## President's Message

**H**ow many children can attend Family Recreation night and still have fun? Derek believes the number of participants could be as high as 160! That's got to be a record! With Derek, three assistants and four activities happening at once, the sports ground is a beehive of activity. Thank you very much to the moms and dads who help out Mondays, Wednesdays and Fridays. If any other parents would like to get involved they are most welcome. Also a big thanks to Derek for organising the masses.

Parents and children alike are trying very hard to remember their membership cards and we really appreciate their efforts. If you are wearing a tennis toe tag this can be used as a substitute for the membership card. We are asking non-members to pay a loonie if they wish to attend aerobics, yoga, arts and crafts or any special event such as the children's masquerade or the Fishing Derby etc. We sincerely hope that most families will buy memberships and only guests will use the option of paying a loonie. We look forward to your comments and suggestions about our new policy at the Annual Meeting and lunch on Saturday, August 31, at 12 noon at the Clubhouse.

On behalf of the Community Club I would like to thank Herb and Jan at the V. B. Grocery store for selling memberships between two and four o'clock each day. We really needed a central location and this has been a tremendous help to the club.

It may seem a long time away but I would like to invite you and your friends to our semi-annual meeting on Saturday, April 13, at the Winnipeg Winter Club. Tickets are only \$10 and the evening will start with a short meeting followed by a dance and beef on a bun. It will be a terrific opportunity to see your beach friends before the season officially starts. Please call me at 756-8274 to reserve a spot for you and your group of friends.

Enjoy the upcoming events and thanks very much for bringing your membership cards.

### From the Editor

Obviously by this note, your faithful Editor and Business Manager have survived four *Heralds*. There are only a couple of stories that I have not been able to run because of illegibility. Both stories involved the (Barely) Adult Dance. One story involved an alien with night vision goggles on Clubhouse Beach and the other involved something called "spooning?" Clarification is requested. Reports of a number of bicycle accidents at intersections within the Beach would suggest that we look both ways and slow down. I have heard of at least two broken collarbones, and have experienced a trip over the handlebars myself and can vouch that it is bad for the golf swing. The mailbox is always open and any suggestions and new ideas are welcome.

Mark Tooley

### Letters to the Editor

To the Editor:

Upon arriving for my family summer vacation, I was extremely disappointed to find there was no Doctor at the beach. I have been coming to the beach for thirty years and can never recall not having one. As a parent with two small children who have had numerous medical problems and operations; just knowing a Doctor is available makes everyone rest better. Not only for the children but let's also consider those with a weak heart. I hope the situation never repeats itself.

Sincerely,  
Lynda Saunders  
306 - 7th

To the Editor:

It is felt that there are many people in favour of our new "dog bylaw". I am one of them. However, in canvassing numerous other dog owners, it would seem more reasonable to change the current bylaw (no dogs on the beach from 10:00 a.m. to 8:00 p.m.) to no dogs on the beach from 11:00 a.m. to 6:00 p.m. There are few people on the beach before 11:00 a.m. and even fewer after 6:00 p.m. Therefore, it would seem these hours would be more appropriate for all concerned. If you agree with my suggestion, please kindly contact one of our counselors.

Jamie Scott-Haywood

To the Editor:

I am writing to you regarding a "Local Warning" published by the police in the last issue of the V.B. Herald on the subject of dropping flares over Lake Winnipeg.

There is one misleading statement in this Warning stating that these flares could "re-explode when touched". This in fact is not true because the flares are not explosives but rather a slow burning magnesium canister. A "spent" canister washed up on the beach could not be re-lit and could definitely NOT explode.

I apologize if the original advisory put out by Capt. Kinley did not make this clear but I hope I have shed more light on this subject for the people of Victoria Beach.

## Men's Golf Tournament

Everything seems to be unfolding according to plan for the 1996 Men's Open Golf Tournament. One hundred forty-four men will compete in a split draw format on Friday, July 26. There are a few spots still open for the afternoon start for anyone who is still thinking about it.

A reminder to all those who have already registered - the A.M. draw starts at 8:00 a.m. sharp & the P.M. draw goes at 1:30 p.m.. Please arrive at least 1/2 hour prior to each draw as there are the usual formalities to address, as well as walking to respective starting holes for the shotgun start.

