## THE GREAT RIDE

On Wednesday July 2nd, Deborah Ledger & her girlfriend Hazel Neufeld set out on what was to be perhaps their longest and most strenuous bike hike of their lives. Travelling in 29°C weather, the two girls both fourteen years of age left Fort Richmond at 6 a.m. and arrived at Victoria Beach at 6 p.m. This long 83 mile ride left both girls red as lobsters and totally exhausted. Both girls agreed that it was the first & last time that they would ever try to cycle that far again. They have decided to take the car back home to Winnipeg. Congratulations Deborah & Hazel.

## BRIDGE

Another bridge season was off to a fine start with good turn outs the last two Mondays, which shows that some old enthusiasm exists for the game. Those of you who haven't tried it, come and join us some Monday soon for a pleasant and sociable evening. Winners for the past two sessions were: June 29th — 1st, Mrs. Verity; 2nd, Mrs. Grace Long. July 7th — 1st, Mrs. Edith Dewar; 2nd, Mr. Bob Plaxton.

A special thanks to Caroline Carriere and Kathleen Gunter for arranging things the first Monday.

Oh, mighty Lake! that stretcheth far,  
To utmost bound of utmost star,  
Or lieth clam as anything  
Beneath the beat of sea-gull's wing;  
Oh, mighty Lake! what tongue can tell  
The Mystery of thine ancient spell?

I've seen thee lie as calm as glass  
While boats across thy bosom pass;  
I've seen thee rage, no longer kind,  
Swirled onward by the furious wind,  
Oh, mighty Lake! what mystery  
Is thine of ancient history?

When summer blooms, come myriad feet,  
Retiring from the city's heat,  
Some solace from they shores to gain,  
And each and all come not in vain;  
Yet scarce one heart gives passing thought  
To all the changes Time hath wrought.

They laugh, they jest, that happy crowd,  
They sport with thee, Thou Lone and Proud!  
Thou Gaint Force! beholds them play,  
The little creatures of a day.  
And God above doth all control -  
While climates change and ages roll.

**AUGUST 3, 1926 - VICTORIA BEACH CLUB**

**WHAT HAS BEEN ACCOMPLISHED**

A powerful organization of cottage owners has been built up.

Last year, under the presidency of Dr. N. J. MacLean, a Club-House, beautiful in design and unrivalled in location, was erected at a cost of \$5,000 and was opened by the Lieutenant-Governor, Sir James Aikins, accompanied by Lady Aikins.

**WHAT HAS BEEN ARRANGED FOR THIS SEASON**

Saturday night gatherings and Church services as in the past.

A larger and better orchestra.

Lectures under the auspices of the Natural History Society, the Royal Life-Saving Society and other bodies.

A programme of races for the children on Monday (Civic Holiday), August 2.

A grand masquerade on August 7.

A loud-speaking gramophone to provide music for mid-week dances.

Additional chairs and lights.

**WHAT IS STILL NEEDED FOR THE CLUB-HOUSE**

A coat of paint. This is required, not for the sake of effect, but for the actual preservation of the building.

Additional equipment, including sanitary toilets in the cloak rooms and tables for cards.

**JUNE 15, 1930 The "Herald" Makes Its Bow**

The "Herald" makes its bow this week to residents of Victoria Beach, and to many thousands who are outside of the Beach, but who are warm and solicitous friends of Victoria Beach.

The "Herald" will be one hundred per cent. behind the many progressive movements which are keeping Victoria Beach well to the forefront as the one beach in all this section of Western Canada which has attracted attention to itself because of its unsurpassed natural beauty and the sterling quality of its people.

The Municipal Council, the Community Club, the Victoria Beach Company, the Church committee, the merchants and all others in business here, including the Canadian National Railways will find in the "Herald" a means to help them in all their enterprises, the gold of which is the betterment of the community.

Free and untrammelled as to its editorial views, these links that bind Victoria Beach will find a warm supporter in the "Herald".

This should be a real community paper. Those who are living the glorious summer at this resort should help the news columns of the paper by sending in names of visitors to the Beach, the social affairs that make days and nights so interesting, and should keep the "Herald" informed of what they think should be done to add to the fine character this beach possesses. The storekeepers will receive these news notes willingly.

So can Victoria Beach, day by day, be made better and better, a place of beautiful and pleasant memories.

Mrs. Harry McFee, a long time resident of Victoria Beach, will be celebrating her 90th birthday at her residence, 223-6th Avenue, on Monday, July 21st. Her many friends on the beach are invited to join her on this happy occasion between 3-5 p.m. and 7-9 p.m.
