Fort Alexander High School graduates

Desmond Bruyere

My favorite color is blue. I like listening to all sorts of music. I like most sports. I plan to further my education at RRCC in Winnipeg. I would like to become an architect after my short goal of becoming a carpenter. Most of all I like to listen to what is going on around me. I like winter because that's when the true boys of winter come out to play. I do some reading and watch the news.

Ursula Bruyere

Hi, Ursula Bruyere here to give you a brief description about myself. I'm from a family of nine: five brothers and three sisters. My parents are Wilfred and Sophie Bruyere. My grandparents are William and Angela Bruyere and Peter and Harriet Sinclair (deceased). My favorite colors are blue and yellow. My favorite food is Italian, especially cold pizza. Pepsi is my favorite drink but on a night out, I prefer Labatt's Lite. I enjoy all sports whether I watch or I play. My immediate plan after high school is to move into the city. I want to make a stable home for myself before making any future plans. I have always wanted to teach physical education and to work with the handicapped — so I have decided to teach physical education to the mentally handicapped. This is my most important goal. I have many other goals I want to achieve but listing them would be too long.

Dina Cook

I was born on May 28 (which will be a national holiday someday) in the year of our Lord 1969. My name is Julie Cook. I am the youngest of seven children. After I finish high school, I plan to further my education somewhere, doing something. I like reading, listening to music, hockey, Italian food, Mexican food, kiwi fruit, Quebec Nordiques, Winnipeg Jets, Bryan Adams, Gowan, Charlie Sexton, U2, The Fixx, Red River, French fries, chocolate milkshakes and my favorite songs are: Lunatic Fringe, Red Skies (at Night), Criminal Mind, and I Will Follow. I dislike Chinese food, math, biology, seafood, the Edmonton Oilers, pain, Springsteen, Starship, anything heavy metal, Chris Nilan, and the rest of the Montreal Canadiens, hot dogs, and mosquitoes. I dislike the songs *Nothin's Gonna Stop Us* and *Born in the USA*. (I am a proud Canadian). My advice to students: come to school and do your work or you'll probably be unemployed for most of your life.

T.W. Courchene

I was born in Saskatchewan, in the town of Balcarres on April 26, 1960. I am the youngest of two children. My childhood involved many moves. Because my father's job with Indian Affairs took him to an assortment of reserves, I followed along with my sister and mother. School was enjoyable until Grade 10 when I dropped out. After that there were jobs here and there but nothing very permanent. My dad died in September of 1986 and I determined my goals overnight. My daughter is named Jordan and is almost one and a half years old. The future holds many untold treasures for me and my family. However, it will be at least three to four years before we see any results. Graduation is just the beginning.

Donovan Fontaine

My favorite color is orange. I like ice cream, raindrops and talking on the phone. My favorite TV announcer is Brian Yususi. I like all sports that involve fans, including curling. My favorite time of the year is winter because it is so clean and white. My goal in life is to become a successful physician.

Kirk Guimond

Hello, my name is Kirk Guimond. My parents are Ronald and Marie Guimond. My plans for the future are to work for a few years and then go to university or college. My favorite sports are hockey, baseball, skiing and hunting. My favorite food is a peanut butter and honey sandwich. My hero is Edward Munsier. My hobby is collecting beer caps, but somebody spilled them out.

Michael Guimond

Hi, my name is Michael Guimond. My parents are Rose and Norbert Guimond. My future plan is to get a summer job and take it easy for a while. My favorite sports are baseball and volleyball. My favorite foods are macaroni and cheese, and soft ice cream. My hobby is collecting tapes.

Randy Guimond

My name is Randy Guimond. My parents are Gloria and Norman Guimond. I enjoyed school this year. I already miss doing my homework. My future plan is to study business administration. My favorite hobbies are bike riding, listening to rock music, and partying.

Wanda Twoheart

My name is Wanda Twoheart. I live at home with my parents. I have not lived in Fort Alexander all my life. I have lived in Winnipeg and for one year I lived in British Columbia. My hobbies are reading and going for long walks. At the moment, I have no plans for the future.

Congratulations!

Hope all your future aspirations are met with success.
