ensures that the Pine Falls history will be well documented with pictures, which is all a part of the sociological makeup of this "one time" preserved account.

The St. Georges Historical Society has well documented facts to add to the chapters of that area. Powerview being relatively young in comparison, nevertheless still is included in part of the St. Georges early homesteader stories. The Village was incorporated in 1950 at

which time it also received its name and has a unique impact on the districts as well.

The businesses and families, the events past and present, will all be dutifully recalled and printed to the best of our ability, to be forever printed for posterity by the group who are striving to complete this massive account as soon as possible.

As mentioned before, all volunteer help is more than welcome. If you are interested, contact anyone of the aforementioned co-ordinators representing your area, or call the Arts Council office for more information 367-8785.

The next meeting will be held May 13 at 7:30 p.m. at the Library Allard in the reading room. You are welcome

PFRA update

Arena closed, focus turns to swimming

by Shellagh Geer

Hello again. Hockey is over for a few months, the ice making plant is closed down, the water is nearly gone from the ice surface and Bob Pfefferle has been cleaning things up. The arena will soon be available for socials.

The last weekend of April 3-5 was extremely busy with the Sagkeeng tournament. Even though it was mid-term break Sharon managed to enlist enough volunteers to keep the canteen going from 8:00 a.m. until midnight. Once more I'd like to thank all the men and women who donate their time and help keep the canteen such a smooth running and profitable venture.

With the rink closed the focus turns to the swimming pool. Since it's so difficult to get people out to a general meeting the executive decided to combine the general meeting with registration night on May 5 at Powerview School. They are still looking for a treasurer. The new mechanical supervisor is Gordon Hanson and he will be attending a diploma course in pool maintenance and management at Gimli from April 26 - May 1. There are only very minor repairs

to do at the pool this year so the executive are aiming for an opening date of (are you ready for this?) May 23rd.

The playground committee has planned a busy summer over the next couple of months. They will be putting in timbers around the play structure and installing baby swings and benches. To raise money they are catering the men's curling wind-up on April 30. They are having a car wash on May 2 and if the weatherman doesn't co-operate they will move it to May 9. On June 14 they are hosting a family barbecue.

Our annual general meeting will be held on Monday, May 11 at the Golden Leisure Club at 7:00 p.m. If you have any questions or complaints this is your opportunity to air them.

This will be my last regular column until September. Three days after the AGM I'm leaving for a six week holiday in the Greek Islands — so I'd like to wish you all a nice summer and hope you make use of our PFRA facilities.

One more thing: Canada's most famous pianist, Glenn Gould was a distant cousin of the Norwegian composer, Edvard Grieg.

RECREATION NEWS and VIEWS

by Peggy Boyle

1988 Manitoba Summer Games

By now, most of us are aware that Beausejour - Pinawa have been named the host sites for the 1988 Provincial Summer Games. In order to prepare athletes and expose as many people as possible to the specific sports included in the games, clinics can be made available to most communities in this coming summer. The following sports will be included: **baseball** — male and female, 13 and under; **golf** — male and female, 14 and under, 17 and under, 18-34 years, 35-54 years, 55-64 years, 65 and over; **touch football** — 18 years and over; **padding** — male and female, open age category; **sailboard** — male and female, open age category; **soccer** — female, 13 and under, male, 18 and over; **tennis** — male and female, 17 and under (singles), male and female, 18 and over (mixed, doubles); **track and field** — male and female, 14 and under; **track and field (special olympics)** — male and female, 21 and over.

If you have an interest in one of these sports, or know of a group that would be interested, contact the recreation office and arrangements can be made to set up a clinic or I can advise you of where the nearest clinic will be held. Note: age categories will be designated depending upon your age as of August 1, 1988.

Ladies' slo-pitch meeting — Thursday, April 30

A meeting will be held at 7:00 p.m. at Powerview School to determine the interest level among area ladies to play slo-pitch.

