## ★ Superstars of the Week ★

Geoff Kirbyson will be devoting his entire long weekend to the Senior Open Tennis Tournament with help from Dick and Joan Dawson, and we thank them for their VB spirit! This tournament is as much fun to watch as it is to play in! Thank you for your commitment on behalf of all our tennis enthusiasts!

Skipper Steven Alkier and his crew of Yacht Club volunteers are rigging the clubhouse for the Adult Dance. Steven continues to be very organised and promises to have us gybing on the dance floor. Thanks Steven for your continued interest in raising money for the VB Yacht Club and the VB Club!

Let's all raise our bicycle seats in a toast to Marj Birley for her dedication to the Bike Race each year. Thanks Marj for convening the road race one more time on Sunday morning. It runs so smoothly, and I know the boys and girls appreciate not getting lost... and that cold drink at the end of a long hot ride doesn't hurt either!

For about 35 dog years, Barbara Riess has packed the sportsground with proud dog owners and their canines for the annual VB Dog Show. Barb will be there again on Monday, introducing us to many furry contestants who will be judged on their greatest attributes. There are some people you can always rely on to keep the traditional events alive and Barb is one of them. Thanks again!

Pat Hastings, Chairperson for the Junior Golf Tournament has once again organised a challenging day of golf for our young "swingers." Great prizes, great golf, a drink, a snack, a chance to meet some other kids are all things the participants can look forward to at this annual event. Thanks again Pat!

Our Yoga enthusiasts at Victoria Beach are very grateful to Jane Carroll and Dorothy Gregory for their weekly inspirational asana teaching. It is so nice of you to take the time to bring your stretching techniques and relaxation to people of all ages.

Our timeless aerobics instructor, Micheal Klachefsky is to be thanked for two weeks of trendy "boxer" aerobics. The music is great and the workout a challenge, as it should be. Thank you, Michael, for sharing your two week holiday keeping us in shape!

There were over 100 kids at Arts and Craft last Thursday, an overwhelming number, it must have been a record. Marina Wilson and Susan Schmidt really had their hands full! Thanks to some parents who stayed to help, the morning went quite smoothly! Thank you both for handling it all each week!

## 800 Metre Swim this Saturday

Last Saturday's 800 metre swim saw fine skies but some pretty significant swells, creating a challenging course. Those of us who were only spectators feel much like those who watch a marathon run: we regard with some measure of awe all of those who chose to participate, much less managed to finish. Indeed, special kudos go to our youngest competitors, 6 year old Sean McMahon, who muscled through 100 metres, and 8 year old Ryan McMahon, who managed 400 (as well as to their dad, Pat McMahon, who coached them through their swims before turning to finish his own). Results are as follows:

### Women's Open (Reeve Trophy):

- 1- Vanessa Johnson (13:24)  
2- Krystle McPetrie (13:38)  
3- Emily Allard (14:34)

### Men's Open (C.L. Anderson Trophy):

- 1- Derek McPetrie (13:08)  
2- Joe Bailey (13:21)  
3- Don Simonson (18:05)

### Age Groups:

#### Girls 10 & U

- 1- Sydney Woodman

#### Girls 11 & 12

- 1- Vanessa Johnson; 2 - Emily Allard; 3 - Sarah Ball

#### Girls 13 & 14

- 1- Krystle McPetrie; 2- Hayley Anderson; 3 - Petra Tittenberger

#### Women Over 17

- 1- Diane Bailey; 2 - Lisa Jones; 3 - Ruth Murray

#### Women Over 40

- 1- Trish Macdonald

#### Boys 10 & U

- 1- Matt McMahon

#### Boys 15 & 16

- 1- Derek McPetrie; 2 - Timothy Millican

#### Men's Over 17

- 1- Joe Bailey; 2 - Dave Erickson; 3 - Tom Ripley

#### Men's Over 40

- 1- Don Simonson; 2 - David Woodman

Congratulations to all who participated.

## Swim Program News

**Reminder: The ongoing Swim Registration Hours at the swimming dock are:**  
9:30 - 10 a.m. each lesson day

Andrika will be on the swim dock during these hours to take new registrations. (In very rainy weather, she would be at the Clubhouse.)

Thanks very much to all families that have been collecting milk bottles for us. We now have plenty, and will even be able to use some of the extras for new weights on our swim buoys. As well, we wish to thank the family who found and returned the lifejackets and flutterboards that were misplaced at the flea market, and the family of Tyler Page, who donated two other lifejackets. We are very grateful.