Even though the format of this event has changed and it is almost impossible to guarantee everyone a prize for competing, we still are accepting prize donations. These can be left at the course and we urge you to identify yourself or your business so we can aptly acknowledge all contributors. See you on the 26th.

Ken Rowson

## Ladies Golf Tournament

There are still a few spots left for the Ladies Tournament on Wednesday, July 24. Entry fee is \$6.00 and the green fee is applicable. Prize donations are still being accepted, so don't be shy about dropping off a prize at the golf course. Please remember that the shotgun start goes at 9:30 a.m. on July 24th. We ask that everyone arrive by 9:00 a.m. at the latest. If the course is closed due to excessive rain, the tournament will be held Thursday, July 25th. If the course is not closed, but it is still raining, the tournament will continue as planned.

Now, if you are still not sold on this event I have recently confirmed sponsorship by Corby's Hiram Walker Distilleries for this year's tournament, in addition to the Canadian Airlines Hole-in-One contest. This is certainly shaping up to be a great day. See you then!

## ★ Superstars of the Week ★

Megan, Heather, Lisa, Jennifer, Betty and Pat will all help us crawl our way back and forth beside the pier in the 800 metre swim on Saturday. This great school of ladies deserve the Flipper award for taking down our times and giving us theirs. Thanks, ladies.

We owe Barb and Andy Humphreys the Oscar award for best costume casting - an exclusive V.B. category. We look forward to a fantasy filled, star studded event Saturday evening and we thank you both for setting the stage for this year's Masquerade.

The Masters Tennis Tournament is brought to us this weekend by Master Mike McCuaig. We appreciate you taking the time to ad-in, ad-out, and add up the matches this weekend, Mike. Players have your I.D. ready, you've got to be at least 40, Love!

The perch are nervous and the pickerel are trembling as news of the annual Fishing Derby floats around the pier. Once again, the brother and sister team of Adele Korolyk and Bruce Woodward deserve a fine kettle of fish for luring us out to the pier in search of the big catch. From the bottom of our tackle boxes, we thank you both.

Penny McMorris

## Beach People

Jamie, Scott and Jevian Haywood would like to welcome Nancy Yaeger of Atlanta (formerly of Barbados) to Victoria Beach and their cottage. Though the water is not turquoise blue, we hope she finds our bit of paradise a welcoming spot for her vacation.

\*\*\*

The Union Jack is flying at the Craig cottage, 316 - 7th, where son Rob and his wife Jenny are visiting from Chester, England.

\*\*\*

July 6th to 26th, Vic and Ruby Garden at the "Garden Patch" at V.B. are having and thoroughly enjoying the company of daughter Victoria Fainstein and grandchildren Jessica, 6 and Brady, 4 from Richmond, B.C. Their little pink and blue bikes are burning up the roads and trails to the Park, the Beach, the Moonlight Inn (for Chicken strips and fries) and oh yes, the Bakery (for Mom's white Irish).

\*\*\*

The Rathwells extend a warm welcome to Janet Reeve and her husband Alan Lewko who are coming all the way from Grand Cayman Island. Although the snorkelling is a little better there, our beaches will make them feel right at home.

\*\*\*

A "Gray Family Reunion" will be taking place this weekend at 325 Sunset. Michael and Trudy Tritt (Montreal) will welcome Tannis (Vancouver), Jane (Edmonton) & Hilliard (Edmonton) MacBeth; Dayle (Edmonton) & Leslie (Vancouver) Wisbart; Barbara (Vancouver) & Bobby (Ottawa) Tritt. In addition to being first cousins, they are all grandchildren of Florence Gray, a long-time summer resident of Victoria Beach. Having spent memorable summers here over the past forty years, there will be lots to discuss and hopefully new memories to take home. Joining the reunion will be Melanie and Stephanie (both from Montreal), daughters of Trudy and Michael.

