CHILDREN'S MASQUERADE

The annual evening combining children's imagination, parent's makewithitness, judge's wisdom, tired babies and frustrated mothers, marching music, and general chaos was held in the Clubhouse Saturday, August 16. Victoria Beach seems like our real home to many of us because of the type of spirit represented by the good friends who volunteer for community club events. For the masquerade these included: judges - Sheila Grover, Rod Peeler, and Bob Plaxton; prize distribution - Dawn Kirbyson; announcer - Norm Carrier (where does this teacher get the energy to work with kids all year round? and do such a good job!); and recorder - Alice Grover. We also wish to thank Ed Earle of the McDonald's restaurant on Main St. and Cole's Book Store at Polo Park for supplying us with prizes at discount. Every child under 6 (and most over) won some sort of a prize.

FROM THE EDITOR

This is the final edition of the paper for this season—the Herald's 50th Volume. Where space has allowed over the summer, excerpts from some of the early editions have been inserted. I hope you have enjoyed 'looking back' on a bit of the beach's interesting history. I have discussed the possibility of a Souvenir Edition being printed that could be sold for around \$1.00. This is a matter to be discussed with the Community Club executive and would not be ready this season but if put together during the winter could be available at the Annual meeting and perhaps at the library next summer. This would be made up of excerpts from the Herald's back to 1926.

I must admit I was flattered but sceptical when asked if I would take on editing the Herald this year but can honestly say that I have really enjoyed the opportunity. Especially the side benefits of getting to meet all the handsome chairmen of the various activities — and oh yes the chairladies were very nice too! The co-operation from everyone was great making the job a pleasure. Thanks to all who have contributed news items, results of activities and the advertising to make it all possible! Ginny did a terrific job on arranging for the advertising. Thanks Ginny. Most of all I would like to give a bouquet to Lawrie Pollard who so faithfully takes all the bits and pieces of paper into Winnipeg every Monday morning and brings back the finished product Friday evening. That's service!

It has been a very good summer weatherwise — except for the 'fish fly invasion' we have been very lucky as far as insects are concerned too compared to other areas. The green has never looked so lovely — the flowers so colorful — beautifully arranged and maintained by John Shand. I know how hard the clubhouse boys have worked and the tennis court assistants and beach boys. We all appreciate their efforts. Mr. Ivanoff's artistry in building the fountain is a constant reminder of his love and appreciation of Victoria Beach and a joy to all who pass by each day.

BRIDGE NEWS

August 11th — 5 tables of bridge fans turned out for an evening of very good playing — some very interesting hands. Top scorers for the evening were: Miss Cherrie Archibald 1st with 5170; 2nd Jim Peebles with 4870. We'll be playing Mondays until August 26th. Come and join us.