Many of you will have noticed a few new faces assisting with many of the swim classes over the past few weeks, while we were experiencing our enrolment bulge. They belong to Assistant Instructor Laura Burr, and to the students in the Aqua Leaders course — Lisa, Petra, and Christianna — who have been completing their practicum. As well, sometime substitute instructor Dan Jacques has also been giving us a hand. Thanks for all your assistance!

We also owe thanks to the students in the Bronze Medallion and Bronze Cross courses who, among the many other jobs we ask them to do, helped to make the annual Swimmers' Fun Day such a success on July 24.

## Junior Golf Tournament Tuesday August 4th

The tournament is open to Golf Course and Victoria Beach Club members.

All juniors interested in playing must sign up at the golf course prior to tournament day. There will be two shotgun starts. Children 12 and under will go at 9:00 am and the 13 and over groups will start at 1:00 p.m.

Once again there will be no entry fee but golf course non-members must pay green fees. Children 12 and under will only pay \$1.00. The course layout will be shortened for the 12 and under.

Last year's tournament attracted over 100 eager participants and only through the kindness and generosity of local businesses and individuals was it possible for each and every entrant to go home a winner. Prizes big or small are always appreciated with such a large contingent of golfers. Please drop off any items at the golf course c/o John Evans or contact Pat Hastings in Winnipeg Toll Free: 1-800-782-0078 or 943-6561. Should you wish to make a donation. Please make cheques payable to the Victoria Beach Golf course.

Approximately 25 chaperones are required to help with group scoring for the 9-hole event. Anyone interested can sign up at the course. Your help in any way is greatly appreciated. Thank you.

## Bike Race

The great VB Bike Race will be held Sunday, August 2nd. The start signal will be at 10:00 am; registration will be from 9:30 - 10:00 am at the Sports Ground. Please bring your membership card or a \$1.00 entry fee.

Each age group will use a slightly different course. Ages 7 and under will travel from the Sports Ground up to First to Arthur to Eighth, to Gibson, back up Gibson and across the Sports Ground.

Ages 8-12 must go as far as King Edward, then to Eighth, then follow the same route back up Eighth to Gibson etc. Ages 9-10 will be judged as one group at the finish line, ages 11 and 12 as another.

Ages 13-18 must travel the full course around First to Eighth, up Eighth to Gibson, back along Gibson and across the Sports Ground.

Medals will be awarded to the first male and female in each of the four age categories; ribbons for 2nd and 3rd place. Anyone wishing to compete for the trophy must ride the long course and pass the checkpoint at Eighth and First. In other words, those 13 and over must do the longest course, those under 13 may do the appropriate shorter course, but if they wish to be eligible to win the trophy, they must enter the longest race.

Multi-gear bikes will be taped in one gear to ensure even competition against "beach bikes." Contestants and parents are responsible for making sure brakes are in working order.

We need a few parents to help direct cyclists at the corners. If you can help, please let me know during registration (or before!). If you think that you can keep up with your budding Olympic cyclists, feel free to ride along with them. And remember to wear your bike helmet if you have one!

## Beach Banter!

Here's a huge "thank you" to Andrew Parkinson for jump-starting my van at the VB parking lot on Wednesday, July 22nd.

Not only did he have to push the van up an incline, he had to put up with six tired people who had just spent almost ten hours at the tennis courts!

And speaking of tennis — more "thank you's" to Greg Daniels and Tim Walker for giving up their holiday time to run the fun-filled Junior Tournament. In spite of the incessant rain delays, they patiently got all the events completed on schedule. We VBers don't let a little "rain on our parade" spoil things, do we?

"Willy" McNicol (A most appreciative VB permanent "guest")

We thoroughly enjoyed "Ladies Movie Night!" There were about 40 or more ladies who laughed, cried, and sipped wine while watching the movie *My Best Friend's Wedding*.

In fact, it was so much fun, we thought that perhaps we should have another one in August (although the movie might be optional!)

So, many thanks to Penny McMorris, as well as Jaret and Monique for a great evening!

Three of our little ones have just finished two weeks of swimming lessons with some very excellent Victoria Beach swimming instructors.

The way they handled even the most reluctant and the most energetic of our little swimmers is to be commended. They all want to come back and do it again next year.