\*\*\*

The Allan Morrish family revisited "The Folly" for the first time since Grand Mosquito Year of '91, when the twins were seven months old. Now, at five, all were greeted by Mother Bear & cub appearing from the bush behind to stage a sunflower seed picnic. (Will the kids ever be allowed back, worries Gran Hilda...?) However, the beaches & golf course wreaked their magic and tiny twin cycles sped along the lanes with brother Marc on guard at intersections. With Buddy's help, a great time was had by all!

## Recycling News

WOW!! THANKS!!

That's what immediately comes to mind when talking about Recycling at V.B. What a great job everyone is doing filling those bins with recyclables and saving our environment. THANKS for all your support and interest - Let's get even better!

Just a reminder (or 4):

1. Please be sure to read what we recycle in each bin; we're not quite in line with the city.
2. Please NO GARBAGE (we do get too much). There is a weekly pick-up for your avenue. Call the Information Office if you're not sure when your pick-up is. There are garbage cans by the gate for incidental garbage.

## Best Spot on the Lot

"Best Spot on the Lot" Raffle is once again taking place this year. Janice Williamson and her committee have put together a 1996 plan to raise funds to help support purchasing up-to-date medical equipment for the Municipality of Victoria Beach.

On the immediate horizon, there is a need to replace two major pieces of outdated medical equipment. Required are a new portable monitor-defibrillator and a new emergency equipment kit. Our present monitor-defibrillator is ten years old and there are no longer parts available for future repairs and upgrading. The purchase of a modern unit will be \$11,000. A new emergency kit will cost approximately \$2,000. Hopefully, with strong support from community members, we will be able to purchase these items for next year. You can help by purchasing a "Best Spot on the Lot" raffle ticket(s) at: V.B. Parking Lot, V.B. Grocery, Moonlight Inn, Police Office, or at 305 Sunset. You will not only be contributing to a very worthy cause, you will have the opportunity to win a personal parking lot space or four free taxi rides for the 1997 season. Tickets are only \$2 each.

The Victoria Beach Medical Support Advisory Committee greatly appreciates the efforts of Janice and her committee in raising funds for something that benefits us all.

Beach People (continued from page 6)

Jack and Betty O'Mally had the pleasure of welcoming two visitors from Holland - Wil Wikkerink and Truus Branderhorst. They had billeted our friend, Alan Fairbairn who accompanied them at their homes in Deventer during the 50th Anniversary celebrations last year. Once again Victoria Beach worked it's magic!

\*\*\*

Ron and Helen MacIntosh - 50th Anniversary! Helen has been coming to Victoria Beach for over 70 years. Her father Arden Trickey built the first cottage at 301 Sunset in 1919!

Wasn't that a Party? Could have been the Laughter! Could have been the Food! Could have been the "Gathering of the Clan" July 13th when Ron and Helen MacIntosh were paraded from 301 Sunset to 221-5th Ave, by youngest grandchildren: Garrett, Kristen, Ian, Andrea & Kerry. It was hard, but the kids were great at keeping Ron & Helen's "50th Anniversary" surprise party a secret. Sons, Ron & Tammy, Laurie & Lynda, Ted & Pat, Gary & Maxine managed, but found it hard to keep Helen away from the preparations. The family enjoyed a great dinner prepared by Chef's Extraordinaire Ron & Laurie, Ted and Lynda used all their hot air for the balloons, that were still popping Sunday morning. Gary & Maxine were official photographers, they needed lots of pics since they're moving to Calgary in August. All other jobs were done by someone else while Tammy & Pat relaxed with a wine...#1 grandson, Ron Jr. and his new bride Angie fared well at their first family shindig. Grandson Scott arrived from Kenora with friend Rhonda & Dustin Lowen, and granddaughter Shauna Lyn arrived from Langdon, N.D. to announce her new job in College Station, Texas, starting August 6. Shauna is making sure she has lots of room for all the visitors from "the Peg." She knows winters are long and cold! Thank you to Gary & Nancy Danwich for the use of their cottage to sleep all the extra bodies. Thank you to our neighbours for their kindness in not reporting our noise level to Dan. We promise quiet for the rest of the summer - Not!

