RECREATION OUTLOOK

All established areas are at full capacity with Fitness and Tennis being at the top of the list.

The July 8 dance with Hard Rain wasn't exactly spectacular compared with July 1, so I'll be trying hard to improve the atmosphere for July 15.

I am extremely pleased to see that Art, Yoga and Macramé classes are big successes. The instructors tell me that the participants are very interested, but then, so are the enthusiastic leaders!

For Men Only - Don't let your lady friends be in better condition than you! Don't be afraid to participate. The ladies would love to have you join in.

Teen Night - On July 14, Friday, and for the remaining Friday nights in the season, the club will be open for all teens to come out and listen to records, play table tennis, volleyball, etc. It all begins at 9 P.M., right after recreation. By the way, those volleyball courts are filling up rapidly at nights. Also I am very pleased with the number of people who come to participate in or watch the evening recreation program.

Volleyball - There will be 2 volleyball tournaments this summer. Both will be co-ed teams so get your teams ready and watch for posters.

Drama - Would you believe a drama session at V.B.?!O*. Yes, in August there will be a week-long workshop for ages 6 to 8 so parents, enter your talented youngsters.

Photo Contest - This year we would like to see your impressions of V.B. on film. The contest will be judged the week-end of August 19.

Tennis, Volleyball, Hiking - There seem to be more & more programs such as tennis for 10 and under on Monday Mornings & volleyball for everyone on Thursday afternoons so check the schedule at the store or clubhouse. Hey kids, don't forget the hikes, so far a lot of fun.

Bicycle Race - Come out July 22 to the sports' ground, no age limit on people or bikes. Bring an 8" x 11" piece of paper and a pen or pencil.

BILL MACDONALD, Recreation Director
210 - 7th Avenue.

P.S. The tennis clinic has been postponed to the week-end of July 29.

FISHING DERBY RESULTS

This year 109 children registered for the Fishing Derby and altogether they caught 137 fish. If the number of fishermen continue to increase we will have to make application to the Government to have the pier enlarged. Prizes for the most fish caught by the girls went to Cindy Kasper in the 8 & under; Lauren Brett in the 9 & 10 year old class & Diane Borger in

the 11 & 12 year old group. Cindy Kasper also got the prize for the biggest fish caught by a girl.

Winners for the boys were:

Sheldin Einfeld in the 8 & under; David Bauman in the 9 & 10 year old group; Jim Borger in the 11 & 12 year old category and Wolf Kraft in the 13 year olds.

The biggest fish was caught by Colin Perriman who landed a 25½" Northern Pike.

While our fishermen did not catch as many fish this year they certainly made up for it in the number of large fish caught to say nothing of the ones that got away.

GRAHAM McLEOD

THE BIGGEST EVENT OF THE SEASON!

Over 8 times bigger than the 200 yard swim and twice as big as the ½ mile!

The One Mile Swim: Time - Sunday, July 23, 1:30 p.m.
Place - The Pier. **Categories**, For both boys & girls: 12 and under, 13 and 14, 15 and over, plus this year's special category, adults over 30!

All participants are requested to bring a lap counter. If you can swim a mile, enter this event as your chances of winning a ribbon should be good.

BILL MANN

Editor's Note - Think this "over 30" bit is instituted so that the convener can enter the race himself, so come on worthy ancients (or ancient worthies), practise up with a few miles to Gimli & give him a run for his money!

CHILDREN'S BEACH EVENTS

Say kids! Got a really good tan this year? Freckles thicker than ticks on a dog? All set to challenge Elaine Tanner's swimming records? Want to be special adviser to King Arthur for castle building (sand, of course)? Next Saturday, July 22 is your day to cash in on your special claim to fame. Prizes and ribbons will be given in a great variety of contests for kids 10 years and under. Free dixie cups for all competitors! So remember next Saturday, on the beach in front of the Clubhouse at 11:00 a.m. If we get rained out, same time & place the next day - Sunday July 23.

RICHARD & ELIZABETH GROVER

SWIMMING PROGRAM

"Enrollment this year has been very good with approximately 318 people participating so far. The weather has been exceptionally good, but if its raining or very bad weather, lessons will still take place in the clubhouse. We hope more people will join "Swim to Gimli". Its good exercise for everyone so come out and swim."

DEBBIE QUINTON

SPORTS DAY, Sat., July 15 - 10.30 a.m., Family Races; 7.30 p.m. Father & Son Softball
HALF-MILE OPEN SWIM, Sunday, July 16 - 1.30 p.m.

FAMILIAR SIGHTS ON ALEXANDRA BEACH (or "Why We Keep Coming Back Year After Year")

— Grover children and gorgeous grandchildren, an ever-increasing tribe. It's a good thing they're so nice or we'd feel it was a take-over!