Thanks to the VB swim program — its organizers and teachers.

There are so many people to thank that it is difficult to find a place to start. Let's begin with Mr. Cal Chute, Regional Sales Manager of Labatt's for his continued support of this event. Not only do they continue to supply refreshments, but Labatt's always gives us prizes as well.

Mr. Robert Stewart, who is a long time Victoria Beacher, and who now resides in Switzerland, brought a gorgeous Swiss watch. In order to allow everyone to be eligible to win this wonderful prize,

Many thanks to all those who supported me in the recent election. I will continue to serve your needs to the best of my ability.

Yours truly,

## Yacht Club News

We had sixteen youngsters aged 7 to 13 out last Saturday for the Junior "Optimist" sailing races. Due to the large turnout and the ideal weather, two races were held. Results are as follows:

3. Lance Dyke	---	27:07
4. Stephen Gable	Colin Russell	28:55
5. Scott Ziegler	Liam Morrow	31:05

The wind picked up for the second race and some of the kids really got moving, as you can see by their times!

These junior races are aimed at improving the kids' sailing skills in a fun and competitive spirit. Junior racing will continue until late August with races on Saturdays at 9:30. If the weather is uncooperative races will be on Sunday.

## Tennis News

The tennis court attendants for the first half of the summer.  
Left to right: John Holland, Anna Peacock, Tamara Ansons, Jeremy Walker, and Brian Walker

The court attendants for the last three weeks of the rec program will be Tamara Ansons, Anna Peacock, Ryan Sorenson, and Jeff Stromie.

For those newly arriving at the beach, there is a change in the tennis court operation this summer. Shoe tags must now be purchased for \$5.00 each, upon presentation of your VB Club Membership. All players not wearing shoe tags will be asked to pay the \$3.00 guest fee. The money collected from sale of tags will be set aside to cover future costs of court resurfacing.

Thanks to Nick Beaton for convening the Master's Tournament, and Greg Daniels and Tim Walker for organizing the Junior event. Because of their organizational skills, both tournaments ran smoothly.

On the subject of tournaments, I understand the change in dates of the Master's Tournament created a problem for some people. I apologize for any inconvenience the change may have caused. It was an Executive decision to move the Master's forward one week, to provide three weeks of spacing between each of the adult tournaments. This was done to accommodate the many players who choose not to participate in the tournaments. In the future, this three week interval will be a permanent addition to the Events Calendar. For those planning next year's holidays, the 1999 tournament schedule will be:

Master's Tournament	July 10 and 11
Junior Tournament	July 21 and 22
Open Tournament	July 31, August 1 and 2
Novelty Tournament	August 21 and 22

Hopefully this information will be of assistance. Let's hope the weather stays great for the remainder of the summer!

## Children's Masquerade

Well over 250 wonderful costumes decorated the Sports Ground last Saturday night at the Children's Masquerade. Parents, Grandparents, Aunts, Uncles and friends were dazzled by the imaginative effort that went into the terrific costumes. Bravo to all of you for making this such a fun event! A big thank you to Carolyn, Jennifer and Scott Meyers, Chris Brett, Jenette Keating, and Carol McGetrick for helping out, and a special thanks to Jan and Herb Harbour who every year pick up, refrigerate, and deliver our refreshing juice boxes so willingly.

## Beach People

Visiting **Haywoods** Nest Egg from Duncan, BC and Montreal are **Keavghn, Lunsaya** and **Brittini Scott**. They've officially christened every bed. **Ainsley Schott** from Calgary is the short order cook putting out a gazillion sandwiches at a time. **Aaron Schott** from Calgary arrives this weekend along with **Charles Pilgrim** of Barbados. All beds will be occupied, overflow goes in the tent outdoors. Welcome to you all! Thank God we've got the new table. It fits twelve, no problem. Overflow guests eat at a TV table. Now all we need is another bathroom because the open door policy has exhibited a few surprises!

Jamie Scott-Haywood

It is once again that special time of year, and we are delighted to announce the arrival of the **McNicol** family to our own cottage. We look forward to sharing new jokes and reviving ourselves from strenuous days by munching on well deserved treats made by **Willie McNicol**. If you happen to be around town, take a look at the tennis courts because you're bound to find **Kyla** and **Meghan** playing and their coach **Dave** close at hand. If you happen to be riding down **Sunset** and you smell something good cooking it's probably **Willie** cooking up another gourmet dinner. And so welcome to the **McNicol's**. We can't wait for you to arrive.