Bike Rally Winners

The first annual McMurray Bike Rally pedaled off into the sunset late Friday, July 12th. Pre-race drinks were consumed. Teams were drawn and the instructions handed out. As the starting bell rang and envelopes were ripped open, strategies started to emerge. "I'll take 8th and the parking lot, you head for the pier, bakery and swings, and you try to bribe the taxi drivers and question the police," could be heard. Pat Hastings was seen and heard giving false answers and Helmut Unruh was entirely too honest. Ken Rowson ripped answer sheets out of opponents' hands and Gerilyn Rowalt was caught lying at the bakery and parking lot. Ivan McMorris was in too much of a hurry to see the one phone booth on King Edward while Lisa Hastings was ogling owls on Sunset as her team-mates plodded on. Keith McMurray had his bike thrown in the bushes and Dan Rowalt may or may not have been the culprit. Lauren Johnstone did a superb job of finding Di's Den and Seventh Heaven and Kevin Gooding knows exactly how many kinds of cookies the bakery makes. Anita Gooding was seen looking lost and lonely somewhere on 4th Ave. while Michelle Rowson followed Lisa owl-hunting down Sunset. Penny McMorris scooped a Polaroid for the winning team photo and Louise McMurray maintained the homestead, serving the sweaty, tired peddlers a great dinner complete with dessert to die for, and great prizes. Til next year....

## A Gardening Open House

Please come to an "Open House" at #23 McCord Drive, Sandy Bay on Sunday July 28 from 1:00 - 6:00 pm. See a lovely garden of Lilies and Delphiniums at my lakefront cottage. Walk or ride over via the lakeside path to Sandy Bay, which begins at the bottom of 8th Ave, behind the pump house. It is only a few minutes from there. Looking forward to seeing you whenever you may wish to visit my gardens.

Dr. R. A. Gallop

## You Were Observed!

On the morning of July 13th, the goods for the Flea Market were resting comfortably on the Boulevard at 8th and Patricia, awaiting pick-up. A gentleman on a bike towing a small yellow trailer was seen picking up a metal-framed clothes rack and heading north on Eighth. Knowing the purpose for which it was meant, the gentleman might now like to make a \$5 to \$10 donation to the Victoria Beach Club.

## Books at The Beach

Peter Tittenberger

SULA - Toni Morrison

"Sula is one of Toni Morrison's earlier books. It's about a woman named Sula and her life in a small Ohio town. It spans about 30 years and details the life in her community and it's inhabitants. It's the first book of Toni Morrison's I've read and I enjoyed it. It's available at the Winnipeg Public Library."

### Members of the Book Club

Donna Plant, Vivian Moore and Joyce How

Piano Man's Daughter - Timothy Findley

"His prose is poetry." "It's an intriguing story line with much compassionate insight into his characters." "It's an interesting view of the turn of the century life in Toronto and rural Ontario." "He did an amazing amount of research with great understanding about the lack of sensitivity to people with physical or mental disabilities."

## Bridge

There was another fine turnout for Bridge on July 8th. Once again there were four tables of Regular players and five tables of Social players. The old saying of "the more the merrier" also proved true and it was a pleasure to see so many enjoying their favourite game. A note of interest was that there were three generations of the Gillett's at play among the social group. Top scorer for the evening were Roland Penner first with 4000, and Helen Dennehy second with 3330. See you Monday at 8:00 p.m.

## In Memoriam

Davis, Wm. H.

In loving memory of a dear husband and grandfather,  
who left us suddenly July 17, 1968.

Calm and peaceful he is sleeping,  
Sweetest rest that follows pain  
We who loved him, miss him  
But trust in God we'll meet again.

Ever remembered and loved by wife Fran and family of  
321-7th Ave., Victoria Beach.

## Fond Memories...

In each edition of this year's *Herald*, we will be publishing articles from days gone by. We hope you will enjoy reading them as much as we did researching them.