Touch football clinic — Saturday, Sunday, May 23 and 24

A clinic will be held at the Holiday Inn South, Winnipeg to orient people to touch football. Saturday will be spent learning the officiating duties involved in the sport, after which all participants will be Level 1 certified officials in touch football. Sunday will be spent covering the technical, practical, tactical and theory parts of the game. The cost for this clinic (Saturday and Sunday) will be \$20.00, and if

you enroll for both days accommodation is paid for by Touch Football Manitoba (based on double occupancy). Registration deadline is May 15, to register contact the recreation office.

Winnipeg International Children's Festival — May 26-30

Kildonan Park is the setting for this five-day event at the end of May. There will be continuous entertainment, as well as hands-on activities, crafts and roaming evenings. There will also be two evening performances held at Rainbow Stage on Thursday and Friday beginning at 6:30 p.m., running for ninety minutes. For further information contact the Children's Festival office 475-0265.

St. John's Ambulance — Saturday, May 30

A basic first aid course will be held on Saturday, May 30 at Manitou Lodge. This day-long course covers many basic first aid concepts useful to anyone from any walk in life. The course has recently been updated and converted to VCR tapes from the conventional film presentation. Cost will include instructor fees and books.

To register contact the recreation office before May 20.

Ballroom dancing

Several people have indicated an interest in taking ballroom dancing lessons such as those being conducted in Pinawa, Lac du Bonnet and Beausejour. If you would be interested in lessons for six weeks either in the coming weeks of September, contact the recreation office and let me know.

See this week's classified ads for summer jobs.

Three Bears Day Care will hold their

GENERAL MEETING

Wednesday, May 27

7:00 p.m. at the Day Care.

Fall registration will follow the meeting.

Refreshments will be served.

Pine Falls Recreation Assoc.

WE'RE MAKING IT EASIER FOR CALLERS IN
Manigotagan
TO USE THE CONVENIENCE OF
D.D.O.

To make dialing Overseas calls Faster and Simpler!
DIRECT DIALING OVERSEAS
Our new Direct Dialing Overseas service makes it easy for you to place calls to overseas locations.
Station to Station
• Just dial 011 + Country Code + Routing Code (if required) + Local Number.
Operator Assisted
• Dial 01 + Country Code + Routing Code (if required) + Local Number.
• Operator Assisted Calls include:
— person to person
— collect
— calling card
— time and charges
— third number calls
You'll find full details on pages 6 and 7 of the MTS Provincial Directory.

Use the convenience of 0+ to make your operator assisted calls—collect, person to person, Calling Card, and third party billed—faster and simpler. Just dial 0+ (area code if out of province) + number you're calling. The operator will then come on the line to assist in the completion of the call.
New services to make your long distance dialing easier and faster.
These services are effective May 5, 1987.
These services are not available on multi-party lines.

OBITUARIES

JOHN ALFRED BUSHIE

On Thursday, April 23, 1987 at the Pine Falls Hospital, John Bushie, aged 72 years, beloved husband of Florence Bushie, of Hole River, Man.

Mr. Bushie was born in Hole River on July 27, 1914 and had resided there until the time of his demise.

Wake services were held at his residence House 75, Hole River on Friday, Saturday and Sunday. Funeral service was held on Monday, April 27 at 2:00 p.m. at the Hole River Roman Catholic Church, Hole River, Man. with Rev. Fr. F. Paradis officiating. Interment followed at the parish cemetery.

Mr. Bushie leaves to mourn his passing his wife Florence; children, Mr. and Mrs. Ambrose Joe Bushie and family, Mr. and Mrs. Adolphus Bushie and family, Mr. and Mrs. John Bushie and family, Mr. and Mrs. Rod Bushie, Mr. and Mrs. Peter and Verna Scott and family, Mr. and Mrs. Alfred and Clara Fabel and family, Larry Wood and Emma Bushie and family, Edgar Bird and Lena Bushie and family; one brother Ambrose Bushie. There are numerous great-grandchildren, all of Hole River, Man. He was predeceased by two daughters, Wilma and Florence and two sons, Wallace and Alvin; his parents, mother Rachel and father John Sr.; three sisters, Flora Kennedy, Philomena Hardisty and Harriet Cowley; two stepbrothers, George and James Bushie and two grandchildren, Pauline and Gordon Scott.