Jessica Rathwell

**Vanessa Anne French** celebrated her first birthday at Victoria Beach on July 18, 1998. Besides Mum, Dad and her three big sisters, **Christianna, Katie** and **Meghan**, many friends and family gathered to join in the party. Visiting VB for this special event were Grandma and Grandpa **Lewis** from London, Ontario, **Raphaelle Duverger** from Lyon, France, and from the Barbados the entire **Alleyne** family, **Andrew, Sonia, Nicholas, Victoria** and **Daniel**. Here's hoping that Vanessa will celebrate many more birthdays at Victoria Beach!

Natalie French

It was the usual July "open-door" day at the **Hansford's**, 306 - 8th. **Laura** and **Kelsey** arrived from Thunder Bay for three weeks of quiet weather. (**Kelsey, Diane** and **Barb** all celebrated July birthdays — ah, these cakes were good!) **Kelsey** has had great fun with her cousins at the **Bailey's**, 303 - 8th. Also visiting were **Joan** and **George Burkitt** from Sardis, BC, and **Bob** and **Carol Hestap** from South Bend, Indiana. The highlight was a family trip to **Elk Island** — a perfect day. Even some rodeo horses made the trip through the water. Another memorable summer at VB.

Ab and Betty Hansford

Guests at the **Hughes** cottage this week were **Mary Sinclair** and **Michael Nargrove**, and the **McCusker** family from Regina. The **McCuskers** had never been to VB before so **Brian, Juan, Rorie** and **Christina** had a great time exploring the area. **Juan** played second on the **Schmürler** rink, who won the Gold Medal in Nagano, Japan in curling. **Brian** is also an avid curler, representing Sask. In the Brier in '92.

Elsie Hughes

The revolving door continues at 325 - Sunset with **Phyllis Taylor** (Trudy's aunt) visiting from Toronto for a week. Another first-time visitor to the beach who we're sure will enjoy her stay as much as others have.

Trudy and Michael Trint

On July 10 **Doris May Pickard** had her 90th birthday at 19 Anderson Bay, cottage of **Barb** and **Jim Daly**. Son **Bill** and daughter-in-law **Mary**. Grandsons **Tim** and **Brian** and **Brian's** wife **Megan**, Granddaughter **Robin** and **Robin's** husband **Brian**, Great-grandchildren **Jessica** and **David**, and Great-granddog **Comet**. We all had fun, good and very hot day.

Jessica Flynn

Welcome to **Rob** and **Jenny Craig** of Chester, England, returning to the **Craig's** cottage at 316 - 7th. And — a special welcome to **Wendy** (**Jenny's** sister) and **Alan Bing** and their daughters, **Alison, Emma** and **Julia**, of Devon, England, on their first visit to Canada.

Four generations joined together Saturday July 18 at 301 - 3rd Avenue (Pooh Corner) to celebrate the birthday of **Shelley**, daughter of **June** and **Gordon Saunders**. Representing the fourth generation was **Courtney Pappioanow**, the great-great-granddaughter of **Charles** and **Rubina Saunders**, original cottage builders 79 years ago. Out-of-province attendees included **Sylvia** and **David Saunders** from Ottawa, with children **Kristina** and **Michael**.

## Junior Tennis Tournament +98

Junior Tennis Tournament convenors  
Tim Walker (left), and Greg Daniels (right)

The 1998 Junior Tennis Tournament was a successful one, despite the occasional shower on the first day of competition. Altogether there were 66 participants, 84 entries, and 101 games played over two days. Due to the lower number of entries, all events had a consolation side guaranteeing players a minimum of two games in each event.

All participants are commended for their outstanding sportsmanship and fair play throughout the tournament. The level of play was exceptional — congratulations to all!  
The tournament results are as follows:

Thank you to Tim Walker for once again providing invaluable assistance in setting up the draw and running the tournament. Also, thank you to Aynsley Walker and Stewart Juzda for computing and collecting fees, respectively. Thanks to the Harveys for the refreshments and, finally, thanks to all those who offered help when needed, especially when it came to squeegeeing water off the courts.