### Wind-Up Dance - August 26, 1967

For those of you who did not attend  
The Roman bit, I'm sure  
That MARTIN and QUINTON now have found  
For your BEECH blues a cure.  
If SWYSTUN sings and REEVE will dance  
And LITTLE'S belly wiggles,  
Our friends the GUESTS like all the rest  
Will joint with JACKSON'S giggles.  
I'll GRANT you now if you come DOWN,  
The MOORE'S will "foil" us all  
And IVANOFF that happy toff  
Drives KACHMAR to the wall.  
Now SHARP is SCOTT if he's not caught  
With SUDERMAN'S wife Barb,  
And if you get gay with sweet JOYCE GRAY  
Ken's right as sure a dart.  
That TOOTHILL'S a card and he'll try hard  
To keep that DENNEHY going,  
And DEL McCLOY is full of joy  
When he gets the REISS' glowing.  
Now PATRICK and POYNTZ can sure shake their joints,  
And LORNA O'BRIEN'S a swinger,  
So join us my friends 'cause this is the end,  
Make the closing dance a humdinger!  
From 9 until 1 we all will have fun  
For a buck, now, how can you lose?  
With favors for you, great prizes, too  
I'm sorry, we do not serve booze!  
McTAVISH, McKECHNIE and BILL JUZDA, too  
We're hoping will be at the door

While IRVING and POLLARD are showing the rest  
The real way to cut up a floor.  
We'll have Alpert and Miller and Lombardo too,  
To bring you the best of their stuff  
So you ROULSTON'S and TRAINORS bring your friends all  
along,  
Of your type we can't get enough.  
McFARLANE, who works so hard for us all,  
And McCUAIG that rambling Roman,  
With STEWART and STEVENSON we'll all have a ball;  
We'll go till long past the gloaming.  
DO BENNINGEN you will have to come, too  
So we'll not litter the BEECH  
And GROVER and HUGHES will swing with the blues  
With a beat that's quite out of reach.  
Now our clan ATEAH will be there, don't feah,  
TED BACKHOUSE will lay down his brush  
While GIBSON and GILMOUR stand breathlessly by  
For JANE HEFFELFINGER to make like a thrush.  
So ANDERSON asks and SQUIRES enquires  
Will TOMLIN'S and BROWN'S come on down  
To meet MITCHELL and PARKER in a quiet schottische  
That'll soon put an end to their frown?  
So come one and come all to our last Beach Ball  
And swing with all who are square  
We're bound to have fun if you come every one  
We're sure we will find you all there.

## Classy Scrabble Field Out-Foxed In Run for Elk Island Trophy

In an outstanding debut performance amid a galaxy of top flight competitors, C. Fox outsmarted the field and slugged out victory to capture Gold, and the coveted Elk Island Trophy, at the Umpteenth Annual V.B. Scrabble Tournament held July 13 at the club headquarters.

Fox showed his rivals a clean pair of heels, though aggressively hounded by M. Elliot and J. Devokan, who shared Silver and second place. Bronze was claimed by a promising newcomer in V.B. Scrabble ranks, C.J. Kaye, who caught his closest opponents napping and took third place.

The Tournament, widely recognized on the Internet as the unofficial Olympics of Scrabble, held the rapt attention of an appreciative audience with the Devokan claque leading the applause for the sequence of brilliant word combinations.

J. Fridfinsson-Elliott, L. Fox and B. Grafton all performed at near championship level, while L. Storski and M.M. Kaye of du Gaul, France showed intermittent flair.

A. Adamson, always controversial, embellished his reputation in that respect when the use of several words of doubtful authenticity were accepted by the Tournament referee, Jesse Nicholas, though knowledgeable onlookers categorised the decision as lexicographic larceny.

Once again, Lucy's Catering of Traverse Bay delighted participants with a gourmet selection of delicacies.

The V.B. Scrabble Club Executive decreed that the 1997 post Olympic Tournament would be staged on July 14, 1997, with special provision for bilingual usage in honour of Bastille Day.

### Whispers in Blindness

I close my eyes  
I cannot see but I can hear  
I hear the waves roll over the sand, then crash down  
They whisper a secret to the trees and they are hushed  
The wind blows them begging for the secret  
The wind picks up the secret and heads for my blind eyes  
I hear whispers ..... whispers in blindness

J.L. Rathwell, 9 years.

To the Editor:

I like the beach because I like to play in the sand by the water. I like to watch the seagulls fly. That's why I like the beach.

S. Rathwell