Russell Funeral Home, Beausejour in care of arrangements, 268-2263.

Card of Thanks

WINIFRED HAMMERSTEAD (nee MUNRO)

Suddenly on Friday, April 17, 1987 at Misericordia Hospital, Mrs. Winifred Hammerstead, aged 71 years, late of 1712-411 Cumberland, Winnipeg.

Left to cherish her memory are a brother, Alistair and wife Grace of Orleans, Ont.; three nephews, Ian, Kenneth and Donald Munro; a niece Barbara and husband Mel Mitchell of Powerview; a grand-niece Tori-Lynne Beck of Powerview.

Funeral service was held 2:00 p.m., Tuesday, April 21 in the Desjardins Funeral Chapel, 357 DesMeurons with Rev. Ernest Baskier officiating. Service terminated at the Chapel. Cremation followed. Entombment of remains was in Chapel Lawn Memorial Gardens.

HENRY JAMES STARR

On Thursday, April 23, 1987 at the Pine Falls Hospital, Mr. Jim Starr, aged 84 years, beloved husband of Flora of Fort Alexander, Man.

Besides his wife he is survived by his sons, George, John, Walter and his wife Mary and Doug, all of Fort Alexander; his daughters, Florence and her husband Wallace Letender of Fort Alexander, Christina and her husband William Bird of Little Black River, Lucy and her husband George Bruyere of Fort Alexander, Bertha Starr of Fort Alexander, Eleanor Fontaine of Winnipeg, and Grace and her husband John Wazny of Winnipeg; 46 grandchildren, many great-grandchildren, nieces and nephews. Jim was predeceased by his son Cecil in 1981; his grandson George Bruyere in 1981, his grandson Jimmy Miller in 1974 and by his granddaughter Natalie in 1985.

Wake service was held at Jim Starr's residence. Funeral service was held on Monday, April 27 at 2:00 p.m. in the Christ Church Anglican, with interment following in the church cemetery.

Pallbearers were his grandsons, Bill Bird, John Letender, Leonard Bruyere, Kelvin Fontaine, Phillip Starr and Henry Starr.

Sobriety Funeral Chapel, Park Ave. East of Beausejour, in care of arrangements, 1-268-3510.

Local Government District of Alexander council minutes

Minutes of a regular meeting of council of the Local Government District of Alexander held in the council chambers of the district on Tuesday, April 14, 1987 at 10:00 a.m.

Present: Richard R. Lowing, Reeve; Ken Danwich, Councillor - Ward I (arrived at 11:45 a.m.); Nick Roman, Councillor - Ward II; Peter Raymond, Councillor - Ward III; Mary Ann Grewinski, Councillor - Ward IV; R. Bouvier, Resident Administrator.

Others present: John Hutchison, developer; Dess Trudell, *Winnipeg River Review*.

READING AND CONFIRMING OF MINUTES

Resolution No. 118/87: P. Raymond - N. Roman RESOLVED that the minutes of the regular meeting of March 24, 1987 be adopted as circulated.

AND FURTHER BE IT RESOLVED that the minutes of the special meeting of March 27, 1987, special meeting of April 2, 1987 and special meeting of April 9, 1987 be adopted as circulated. Carried.

REPORTS OF STANDING COMMITTEES

Ward I - Councillor Ken Danwich reported on his attendance to a regular meeting of the Agassiz Weed Control board of directors at St. Georges on April 6, 1987.

Councillor Danwich also reported on his attendance to an Eastman Development Corporation meeting held in Beauséjour on April, 1987.