— Hogan, dancing hysterically on shore or swimming out to "save" Mrs. Wallace or Dodie.

— Our professorial contingent, the Hulls of St. Catharines and the Woods from Calgary, Bill and John putting on a good show of being immersed in those weighty tomes they prop in front of them. Add to them "Bearded Bill" (Duff) seemingly quite oblivious to his 5 and George Heffelfinger enthroned on the only lawn chair on the beach reading what appears to be a hot issue of the Encyclopedia Britannica while the rest of us are prone around him.

— The Ken Grays and the O'Neills from Toronto catching up on the year's activity. Don't think we should advertise how pretty all those Gray & O'Neill girls are, or there won't be room on the sand.

— A great crew of little brown-skinned boys with so much energy that it makes you tired just to look at them. Their current favourite game is making a fort behind the big rock in front of Clendennan's and "Plotting Things."

— Christine Berger, the size of a minute and age 3, ordering people around, like the beach veteran she is!

— The Mildrens, old faithfuls from "Away back" who swim when all around are cringing with cold. Wally tries to allay our fears about rising lake levels, but why is he swimming like there was no tomorrow?

— June Westbury, resplendent in straw hat while all around her the noses are peeling.

— Daddies with time and patience enough, temporarily at least, to play endless games with their little families.

— Mothers lazily consulting as to which combination of cans may be opened to concoct a gourmets' delight in ten minutes after a long, hot afternoon on the beach.

What's the group around you doing? Yes, gang, there really is a Herald News Box in the store now as well as in the library. So deposit your "goodies" there.

THE FLAG

A few days ago I sat with a friend on a green bench admiring our Memorial Park. Memorial? Memorial to whom, for what? All the vicissitudes of two wars came crowding back, the loss of friends, brother, husband. Just then a Municipal truck came and two men ran up the new flag Canadians were determined to have to prove their identity and independence. Lorne Anderson securely (and cleverly we thought) tied the ropes high up on the flag pole — out of reach of mischievous little boys. We were proud as the flag waved bravely and looked so pretty against the green.

The next day the flag was gone! Where? No child could reach it! 'Breathes there a man with soul so dead.' It is true that the flag ought to be taken down at sundown. Is there an old soldier or better still, a teen-age brigade who will volunteer?

THE VOICE

BEACH PEOPLE

Mrs. A. H. Morrish had as her guest this week Mrs. Joyce Price of Canberra, Australia. Mrs. Price is one of 12 members of the Committee of the World Association of Girl Guides and Girl Scouts.

The Browns — 306-8th Ave. — are holidaying at their cottage. With them for the month of July are their family from Thunder Bay, Ab and Betty Hansford and Diane, Laura & Barbara. Betty & Ab also wish to inform the populace that, all publicity to the contrary, they are *not* running a Day Care Centre.

Dr. & Mrs. W. M. Sibley and son Jamie are back at the beach again this season, renting at 311-2nd Ave. Jamie will go to Pioneer Camp on August 4.

Mr. Chuck Chadbourne of Vancouver is guest at the "Grais Place" with daughter & son-in-law Barbara & Gary and grandchildren Roger, Louise & Ian.

Erica and Hans von Kampen, Ulrike and Bettina are starting a 2 week holiday this week-end at 133 Centre.

Mr. & Mrs. Fred Wansbrough of Toronto will be visiting this week at "Fort Knox" with son-in-law & daughter, Keith & Sally Knox, and grandchildren Allison, David & Jim.

Mr. & Mrs. W. Patterson and family are holidaying for the month of July at the Muldrew Cottage on Sunset Blvd.

Congratulations to Mr. & Mrs. Des Con on their Silver Wedding Anniversary.

Mr. Miriam Walton and family are holidaying at the family cottage on Sunset for ten days.

Mr. & Mrs. Dave Reid, Sixth Ave. have opened their cottage for the season.

Mr. & Mrs. J. Grabowecki, 407-4th Ave. are back from Calgary for the holiday season.

Dave & Avonne Trainor, Patty & Joey have been visiting with Bill & Nancy Mitchell & family.

Shirley & Jim MacDonald and Steven were visiting with the Stevenson's at 207-1st Ave.

Ross & Shelagh Yarnell have as visitors Shelagh's brother & sister-in-law Brian and Pat McCulley and three children.

Herb & Lynn Sage and family are back again at the corner of 4th and King Edward.

Fourteen-year-olds Kevin Stafford & Gary Mattocks made the trip from West St. James to V. B. by bicycle in 6 hours last Thursday. This time included a brief stop at the friendly Chorney farm where they were invited to share a second breakfast with the family. Have these fellows established any kind of record?