## VB Open Tennis Tournament

Manitoba's biggest tennis tournament kicks off Saturday morning with an entire weekend full of entertaining tennis. Much of the Saturday morning draw, which begins at 8:00 a.m., will feature arguably the most competitive event, the Men's A, or qualifying, singles. The top eight finishers in this event will qualify for the Men's Open draw, which will begin on Sunday, but they will also finish off the "A" as a separate event.

Saturday will see some Men's A Doubles, as well as a few matches in the Women's singles and doubles, and the Mixed Doubles.

The semi-finals will start as early as Sunday afternoon or Monday morning, with the last final scheduled to start early Monday afternoon. Lobbying to avoid the Sunday 8:00 a.m. draw is expected to begin Friday night. The draw and rules will be posted Friday at 7:00 p.m.

See you there all weekend for some great tennis action!

## Library News

We are having a great summer at the VB Library. Recently we purchased many new junior and young adult books. Included in the new selection are books from your favourite series: *Goosebumps*, *Fear Street*, *Animorphs*, *Med Centre*, *Hardy Boys*, and *Sweet Valley High*. If there are any authors or novels you think would be a good addition to the library, please let me know. We are always open to suggestions.

As well as purchased books, we have a great number of "new" library books received through donations. I would like to extend a big "thank you" to the Jardine, Perchal, Willoughby, Walker, Hanson, Fast, Collins, Jones, Care, Sarchuk, and Hirschfield families for their donations. There are also many anonymous donors.

The library will be closed for the season on August 14th. The last day to take out books will be Friday, August 7th. We need to have all the books returned by the end of the library season therefore books taken out between August 3rd and August 7th can only be borrowed for one week. From August 8th to August 14th, the library will be open for returns only.

# Lake Winnipeg water level information

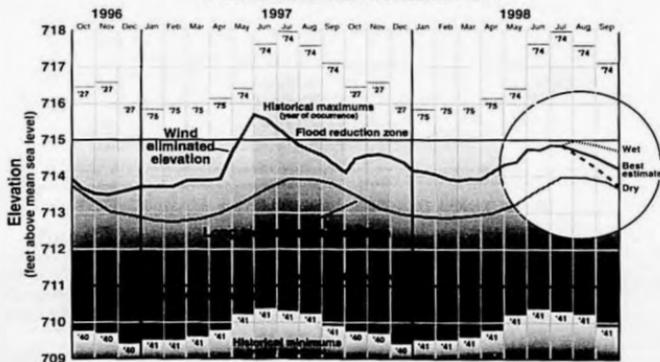

July 1998

*The following information is provided by the Water Resources Branch, Province of Manitoba, and published by Manitoba Hydro as a courtesy to those interested in the outlook for water levels on the lake.*

## LAKE WINNIPEG LEVEL FORECAST

On July 15, the wind eliminated level of Lake Winnipeg was 714.8 feet and decreasing slowly. The water level forecast below shows the history of water levels on Lake Winnipeg for the past two years, the extremes that have occurred since 1912, and a range of future water levels for the next three months. The forecast shown "BEST ESTIMATE" will occur if present inflow trends continue. The remaining two forecasts show the range of possible levels given extreme wet or dry conditions. The forecast shown "WET" will result if rainfall over the Lake Winnipeg drainage basin is well above normal. The forecast shown "DRY" will result if precipitation over the basin is much below normal.

## LAKE WINNIPEG WATER LEVEL

## LAKE WINNIPEG REGULATION

The outflow from Lake Winnipeg is regulated by Manitoba Hydro by a control structure at Jenpeg Generating Station on the Nelson River near the outlet of the lake. While the wind eliminated level of Lake Winnipeg is between 711 feet and 715 feet, Manitoba Hydro regulates outflows from the lake as required for power production purposes. During periods when the water level is above 715 feet, Manitoba Hydro must operate the control structure at Jenpeg in such a manner to effect maximum outflow possible under the circumstances then prevailing until the water level of Lake Winnipeg recedes to 715 feet. During periods when the water level is below 711 feet, Manitoba Hydro must operate the control structure at Jenpeg as ordered by the Minister of Natural Resources. In addition to the control structure at Jenpeg, the Lake Winnipeg Regulation project included the removal of restrictions in existing channels and the excavation of new channels to improve outflows from the lake. This work increased the maximum outflow capacity of the lake by up to 50 per cent, meaning that in high water periods or high electricity demand periods, more water can be passed out of the lake more quickly than prior to Lake Winnipeg Regulation. Therefore, extended high water periods and flooding around the lake are significantly reduced.