Ward II - Councillor Nick Roman met with the council of the RM of St. Clements along with Reeve Lowing and Councillor Danwich on April 9, 1987 to discuss the Alexander/St. Clements regional police. Councillor Roman reported that the RM of St. Clements is not prepared to cost share the policing contract for 1987 and that the Local Government District of Alexander will have to make their own arrangements for policing of Ward I. The RM of St. Clements to be invoiced for various 1986 costs in regards to purchase of capital items which will be retained by the RM of St. Clements.

Ward III - Councillor Peter Raymond reported to council on his attendance to a regular meeting of the board of directors of the Eastman Regional Development Corporation in Winnipeg on March 25, 1987 to discuss year-end reports and personnel.

Councillor Raymond reported on his attendance to a regular meeting of the Winnipeg River Recreation District at St. Georges on April 2, 1987. A number of concerns were discussed.

Councillor Raymond also reported on his attendance to an Ambulance Service District meeting at St. Georges on April 9, 1987. The matter of purchasing a new ambulance for the Pine Falls and District Ambulance District was discussed.

Ward IV - Councillor Mary Ann Grewinski reported on her attendance to a regular meeting of the Lac du Bonnet Regional Library board of directors at St. Georges on March 25, 1987.

HEARING DELEGATIONS
Public meeting - By-law No. 835, Rural Residential Designation to Part R.L. 50-51-52-18-10E consisting of a 9 lot subdivision by John Hutchison. No concerns were received (See Resolution No. 122/87).

Public meeting - By-law No. 836, Rural Residential Zoning to Part R.L. 50-51-52-18-10E along the north shore of the Winnipeg River. No concerns were received. (See Resolution No. 122/87).

ACCOUNTS
Resolution No. 123/87: P. Raymond - N. Roman WHEREAS the accounts of the Local Government District of Alexander for the period ending April 14, 1987 have been examined and found to be in order.

HEARING DELEGATIONS

Council conducted interview (in camera) in regards to the policing of Ward I for the summer months.

Community news

by Dess Trudell

This past month of April has been a great one, with wonderful spring weather that has been almost too good to be true. Every week some event of significant importance has been noted, starting with Easter, Secretaries' Week and volunteers being remembered, and Organ Donor Week, not forgetting that April is Cancer Awareness Month.

Last year the officials of the three communities - LGD of Alexander, Pine Falls and Powerview - signed the declaration sponsored by the Winnipeg River Lion's Club to help make people aware of the Organ Donor Week in April. The Lion's Eye Bank is just one of the many transport organizations in Canada, for which donated organs are received to improve the quality of life for others.

The donor card is on the back of your driver's license, and when filled out it is your consent for specific use, in case of a fatal accident. We may not wish to think of this possibility, but once signed it is forgotten - yet the intent is there to continue the gift of life. What better gift!

The many organizations, clubs, teams and groups that thrived all winter are having their wind-ups and awards nights these days. Makes you realize that this means baseball season, golf, swimming and tourist activities will soon be in full swing. There are many year-round groups who continue to dispense their fine services in the communities, and the courses for the summer programs will be announced from time to time.

The Horticultural Club for instance are encouraging the gardeners to start grooming their lawns, prepare flowerbeds and plant trees. My neighbours daffodils are a bright spot of color, and I share in their beauty every time I look out my kitchen window.

On May 8, in the Powerview School gym, the Don Pasquale concert will be performed at 2:00 p.m. The funds are provided by the schools' annual spring tea and are used to bring in such entertainment. The open house is held at Powerview School the day before on May 7 from 1:00 - 3:00 p.m. The tea is in the multipurpose room with a white elephant sale at 1:00 and bake sale at 2:30. The theme this year is "Dedicated to the Moms", as Mother's Day follows on Sunday, May 10.

La Leche League meeting

Women interested in information about breastfeeding are welcome to attend the next meeting of La Leche League of Beauséjour on Thursday, May 14, 1987 at 7:30 p.m. at the Public Health board room, Beauséjour Building, Beauséjour.

This meeting is the fourth of a series of four monthly discussions which offer both encouragement and breastfeeding information. Babies and fathers are welcome.

For further information about meetings, for breastfeeding help or to obtain a copy of *The Womanly Art of Breastfeeding* call Susan at 348-7739 or Twila at 368-1698.