Mrs. Ron Shepherd, wife of the Anglican Dean of Montreal is occupying the family cottage on Arthur with Mary, Jeremy, Christopher, Susan, Timothy & young Peter. The Dean drove them out from Montreal and when they were happily settled for the season, hastened back to his pastoral duties. He is hoping to return to the Beach for his well-earned holidays in the month of August.

Prof. and Mrs. W. H. N. Hull of St. Catharines and their delightful family of Victoria, Martha, Christopher and young Derek are occupying the Grant Cottage at 339 Sunset. Among their first visitors on Sunday July 2nd were Mr. & Mrs. Lee Southern, Mr. & Mrs. Errick F. Willis, & Mr. Derek Bedson of Winnipeg and Mr. David Patterson, Ottawa. In spite of surprisingly cool weather, a delightful time was enjoyed among the beauties of V. B.

SAILING INTEREST GROWS

The open house held at the Yacht Club last weekend provided a large number of cottagers an opportunity to visit the club premises, inspect the boats and in a number of cases experience for the first time the thrill of sailing, as members placed their boats at the disposal of visitors.

In conjunction with the open house, Tam Scott conducted a clinic on basic sailing rules which was attended by some 40 people. This clinic was a first in a series to be held this summer and judging by the reaction to this initial effort the series will be a success.

Competition is now well underway and the results of the two races held over the weekend were as follows: Saturday — Race No. 1 — 1. D. Hughes 2. T. Scott 3. S. McMorris. Race No. 2. — 1. S. McMorris 2. G. Garbutt and B. Garbutt 3. D. Tomlin and G. Tomlin. Sunday — Race No. 1 — 1. T. Scott 2. P. Duke and V. Duke 3. A. Moore and P. Moore.

DAVIS — In loving memory of a dear husband and father, Wm. H. (Bill), who passed away suddenly on July 17, 1968.

A day of remembrance sad to recall,

Without farewell he left us all,

Till memory fades and life departs,

Dear Dad, you will live forever in our hearts.

Lovingly remembered by wife Fran and family of 321-7th Ave.

BIG NEWS FROM THE GOLF COURSE!

An interview with Mr. Spinks at the Golf Course revealed that there is an all-time high membership of 388 to date. About 50 youngsters played on the first Juniors afternoon last Tuesday. Student memberships are \$10.00 per month or \$20.00 for the season.

No doubt the most exciting event recently at the Golf Course was the Hole-in-One made by Joe Donovan Jr. playing with his father, Joe Sr. and son Tim. This took place on July 4 on hole 3 — 92 yards — using a 7 iron. Witnesses included Mr. Bennett and 2 greenskeepers. Congratulations!

..third largest in Canada

Lake Winnipeg is the third largest wholly Canadian lake and the twelfth largest fresh water lake in the world. With an area of almost 9,500 square miles it is larger than Lake Ontario and almost as large as Lake Erie. The province of Prince Edward Island would fit comfortably into its northern end.

Water enters the lake via three main river systems. The Winnipeg River accounts for about 39% of the inflow and drains the area east to within a few miles of Lake Superior. The Saskatchewan River system, draining almost the entire Canadian prairie region, accounts for about 32% of Lake Winnipeg's water. Only 6% enters from the Red River while the remaining 23% is fed by smaller rivers like the Berens, Poplar, Pigeon, Bloodvein and Manigotagan. The lake's drainage basin totals an impressive 370,000 square miles.

Primary cause for the seasonal fluctuations in the lake's level is the shallow and restricted outlet at the north end through Playgreen Lake. When the total flow of the rivers that feed into the lake exceeds the outflow from the lake and losses through evaporation from its surface, the level of the lake rises. This situation may be aggravated by excessive precipitation in the entire area of the basin draining into the lake. Over a period of years of continuing heavy precipitation, a build up of water may occur which will cause unusually high lake levels such as happened in 1966. In order to prevent this from recurring it is necessary to enlarge the outlet channels so that water can escape at least as fast as it enters the lake. How this will be done and how the escaping water will be put to work will be explained in subsequent messages.

Manitoba Hydro

Please direct questions to Manitoba Hydro, Public Relations Department, Winnipeg, R3C 2P4. In a later advertisement we will answer as many questions as possible in the space available.

SPORTS DAY - 1972

The weather turned out to be ideal after a week of bad weather for approximately 200 children and 100 adults taking part in sports day 1972. Many races had to be run in 2 or more heats, especially the 9-12 group.

Thanks to all the volunteers, particularly Ron Storozuk, Bill Ritchie, Ken Little, Bill MacDonald and to Wendy Downs who helped the recording secretary Jackie Storozuk who did a tremendous job.

Special thanks to Silverwood Dairies for their usual good ice cream.

RON STELMACK, Convener.