Resolution No. 156/87: Nick Roman - K.A. Danwich RESOLVED that Manitoba Hydro be authorized to install hydro poles within 10 feet of the road allowance in the Pinewood Cover subdivision at Belair. Carried.

Resolution No. 157/87: K.A. Danwich - Nick Roman RESOLVED that David McKenzie be hired as seasonal police constable.

AND FURTHER BE IT RESOLVED that Don Cunningham be hired as assistant seasonal police constable; **AND FURTHER BE IT RESOLVED** that the resident administrator be authorized to prepare the necessary by-laws to appoint same.

FOR - Councillors Danwich, Roman, AGAINST - Councillors Raymond, Grewinski.

Reeve Lowing voted for the motion. Carried.

Gravel - Council discussed the graveling policy for 1987. No final decision made on the matter. Councillor M.A. Grewinski was absent during the discussion on the proposed graveling policy.

NEXT REGULAR MEETING

Tuesday, May 5, 1987 at 10:00 a.m.

SPECIAL MEETING

Tuesday, May 5, 1987 at 10:00 a.m.

ADJOURNMENT

Moved by Peter Raymond and seconded by Ken Danwich that the meeting be adjourned (4:00 p.m.).

Sand Bag League winds up season

by Rita Fontaine
On Saturday, April 26 the sand bag league had their wind-up supper. There was a very good turnout for this lovely supper which was catered by Mrs. Joanne Chevretils. Afterwards the awards were given out by president Sylvio Chevretils who was also emcee for the evening. Handing out the trophies was Carolus Vincent, vice-president.

Accepting first place for regular games was Josephat Vincent (captain), Philippe Lacharite, Paul Fisher and Roland Boulet.

First place playoff Art Kemball, Marcel Roy, Eliane Boulet (captain), Edgar Vincent.

Runners-up in playoff were Henri Desautels (captain), Antoinette Vincent, Evelyn Tardiff, Ben Pearson.

Highest average, highest square award to Josephat Vin-

cent, Rita Fontaine.

Highest spare awarded to Jean Dupont.

Best sportsmen, sportswomen award went to Gilles Goulet (Marcel Roy accepted on behalf of Gilles) and Jeannette Chevretils.

Twenty-seven awards of a lovely mug with sand bag emblem stamped on it were awarded for perfect attendance.

The evening ended with games of cards, or sand bag being played and just visiting with each other. We hope everyone enjoyed themselves. The sandbag committee wishes to thank everyone who came out for the evening. Also thank you to Mrs. Joanne Chevretils for the lovely supper. To Father Rejean Belanger for saying grace. We hope to see you all in the fall when the games resume in November. Have a safe and pleasant summer.

The sand bag league had two runner-up teams who also received awards. First team (front, left to right) are: Edgar Vincent, Elaine Boulet, Marcel Roy and Art Kemball. Second runner-up team (back row, left to right) are: Henri Desautels, Antoinette Vincent, Evelyn Tardiff and Ben Pearson.

Left to right: Carl Vincent, president of the St. Georges sand bag league presented individual trophies to the members of the top team, Philip LaCharite, Joe Vincent, Paul Fisher and Roland Boulet at the awards night and supper held at St. Georges Parish hall on Sunday.

Pine Falls Five Pin Bowling League report

by Sharon Mignon
Play-offs

The scores for Group 'A' semi-finals were: Richardson 4277, Anderson 4229, Bonekamp 4219 and Doyle 4172. Richardson and Anderson advanced to the finals where the Richardson team (Sharon Mignon, Art Witt, Yvonne and Don Powell and Pete Richardson) won the Johansson Trophy with their four game total of 4288. The Anderson team (Audrey Papineau, Carol Baker, Jeannette Lavoie and Gaylene and Ronald Anderson) were the runner-up with a score of 4193.

The scores for Group 'B' semi-finals were: best bowlers 4235, Kahle 4265, M.C. Misfits 4215 and Foul-Ups 4202. Best Bowlers and Kahle advanced to the finals where the Best Bowlers (Janice and Maurice Thevenot, Susie Dube and Keith and Susan Best) won the Margaret Ford Trophy with their four game total of 4402. The Kahle team (Adeline

Kein, Elsie Frank, Ida Cooper, Elaine Pinnell and Doris Kahle) were the runner-up with a score of 4308.

In both group finals, the trophies were won in the last game as there were only a few pins separating the teams going into the fourth game.

Some of the high games bowled in the semi and final games were: Don Powell 320 (283-273), Flo Vincent 303, Doris Kahle 282 (281-279), Fern Lussier 243, Terry Chikowski 238, Susan Best 234 and Debbie Lussier 230.

Thanks to all the bowlers who participated in the league this past year. Hope to see you all at the banquet on Saturday, May 9. Anyone wishing to purchase tickets please contact Pete Richardson (8376) by April 30.

The St. Georges sand bag league had their annual wind-up supper and awards on April 26. Trophy winners are (left to right): highest average, Joe Vincent; highest square, Rita Fontaine; and highest score, Jean Dupont.

Pine Falls Home and School news

Pine Falls Home and School is sponsoring a parent information night primarily for parents of students in junior high, but all parents are welcome, May 4 at 7:30 p.m.

Our purpose is to provide with as much information as possible that they may assist their children to make sound decisions selecting courses for high school.

To achieve this goal we have invited Susan Remington, admissions, Red River; Jack Coote, industrial relations, Abitibi-Price; Steve Meszaros and Bill Borlase, principals of Pine Falls and

Powerview schools; to offer their expertise.

Proposed agenda

Introduction of guests.
Principals: courses presently offered; options; mandatory; role of school in course selection.
Susan Remington: selection process; how parents and schools can assist in preparation; explanation of course requirements; profile of a successful student.
Jack Coote: general hiring practice of industry today; apprenticeships education required; past

experience concerning local job placements.

Question and answer period. Coffee time; guests are requested to stay and be available to parents.

Please try to attend.

Rate increase for PCH

Health Minister Larry Desjardins has announced that the authorized personal care home residential charge increases for the 1987-88 fiscal year have been established.

Effective May 1, 1987, the daily charge to all residents of personal care homes in Manitoba will increase from \$18.40 to \$18.70, with subsequent increases of 30 cents per day to come into effect on August 1, 1987, November 1, 1987 and February 1, 1988.

The minister pointed out that the daily charge is the same for all residents and represents only a small portion of the costs associated with services provided.

He said in establishing the rates care is taken to ensure that residents have sufficient income to pay the residential charges and still retain a reasonably amount for personal expenses.

The increases take into consideration the quarterly adjustments to the Old Age Security pension and Guaranteed Income Supplements and become effective the first of the month following the increase in this base income.

The increased charges will apply to residents of personal care homes in the province, and to patients in hospital who have been panelled and are awaiting admission to a personal care home.

— Main Unit News Service

Richard Kawecki heads NDP

The Lac du Bonnet NDP Association held their annual meeting on Wednesday, April 15 at the Brokenhead Community Centre.

There were about forty in attendance to listen to the guest speakers.

The chairman opened the meeting with a welcome and gave a brief report on the activities and achievements of the previous year.

Elections for the new executive were held with the following people elected: president Richard Kawecki, 1st vice-president Mary Sobovitch, 2nd vice-president Walter Zarecki, secretary Toy Rayer, treasurer Pat Rattai.

The first speaker of the evening was the Minister of Finance, Eugene Kostyra. He touched on various items of the budget. He felt that the federal government was trying to shift their responsibilities onto the provinces.

The second speaker was Lac du Bonnet MLA Clarence Baker. His main concern was the sugar beet industry in Manitoba. He too felt that the federal government was putting the responsibility of the industry onto the province.

Concluding the meeting was a question and answer period with coffee and doughnuts following which gave the people an extra opportunity to speak with the guests.
